

Penn State Collegian

Wonder How The Team Likes Oranges?

Wish Someone Would Invite Us To Visit California

VOL. XVIII. No 14

STATE COLLEGE, PA., FRIDAY, OCTOBER 27, 1922

PRICE FIVE CENTS

NITTANY GRIDDERS PRIMED FOR CLASH WITH ORANGE TEAM

Syracuse Has Strongest Outfit in Years—Backfield Is Made Up of Star Players

PENN STATE LINE-UP IS SAME AS LAST SATURDAY

Primed as far as possible for the first gridiron game of the season, the Nittany warriors left for New York City last night where they are slated to tackle "Chick" Meahan's veteran orange outfit on the Polo Grounds tomorrow afternoon.

The Salt City gladiators consider tomorrow's game their most difficult and will leave nothing unturned to secure a victory. Coach Meahan has been drilling his men especially for the Penn State game, and has succeeded in turning out a team that is powerful in every department.

Syracuse Has Star Backfield One of the newcomers on the big orange eleven this year is Simmons, who played at the University of Chicago under Alonzo A. Stagg before matriculating at Syracuse.

Zimmerman, a veteran of several years' experience, is also in the backfield and is said to be going better this season than ever before. Anderson, Kellog and Bowman complete the list of offensive stars whom Coach Meahan may draw on in effort to rout the Nittany Lion.

Line Averages 191 Pounds The Syracuse backfield averages one hundred and sixty-eight pounds and is equipped to play either a plunging or open game.

Van Blaroom, a 221-pound guard, who stands six feet two inches in height, is the largest and heaviest man on Meahan's team.

FURNACE DEDICATION TAKES PLACE MONDAY

Classes Excused Last Hour of Afternoon—Cadet Regiment to Take Part in Ceremonies

The dedication of the memorial tablet which will be erected to mark the historic Centre Iron Company, located and operated at one time about two miles east of State College, will take place Monday afternoon at four-thirty. The tablet is being erected by the Pennsylvania Historical Commission in connection with the History Department of the Pennsylvania State College.

In order that the students of the college can witness the unveiling of the tablet, arrangements have been made to dismiss classes at four-twenty Monday afternoon. The Cadet Regiment, led by the band will march to the site of the iron works to take part in the ceremony.

The Centre Iron Company was the first iron smelting plant in Centre County, having been erected in 1792 and operated until 1809, a thriving town of one hundred people springing up at this time. The plant was again put in operation in 1825 and again closed in 1858. Since that time it has stood as a memorial of one of the earliest iron smelting establishments in the country.

RETURNS FROM SYRACUSE GAME

The college authorities have granted permission to receive returns from the Syracuse game, in the Auditorium if the balcony is filled only to capacity and on condition that there will be no stamping of feet or "roughhousing," and that no one shall occupy the window sills.

CO-EDS WILL GIVE PLAY THIS EVENING

Entertainment Comprises Ten Distinct Acts—Has Been Highly Praised

TICKET SALE AT BOX OFFICE THIS EVENING

All is now in readiness for the vaudeville show to be staged under the management of the co-eds, in the Auditorium this evening, at eight o'clock. That the students seem pleased with the program as described recently, is evidenced by the fact that tickets for the event are selling rapidly, and considerable interest in the show is manifested.

Aside from the fact that tonight's entertainment is really of high quality and worth far more than fifty cents, an opportunity to contribute to the Student Welfare Fund of three hundred thousand dollars, presents itself, and each person who purchases a ticket is helping the co-eds in their effort to raise their quota of the fund.

Rehearsals Highly Praised All who have been privileged to witness rehearsals of the show are lavish in their praise, and the co-eds assert that everything that has been advertised concerning the production, and all the promises made for it, will be fully realized in the final presentation tonight.

Several New Features The management of the show has been untiring in its endeavors to present the very best entertainment possible, and has spared no pains in the effort to secure the best talent that the college offers and to exhibit this talent in performances that will be pleasing from beginning to end.

Industrial corporations are becoming interested in Penn State's plea, and a few days ago a \$2000 subscription was received from the Pennsylvania Coal and Coke Corporation, with offices in New York City.

