OPERA SINGERS PRESENT UNIT CAGE SCHEDULE **VARIETY OF SELECTIONS**

Operatic Scenes and Ballad Num-bers Constitute Interesting "Y", Course Program A variety of selections ranging from scenes from Grand and Light Operat to modern jopular songewas the offer-ing of the Mary Adel Hays Opera Singers in the Auditorium hast Satur-day evening as the fourth number of the Y. M C A and Department of Munic's Entertainment Course for this winter

the Y. M 'C A and Department of Music's Entertainment 'Course for this wintor - Through a minunderstanding as to the intrinactes of reaching Fean. State from Belleform, the concert was late in gating started and the first number on the program, a scene from Act. 2 of the opera "Martina", was not as not done as some of the latter num-bers Throughout the evening's en-tertainment, the artist were, as a woll done as some of the latter num-bers and balled minubers than they whole, much the artist were, as a data balled minubers than they would be a the artist work and to the program operate pieces and showed that their voices were better adapted to the lighter work than to the grand opera scenes Miss Katharine Richards, contralio, find Mr Claude Schell, tenor, were at heir best in the scene from "II Tro-atore" and showed a fine dramatic knee in the scene from "II tro-atore" and showed a fine dramatic rom Mr. Schell made this number one of the most successful on the program. Mr Schell then sang "Duna" as the eventh number of the program, as the eventh number of the program. Mr Schell then sang 'Chara's the eventh number of the program. Is sympathetic tenor combined with he fine quality of feeling which he to the most successful on Schell sang Loyg Sends a Lattle Gift of Rosser's hat was equally well received The program follows -Scherzo - Mandily well received The program follows -Scherzo - Mandel Schumah

Both chappis Sunday were addressed by Dr James L Barton, a well-known authority on questions regarding the Near East Illustrating his talk will nany examples from his experience in the Near East, Dr Barton brought influence in Life" Showing the great good which the American missionaries have done in all of the countries of the Near East, Dr Barton told how much the American missionaries and have start. Dr Barton told now much the American missionaries at the start of the countries of the Near East, Dr Barton told now much the American missionaries and nave start. Dr Barton told now stalkers, but the Americans-have al-ways acted rightcousty and plously, and have showed the Turks that they stand for all that is good and educat-ing The Turks as well as the Greeks and other peoples of the Near Eust now welcome the American missionar-les and institutions. These and oth-r thoughts were included in the talk by Dr Barton, who was himself a mis-sionary in Turkey for some time. The American achools in these countries achools should be continued since they railing that these schools not only turn out educated men, but also men of chaructor.
