COUNTY CLUBS PREPARE FOR CHRISTMAS DANCES

Practically All Have Signified Intentions to Give Proceeds to Campaign Fund

Ever mindful of the needs of their Alma Mater, practically every county club in the state has decided to turn over to the Emergency Building Fund the proceeds of their holiday dances.

The Blair County Club will hold a smoker and formal dance at the Penn Also hotel on December twenty-ninth. Another formal affair will be the dance at Foley's Hall, Hazleton, December twenty-seventh, under the auspices of the Hazleton club.

The Hanjoo-six Orchestra of Harrisburg will lighten the toes of the Cumberland County people in their pre-Christmas dance in Hertzler Hall, Carlisle. Two days before the new yearings in the Butler Club will conduct its second annual ball at Masonic Hall, Butler.

Other clubs are to hold meetings next week to conclude their arrangements for holiday get-togethers. A different spirit seems to animate most of the committee men as compared with former years for the dances are being planned on different lines.

JUDGING TEAM RETURNS FROM LIVESTOCK SHOW

The Pennsylvania teams took part in the International Livestock Judging contests in Chicago last week. The Dauphin County team, representing the Keystone State in the National Boys and Girls' Club, placed thirteenth among twenty contenders.

The Penn State Senior Judging team did not fare as well as in former years, placing nineteenth. Last year the college team won seventh place.

APPLE JUDGING TEAM SCORES THIRD PLACE

F. E. Gardner '23 of Penn State Is High Man With a Perfect Score of One Thousand Points

The seventh annual apple Judging contest of the Apple Judging League, held on Saturday, was won by the team representing the West Virginia University. This victory gives the cup to them for one year.

The contest was close and all teams scored high. There was a difference of only nine per cent between the winners and the team placing last.

F. E. Gardner '23 of Penn State placed first in the contest. His score was perfect, two thousand points, on his identification and he lost only eighty points out of a possible two thousand on his placing.

An interesting coincidence in the contest was that none of the three highest men were from the winning college.

FRATERNITIES TO START BASKETBALL ORGANIZATION

First steps in the organization of interfraternity basketball will be taken tonight at a meeting of the managers at seven-thirty. The meeting is to be held at Mr. Myers' office in the Armory and each house, planning to enter a team, must have a representative present.

PENN STATE PREPARES TO ENTER RADIO TESTS

New Quarters in Rear of University Club Ready After Christmas Vacation

The college radio station, having qualified in the transatlantic trials run last month by the Amateur Radio Relay League, will enter the tests which begin on December twelfth and last until December thirtieth.

After vacation the new quarters in the rear of the University Club will be ready for occupancy. The three ninety-foot wooden towers are completed and the new building is nearly finished.

Several novel features are embodied in the construction of the new station. It was found by experiment that the iron tower now in use is twice as high as is necessary and that it absorbs about forty per cent of the electrical energy radiated.

COACH "BILL" MARTIN

"Bill Martin, Penn State track coach and trainer of the athletic teams from Nittany Valley since 1913, with the exception of two years spent in the service of his country during the World War, is leaving this institution to take charge of the Harvard track and field squad in the spring of this year.

HAND TO MAKE FIRST OFFICIAL WINTER APPEARANCE SOON

Plans are being made by the college band for the coming indoor athletic season. The opening game of the basketball schedule with Juniata on next Thursday night will witness their first official appearance this winter.

SOPHOMORES WIN EASILY FROM YEARLING MATMEN

Sands in the shortest bout of the evening by pinning the yearling's shoulders with a body lock and half Nelson in four minutes and nineteen seconds.

The bout between the one hundred and thirty-five pounders, H. S. Oster and R. H. Adams, for the second and first year classes respectively, resulted in the best struggle of the meet for the two men were evenly matched and were both working hard for a fall.

With the ball on their forty yard line at the beginning of the fourth quarter, the sophomores began another drive and with all four backfield men testing of yard after yard, secured three first downs, carrying the ball to the four and line. The fresh stiffened and finally, Shamer plunged into the yearling line and "Dutch" Bedenk, diving into the mixup, declared it a touchdown. The try for the goal was blocked.

On the kick-off the freshman receiving the ball attempted a forward pass but it was intercepted giving the sophomores the ball on the twenty yard line. On the fourth down Gregory dropped back and then threw a long, high pass. Shamer had broken through the line and looking back saw the ball floating toward him. Jumping for it, Shamer plucked it out of the air and ambled over the line for the final tally. On the try for point, Gregory's kick again went wide. Provoost again kicked off and after several plays the game was over.

both of Dowd's arms behind his back and both of the wrestlers were thus laying back to back. The sophomore suddenly loosened his grip in an effort to end the bout only to have Dowd wriggle on top. Black, however, managed to get a combination arm and body lock and with this grip forced Dowd's shoulders to the mat.

The next two bouts in the one hundred and fifty-eight and one hundred and seventy-five divisions both resulted in draws. In the extra period, however, both sophomores came through with falls, J. A. Parthemore throwing E. M. McCool with a head lock and croch hold and G. M. Thomas pinning L. April with a combination arm and bar lock.

The last bout of the evening between E. S. Wetzel and A. Michalske, heavyweights, proved to be one of the most exciting of the meet. Michalske, guard on the yearling football team wrestled for the first time on Friday night against "Dave" Detar, varsity coach and showed up so well that "Dave" gave him a berth on the freshman team. The yearling gave the crowd a surprise by picking Wetzel off his feet and lifting him high into the air and throwing him heavily to the mat. Wetzel was in an awkward position but his superior training told and he managed to wriggle on top and with an arm roll pinned the freshman's shoulders to the mat. The fall was secured in three minutes and twenty-eight seconds.
