STATE ASSOCIATIONS ASK FOR COW TESTERS

"Dairy extension specialists at the Pennsylvania State College say that a half dozen or more additional cow testing associations are ready to begin operations in different parts of the state, but cannot get under way because of the lack of men qualified to assume the responsibility of a tester.

"The inability to get testers for these groups has made it necessary for the Dairy department to extend its search to other states in the endeavor to locate men of the proper qualifications. In past years, the two-year agricultural course at the college has been the most satisfactory source of men properly equipped for this work.

P. H. STUDENTS VISIT LOCK HAVEN EXHIBIT

About twenty students from the department of Poultry Husbandry visited the Lock Haven poultry show, last Friday under the guidance of Dr. Heck of the department of Poultry Husbandry.

It is expected that the trip will prove helpful to the members of the poultry judging team who made the trip, when they are put to the test at Madison Square Garden the last of this month.

Some very worthy specimens of both the common and uncommon breeds were exhibited at the Lock Haven show. The management of the show was indulgent in respect to permitting the students to handle the birds to their hearts' content.

WESTLEYAN UNIVERSITY VOTES TO ENFORCE VOLSTEAD ACT

By a majority of more than two-thirds of the undergraduate body, it has been voted to enforce the Volstead act at the Westleyan University. The plans adopted place in the hands of the students themselves the punishment of any of their number who are found guilty of drinking at any time during the college year.

The penalty for the first offense of any student will be the loss of the offender's vote in the college body, as well as ineligibility to hold any college office and disqualification for any intercollegiate or intramural sport during that and the following semester.

MANY ILLINOIS CO-EDS SIGN UP FOR BOXING
Twenty women of the University of Illinois recently signed up for boxing instruction, thus definitely establishing the fist art as a minor sport at the institution.

COLLEGE CHORUS PLANS TO HOLD FESTIVE EVENT

The college chorus, under the leadership of Richard W. Grant, Director of the College Music, has been providing high class musical numbers at all the Sunday chapel services during the year, and is now planning to have a festive event of some nature.

1192 OUT OF 5000 IS SCORE OF RIFLE TEAM

A score of 1192 points out of a possible 5000 featured the work of the Penn State rifle team in its dual meet with Lafayette. For some unknown reason, the score made by the Lafayette team has not been sent to the officials here, so nothing is known as to the winner of the meet.

A triangular match will be held this week with Yale and Lehigh, and with the high quality of work being shown by the squad, little doubt is being entertained as to the outcome.

NATIONAL FRATERNITIES HOLD ANNUAL MEETING

The Inter-Fraternity Conference, the annual gathering of delegates from all of the leading men's fraternities at American colleges and universities, was held last month at the Hotel Pennsylvania in New York City.

PLAID CAGEMEN UNABLE TO STOP NITTANY TEAM

(Continued from first page.)
Gibson played a stellar game for the visitors, making three long counters during the twenty minutes. Score, 24-13.

Second Half Shows Improvement
Penn State got possession of the ball immediately and exhibited some of their old time passing form.

Only a four point lead was possessed by the Nittany team when Reed was sent back into the game. Immediately the Blue and White team started to regain its former lead.

The line-up follows:
Penn State: Carnegie Tech, Gerhardt, forward; Anderson, Hood, forward; Matter, Shafer, center; Miller, Loeffler, guard; Gibson, Koehler, guard; Mohrman, Substitutions—Meffert for Mohrman; Fixter for Reed; Reed for Fixter.

Some very worthy specimens of both the common and uncommon breeds were exhibited at the Lock Haven show. The management of the show was indulgent in respect to permitting the students to handle the birds to their hearts' content.

NEW EDUCATION SOCIETY INSTALLED LAST WEEK

Kappa Delta Pi Initiates Forty-One Members from Student Body and Faculty

On Friday evening the local Education Club became Sigma chapter of the national fraternity of Kappa Delta Pi. This fraternity was founded at the University of Illinois in 1911 for the purpose of cultivating professional spirit and encouraging high scholarship among the students of Education.

Dr. W. C. Bagley, of Columbia University, who was active in the founding of the fraternity and who is now the national president, conducted the ceremonies and gave a strong address on the responsibility of the public schools for maintaining the democratic principles in education and government which were granted under the inspiration of the ideals of the war period and which are jeopardized by the reactionary tendencies of the present times.

A number of former students who were members of the local club were present for the exercises.

PRINCETON MAKES AWARDS TO SECOND STRING MEN

An innovation in football circles has been created with the announcement that now and in the future, Princeton will award silver footballs to the second team, instead of only giving awards to the first team, as has been the custom heretofore.

WASH-JEFF STUDENTS ORGANIZE TRIBUNAL

A student tribunal consisting of one representative from each fraternity and three non-fraternity men was organized at Washington and Jefferson College. The object of the tribunal is to maintain student traditions.

FRESHMAN TOSSERS WIN FROM JUNIATA RESERVES

(Continued from first page)
difference in the scores was not, however, entirely to the credit of the Blue and White players, as Juniata would have had a decidedly higher score had Hershey won an equal percentage of foul shots with Hood, and the Juniata lads been more skillful in taking advantage of their opportunities to place field goals.

Shortly after the opening of the second half, "Dutch" Hermann substituted Faulkner for McVickers, McDonald, Jarmelewitz and Onyx for Michalski. All three of the substitutes, and especially Faulkner proved to be no mean antagonists for the Juniata line.

The line-up was as follows:
The Freshmen: McVickers, R. F., Hersey, Hood, L. F., Gible, Jarmelewitz, G. G., Miller, Michalski, R. G., Holsoppe, Richman, L. G., Miller.

Field goals: Hood, 6; McVicker, 5; Jarmelewitz, 3; Richman, 3; Michalski, 1; Hersey, 4; Gible, 3; Miller, 1.

Foul goals: Hood, 4 out of 14; Hersey, 5 out of 20; Gible, 0 out of 2.
