sistant gains. He cracked the line for thirty yards in two plays, while Palm and Wilson helped along with five and six yards respectively. Wilson made a sensational plunge through center for fourteen yards, but Kratz fumbled the hall on the next play and Frock recovered for the visitors.

It was at this stage of the committee in charge to secure men prominent in various industries and professions to present talks to Penn State students on methods of combining and incorporating business and Christian activities.

A special musical program has been arranged in connection with the meeting, with the College band as the chief

It was at this stare of the came that

#### BEARS OF FORESTRY DEP'T. SENT TO SCRANTON ZOO

It was at this stage of the game that Homan broke away for his brilliant forty yard run through the Penn State defense men. He was downed by Palm on the forty-seven yard line. Homan then flipped a pass, but Singer inter-Nearly every one remembers the cepted it on the thirty-five yard line bears which have been kept by the For-just as the half ended. Score, Penn State 13, Lebanon Valley 6.

They were presented to the Department estry Department for over two years. They were presented to the Department the State game th Gordon. One The end of the third period marked the beginning of the Nittany steam roller attack. It was Penn State's ball n the twenty yard line when Palm shot round left end for seventeen yards

When the cubs arrived they attract d a great deal of attention, and as they ed a great deal of attention, and as they rapidly grew in size interest among the people, especially the children, never lessened. It has been the usual thing to see visitors surrounding the cage of the bears now familiarly known as Tiny and Punxy. They have become full grown and will be dangerous to till grown and will be dangerous to handle as they grow older, so it has been thought best to give them up, since the Department does not have proper facilities for taking care of them. Many people thought that it might be best to give Tiny and Punxy their freedom, but as they were brought up steady march of the Nittany Lions down the field. With the ball on the

yards around left end, only to lose it by a fifteen yard penalty imposed for holding. Wilson crashed through cen-ter for seven yards and Singer made into more on a straight line buck. A pass, Palm to Frank, aided materially n captivity they were never taugh o forage for themselves and conse to forage for themselves and conse-quently if they were turned loose they would return to civilization and become a noisance around farms. The many friends of these two bears will be glad to know that they will be

through the line for eight yards and Wilson slid over the line for his sec-ond touchdown. Palm failed to kick well taken care of in the future, for they are being sent to the Zoological Garden at Scranton, Pa.
