NITTANY LIONS DOWN TARTAN GRID WARRIORS

plunge through center. Wentz broke through for five yards as the quarter ended.

Second Quarter

At the beginning of the second period, Wilson shot through the opposing line for a twelve yard gain and Wentz registered three more which placed the ball on the Tartans' four yard line. Wilson made two yards at center and on the next play pushed the pigskin over for the lone touchdown of the game. Palm drop kicked the goal for the extra counter.

Bentz again kicked off to Robertson on the three yard line who returned the ball to the thirty-three yard line where he was pulled down by Artelt. A beautiful pass, Lamb to Robertson gave the visitors forty yards. This play was one of the features of the game and had it not been for a clean hard tackle by Wentz, the only man whom Robertson had to pass, it would have resulted in a six-pointer for the Skibos. A number of line bucks by Brumbaugh gave Tech another first down and brought the ball on Penn State's fifteen yard line. The Nittany stonewall held for downs and Bezdak's lads took the ball on their own ten yard line.

Palm immediately kicked out of danger, Robertson receiving the pigskin on the Tartan forty-five yard line where he was downed in his tracks by the Nittany forwards. Tech then resorted to the aerial attack at this stage of the game and after a number of unsuccessful attempts, succeeded in having a long heave intercepted by Wilson on the twenty-five yard line.

A steady march down the field in which Wentz and Wilson figured brought the ball on Tech's forty yard line. Wilson shot through center for five yards and Wentz made it a first down by a crash through right tackle. Wilson then broke loose for a brilliant ten yard run and was rumbled by Neuman after dodging nearly the whole Skibo team. Wentz made two yards

through center which placed the ball on the visitors' eighteen yard line from which position "Mike" Palm kicked a beautiful field goal for three extra points making the score 10 to 0 at the end of the first half.

The ball changed hands several times during the third quarter without either side making much progress. Neuman did some fine punting for Carnegie Tech in this period.

With the ball at midfield, Palm tried a pass to Artelt which was intercepted by Moran on the forty-five yard line. A number of unsuccessful attempts at line plunging forced Neuman to kick. He punted the ball and it rolled out of bounds on Penn State's one yard line.

Palm kicked out of danger to Robertson on the forty-seven yard line who returned the ball to the thirty-five yard line. Brumbaugh crashed through left tackle for four yards and Lamb added three more by a plunge through center. Neuman kicked to Palm on the fifteen yard line who returned the ball ten yards.

Wilson shot through center for ten yards and Wentz added another five by a straight line buck at right tackle. Palm and Wentz made two more eleven and a pass, Palm to Artelt, gained seven yards for the Nittany warriors. The quarter ended with the ball in midfield in possession of the visitors as the result of an intercepted forward by Lamb.

In the last period "Wally" Steffen's lads tried hard to penetrate the Nittany defense without avail. The Penn State goal line was never in great danger of being crossed and the game ended with the score 10 to 0 in favor of Bezdak's warriors.

DEAN SACKETT SPEAKS AT BIG CONFERENCE

Penn State men played a prominent part in the big convention of the National Personnel Association held in Pittsburgh last Wednesday, Thursday, and Friday. Dean R. L. Sackett presided and spoke to the special conference on shop training, and the methods used at the college in the Department of Engineering Extension were brought out by him and appreciated by the audience. There were four hundred industrial delegates present to discuss training and personnel work. Many of the engineering extension teachers, headed by Professor Spahr, were present.

GLEE CLUB CONCERT IS PA. DAY FEATURE

Big Crowd Turns Out to Hear Musical Program—Varsity Quartet Sings

The Pennsylvania Day Concert by the Penn State Glee Club was one of the big features in a big day; in fact numerous critics have placed it on a par with some of the best musical programs that State College has ever produced. A capacity house greeted the musicians.

Especially to be noted was the playing of Miss Mary Kessler '25 whose performance denotes a young pianist of unusual ability and one who possesses more than mere technical proficiency. Her tone was clearcut, forceful, and compelling. She is a pianist of undoubted artistic attainment and interpretive ability of more than usual interest and character.

The Glee Club produced music of well balanced quality and followed the leadership of Mr. Grant so that his interpretation of contrasts was reproduced faithfully. The ensemble, intonation, and pitch were wellnigh faultless. The music showed a finished quality that indicated well-organized rehearsal, and excellent leadership on the part of Mr. Grant.

The Varsity Quartet maintained the reputation made by quartets of the past. Numerous encores were the result of each appearance. Practically all the numbers were humorous which contrasted well with the heavier work of the Glee Club.

The wife of Musical Director Grant accompanied on the organ and pianoforte with her usual proficiency and skill.

The program was of a varied character, consisting of two groups each containing a heavy number, a lyric, and a humorous selection. The ease of the men, the program, and the type of music made the concert as a whole of professional quality.

The program which was presented follows:

- "The Song of the Sea"—Stebbins
"In Picardy"—by Osgood
"The Scissors-Grinder"—Flemish Folk Song
(a) "Cycloviene"—Fantastique by Paderewski
(b) "Rondo Capriccioso"—by Mendelssohn

PATRONIZE OUR ADVERTISERS

The first record we have of artificial means being used to improve the vision dates back to 54 A. D. It is claimed Nero watched the contests of men and wild beasts through an emerald so constructed that the light rays passing through converged and reflected at the same time. Nero would not have exchanged this emerald for a kingdom because of its magical power. Thousands in this age do not realize the magical power of properly fitted glasses.

POMONA GRANGE WILL GIVE BIG SUM TO COLLEGE FUND

The largest contribution from any State Grange is to come to the college fund in a few days from Pomona Grange number 25 of Mercer county, college officials have been advised. The sum of three hundred dollars (\$300) is to be given by this organization for the new hospital to be built for the potato growers of the state. This gift joins Mercer county over the top with its share of the hospital fund. The Penn State fund has reached the \$750,000 mark and the annual expect to make it a million by Thanksgiving Day.

DR. THOMAS IS TOASTMASTER AT BIG HARRISBURG DINNER

Dr. John M. Thomas, president of the college acted as toastmaster at the annual alumni dinner in connection with the State Chamber of Commerce at Harrisburg yesterday and today. The dinner was held last night with Alva B. Johnson, head of the state chamber, presiding. The banquet speakers were Governor William C. Sproul, former banking commissioner John S. Fisher, and United States Senator David A. Reed.

This is PENN STATE SPIRIT:

Two Penn State men helped get an auto out of a Bucks county mud hole; the driver gave them each a dollar; they sent the \$2.00 to the Emergency Building Fund, in addition to their pledges.

ANOTHER EXAMPLE:---

A prominent Penn State graduate, a former athlete, resigned from his \$100 a year golf club so he could use that money to redeem his campaign pledge.

The Co-eds are raising the difference between their pledge total and a round \$15,000, and are turning in cash to the fund.

YOUR OPPORTUNITY:---

If your H. P. Q. couldn't come, how about using some of the nickles saved towards paying off your pledge?