Yesterday a pledge blank for \$2000 was received from potato growers of Franklin county. Special interest is connected with the gift because the (Continued on last page.)

ENGINEERING LECTURE GIVEN THIS AFTERNOON

C. W. Clark Will Talk on Subject of Colfax Electrical Plant of Pittsburgh

FROSH AG. ED. COURSE PROVES SUCCESSFUL

The Agricultural Education course which was given to the freshman students in Agriculture last year as an experiment proved to be very popular with the students and successful from the administration viewpoint and has been adopted as a regular required subject in the first year curriculum.

In the hands of the students and will also be sold at the box office before the show begins.

MID-YEAR GRADUATES

All students who expect to graduate at the mid-year convocation please hand their names in to their respective deans at once.

SCHOOL TEACHERS PLEDGE SUPPORT TO CAMPAIGN FUND

Four Big Subscriptions From Individuals and Industries Help to Raise Total

DR. THOMAS TO SPEAK ON DRIVE IN NEW YORK

Proceeds of New Year's Football Game to Be Turned Over to \$2,000,000 Fund

This week is expected to prove a momentous one in the history of Penn State's \$2,000,000 emergency building fund campaign.

Developments have been coming quick and fast and were topped by yesterday's announcement that the Nittany Lions would invade the Tournament of Roses on the Pacific Coast on New Year's Day for the big East vs. West football championship game, and that Penn State's proceeds would be turned over to the fund.

A new development in campaign activities during the past few days is the entrance of public school teachers at county institutes into the Penn State drive. Dr. David A. Anderson, of the education department of the college, went as a lecturer to the Cambria county institute on Monday, and with Joan C. Cosgrove, the Penn State campaign chairman in that county, presented Penn State's story to the teachers.

Campaign Headquarters are now arranging for a similar presentation of the campaign to the county institutes of at least nine other counties. Dean Chambers and Professor Dennis, of the rural life department will visit these within the next two weeks.

Some big subscriptions from individuals have been received during the past week. Two of these are from well-known alumni. One is James G. White '22 of New York City. He is a member of the college board of trustees and is the donor of the John W. White fellowship, medal, and scholarships. The other \$15,000 is from a well known alumnus who made the request that his name be withheld.

Industrial corporations are becoming interested in Penn State's plea, and a few days ago a \$2000 subscription was received from the Pennsylvania Coal and Coke Corporation, with offices in New York City.

Yesterday a pledge blank for \$2000 was received from potato growers of Franklin county. Special interest is connected with the gift because the (Continued on last page.)

ENGINEERING LECTURE GIVEN THIS AFTERNOON

C. W. Clark Will Talk on Subject of Colfax Electrical Plant of Pittsburgh

The Colfax Plant is to be the topic of the engineering lecture given this afternoon by C. W. Clark, a representative of Dwight T. Robinson and Company, a large contracting and construction concern.

FROSH AG. ED. COURSE PROVES SUCCESSFUL

The Agricultural Education course which was given to the freshman students in Agriculture last year as an experiment proved to be very popular with the students and successful from the administration viewpoint and has been adopted as a regular required subject in the first year curriculum.

In the hands of the students and will also be sold at the box office before the show begins.

MID-YEAR GRADUATES

All students who expect to graduate at the mid-year convocation please hand their names in to their respective deans at once.

A Veteran

HARRY WILSON, HALFBACK

The only veteran appearing in the Penn State backfield this season is Harry Wilson, playing the left half-back position. He achieved fame in the Harvard contest last year when he repeatedly made smashing gains through the line.

FROSH ELEVEN SET FOR WEST VIRGINIA

Freshmen Meet Mountaineers on Old Beaver Tomorrow in First Hard Game of Season

WEST VIRGINIANS HAVE STRONG FRESHMAN SQUAD

With the varsity football squad playing in New York tomorrow, the freshman gridiron clash with the West Virginia yearlings on Old Beaver offers the main athletic attraction for the week end.

Since the Dartmouth game last Saturday, Coach Hermann has been putting his squad through hard and thorough scrimmages in preparation for tomorrow's game. At times the excellent showing made by the freshmen last week was lacking in the scrimmages and makes the outcome of the game more doubtful.

