SECOND ANNIVERSARY SALE

9 A. M. Friday, December 1st to Saturday, December 9th, inclusive.

Celebrating our Ninth Year of Business.

Practically everything in our \$40,000 stock marked down 10 to 33 1-3 per ct.

A \$45.00 Typewriter given FREE to the person guessing nearest the total volume of business during this sale.

In April, 1921, we held our First Anniversary Sale. This sale proved such a success that we decided to hold such a sale every year. Our store has grown so rapidly, thanks to the kind patronage of our many customers, that we are very hard pressed for lack of space. At present we need twice as much floor space as we now have. To take care of our rapid expansion we intend erecting either an extension to our present building or a new building facing on College avenue near the entrance to the Campus.

From a \$3000.00 business in 1913 to \$100,000.00 in 1922 is an expansion to be proud of. It has only been accomplished by our stocking the kind of merchandise our customers want at the right price.

Help us make this store a success. We intend to give State College a real store. Helpful suggestions to improve our store and service are always welcome.
