Prof. Crockett Tells of France

"It seemed almost like getting home," I wrote, as I closed my last letter which brought this story of our Great Adventure...

We did some of the conventional things in Paris we went a number of times to the collections in the Louvre, which houses the largest collection of art in the world...

Notre Dame made the fifth church in our Cathedral Pilgrimage, and because of the buildings we had just visited, was of course the most interesting...

On three sides there are long lancet windows in pairs, filling in the waiting space for the narrow spaces required by the stone buttresses of the sides and apex...

On the other side of the great doorway at the western front of the cathedral, the most glorious interior in France, and to my mind is surpassed by the interior of only a few other buildings...

year, it made of things seen, the very acme of our visit to the French capital. But of things heard, the climax came in the service in the Russian Greek Church on the first Sunday of September...

The Russian Church in Paris is not large, perhaps it accommodates some four or five hundred worshippers, who almost all stand through the service of an hour and a half...

But in buildings raised by human hands in Paris we were to find our greatest pleasure in the interior of another church, two blocks away from Notre Dame, the Sainte Chapelle...

There are certain places in Europe that one should only see for the first time when the moon is full or nearly so; Amalfi, for instance, and Ravenna, and Venice, and Athens...

here and there, of columns and columns and such vistas one does not get in all great cathedrals, great, especially, in the effect an appeal of the nave—its apse and choir and with that of all great cathedrals, and great, over-masteringly great, in her stained glass...

But both time and paper are growing short. Orleans which does not mean anything to me, only adds that in Bourges, where we closed the second part of our Cathedral Pilgrimage...

From beginning to end the service is a perfected whole, the deep toned responses of the bishop alternating with such melodies as have never been heard in any church before...

NOVEL PLAN USED TO INTEREST ILLINOIS ALUMNI Pink stationery and blue envelopes have been used successfully as a means of interesting the alumni of the University of Illinois in the Alumni Association...

Anger Improves Nothing Except The Arch in a Cat's Back. If at any time you get angry count 10, and if very angry 100. This is one method which may keep you from doing something you may be sorry for later on...