ENGINEERING LECTURE GIVEN THIS AFTERNOON

FROSH AG. ED. COURSE PROVES SUCCESSFUL

The Agricultural Education course which was given to the freshman students in Agriculture last year as an experiment proved to be very popular with the students and successful from the administration viewpoint and has been adopted as a regular required subject in the first year curriculum.

MID-YEAR GRADUATES

All students who expect to graduate at the mid-year convocation please hand their names in to their respective deans at once.

PENN STATE ELEVEN WILL JOURNEY TO CALIFORNIA

Penn State has accepted the invitation extended by the Pacific Coast Intercollegiate Conference to represent the East in the intersectional football game at Pasadena, California, on January first.

The team which will confront Penn State at that time will be selected at a later date by the Pacific Coast Conference. Doctor U. G. Dubach, president of the Coast Conference has received the approval of this trip from President John M. Thomas, the Penn State Faculty and the Advisory Athletic Committee.

This is the second consecutive year that the Penn State Athletic Association has received an invitation to terminate football activities for the season in California. Last year it was unable to accept the invitation because of the final game with Washington University in December.

This invitation comes as a tribute to the past achievements of Penn State football machines. The enviable record which has been set up during three consecutive years is receiving recognition through this opportunity to represent the East in Collegiate football.

Despite the importance of this invitation Coach Bezdek and the members of the varsity squad are not allowing it to overshadow the more important work of whipping into shape an aggregation which will successfully compete against the hard teams already appearing on the schedule.

No plans have been announced from the Athletic Association regarding this western trip. It is probable that some formal announcement will be made at the mass meeting to be held prior to the departure of the team to the Navy game.

The proceeds which the Athletic Association will receive from this trip are to be turned over to the Endowment Fund Campaign and is to come as a subscription from the members who will partake in this game.

MUSICAL PROGRAM WILL BE SENT BY WIRELESS TONIGHT

Band of Fifty-four Pieces and Varsity Quartet to Give Concert from New York

PROGRAM WILL BE NOVEL MEANS OF PUBLICITY

Program May Be Heard From Penn State's Wireless Station on the Campus

From the radio broadcasting station designated as W. A. E. P. in New York City there will be relayed to Penn State a combined Varsity Quartet and College Band concert tonight and tomorrow night from eight to nine-thirty o'clock.

All the other stations in the vicinity of New York will be idle at that time and individual instruments should be set for a four hundred meter wavelength. Between the numbers on the program varied forms of information will be sent out from Penn State to stations within that radius.

Fifty-Four Make N. Y. Trip

The College Band consisting of fifty-four pieces and the Varsity Quartet composed of C. E. Finley '23, D. V. Bauder '24, P. W. Moor '23 and E. G. Hill '23 left for New York City on the ten forty-seven sleeper out of Tyrone last night. Immediately upon their arrival it was planned to give a rehearsal of the program which has been approved by the American Telephone and Telegraph Broadcasting Company.

W. O. Thompson, leader of the band, and Professor T. E. Grant, instructor of Music, have completed arrangements for carrying out a joint program which will be presented in the following order:

- Band Arrangement by W. O. Thompson, U. S. A. Overture—Poet and Peasant—Suppe 1 Arrangement of Annie Laurie 2 I Saw 'E. Saw-Landers Characteristic March Bones (Trombones)—Fillmore Quartette De Stand Man—Protheroe Washington Post March—Souza Quartette 1 Dip me in the Golden Sea 2 The Trumpet Calls Away Band—Itemisences of the Plantation Quartette 1 Go Ask Papa 2 Pennsylvania State 3 Victory 4 Nittany Lion During the Intermission C. E. Finley '24 and D. V. Bauder '24, both of whom are tenors will render the following solos:

- There is no Death—O'Hara Because—Hardelot Invictus—Kuhn Down Alone in the Twilight—Moore The Owl—Wells Professor Grant will travel with the quartet and will act as accompanist and advisor. He believes that it will be a wonderful opportunity to present to a large number of people the musical activities of Penn State, and indirectly aid the plans for the enlargement and betterment of the College.

Preparations are being made by the Y. M. C. A. to have a complete radio receiving outfit installed in the Old Chapel so that at least a portion of the student body may enjoy the concert on Friday and Saturday evenings.

DON'T FORGET THE VAUDEVILLE

Entertainment Comprises Ten Distinct Acts—Has Been Highly Praised

NITTANY SOCCER TEAM READY FOR SYRACUSE GAME

Orange and Blue Aggregation Has Been Defeated by Cornell and Tied by Two Other Schools

SLIGHT CHANGES APPEAR IN PENN STATE LINE-UP

Blue and White Booters Have Over-come Many Faults That Appeared in First Game

Penn State's soccer squad is now in readiness to invade New York state for the battle with Syracuse tomorrow, and the Nittany Lion will make a determined effort to atone for the tie score resulting from the first game of the season.

Syracuse Plays Three Games

The Syracuse booters do not present a particularly terrifying aspect to the Blue and White soccerites, since Penn State and Syracuse have met on the soccer field for the last three years, each date having won two of the three contests. The New York state men have played three intercollegiate games this season. Cornell defeated the Orange and Blue aggregation 3-2, while the other two games resulted in ties.

One of these contests was with Colgate and ended 0-0, while the game with Hamilton yielded a score of two for each team. The latter two results are deceiving, however, as Syracuse really outplayed her opponents in these contests, it is stated.

Eight veterans will appear in the Orange and Blue line-up, which will be arranged as follows in tomorrow's struggle: O. A. Jagger; L. L. Wellington; C. F. Ross; I. R. McIndeison; O. R. Phillips; R. H. B. Bertenshaw; C. H. B. Partridge (Capt.); L. H. B. Condit; L. F. B. Walton; F. H. B. Legg; Goal—(undecided).

Nittany Team Improves

Coach Keeley has kept his proteges at steady practice ever since the Lehigh game, endeavoring to strengthen the weak points that have been conspicuous. Included in the regular workouts have been several practice games with the sophomore and freshman teams, the last two of which resulted in a 5-1 defeat for the sophomores and a 3-0 victory over the yearlings.

Yesterday practice in shooting was scheduled, as well as kicking practice for the backs, line practice, a long run, and sprints, while this morning the squad will take a long run, and stage some line practice, leaving State College at noon. The probable line-up is as follows: O. L. Crooks; I. L. Gaul; C. F. Warner; I. R. Russell; O. R. Kelly; R. H. B. Hagenbuch; C. H. B. Hinnal (Capt.); L. H. B. Blinn; R. F. B. McVaugh; L. F. H. Shair; Goal—Loughrath. Substitutes: Edger-ton '23 and Edger-ton '25.

Manager F. W. Miller '24 has announced that Lafayette has cancelled the game which had been scheduled for November fourth.

OLD MAIN CLUB DANCES IN ARMORY TOMORROW

Fourth Annual Hallow'en Dance Promises to Be Bigger and Better Than Before

Final arrangements for the fourth annual dance to be given by the Old Main Club tomorrow evening in the Armory have been practically completed and all indications point to a bigger and more successful affair this year than ever before.

The dance this year will be of a Hallow'en nature and the committee in charge of the affair have secured permission from Student Council to permit any freshmen who may care to attend the dance to be released from customs for that night.

"Ken" Keller's eight piece orchestra from Altoona has been secured for the Old Main Club's dance and the very best in music has thus been assured for the occasion. The committee is working on a plan for decorating the Armory for tomorrow night and promise an unusual effect. The admission fee has been set at two dollars a couple.

The committee in charge of the dance is composed of Harry Leonard '23, S. Stoler '24, J. G. Endsley '26, J. P. Dempsey '26, D. G. Reeder '26 and J. A. Knox '23.

On the Gridiron

- Penn State vs. Syracuse Navy vs. U. of Penn U. of Pitt vs. Bucknell Princeton vs. Chicago Yale vs. Army Harvard vs. Dartmouth Lafayette vs. Boston College Lehigh vs. Muhlenberg Colgate vs. Susquehanna Dickinson vs. Ursinus Swarthmore vs. Stevens Hanover vs. F. and M. Rutgers vs. West Virginia Gettysburg vs. Villanova Brown vs. Boston Univ. Lebanon Valley vs. Wash. College
