DR. FLETCHER LEADS VIEWS OF SPAIN SHOWN **OUESTIONAIRE CLASS** 

rofessor Borland Says Cows Have Subjects Vital to Lives and Experiences of College Men and Women Taken Up

poster competition conducted by the Confire County Automobile Dealers' the term "cow college stuff," to the first lecture "The Conflict of Science Association, received cash prizes for Intelligence of Students at recent athletic work. They are E. B. Sterrett 124, first prize; H. R. Gamble '22, section of prize; J. H. Sayolane '24, and C. familiar with cowas and that charge in the Confirm of Horizontalities. The Sands were supported by Sandshot Personal Students and C. familiar with cowas and that charge in the Sandshot was augmented by snapshots and Some exception to the application of who are interested in problems of faith such as were brought out in the Rugh inectings held a few weeks ago.

It is the purpose of Dr. Fletcher to presentation.

clared Professor Borland. Head of the Penn State Dairy Department, "that there is more culture and refinement with the cows at the dairy barn than obtains in the company of those who act like rowdles at any of the college functions".

"Not only are cows real ladies, but furthermore they are entitled to respect as mothers". No one ever heard of a cow's staring at ladies, giving "cat calls" or "whistling" when strangers enter the barn!

Twenty-one Advanced Registry records of Holstein cows show an average production of 16,859 pounds of butterfat, equivalent to 700 pounds of man? Is there any concrete eyithat there is an after life, in addition to the word of the Bible? Is there any concrete eyithat there is an after life, in addition to row college a stuff." the dairy cows

of milk per cow it is evident that the "Cow College Stuff," the dairy cows are "pulling" is over four times as great as that of the average cow in unpardonable sin? If so, what is it? Many old landmarks in the South Science has taught us that our solar recall the civilization of earlier days system is one of the smallest existing, and it is here that the traveler is not equire one?

These and many other questions vital to the lives of every student in college will be thoroughly analyzed and discussed. No member of the student book who has any interest in the really important things of this world should views were shown of many famous fail to attend at least some of these nectings.

Dr. Fletcher will conduct his course

in room fifteen, Liberal Arts building. Meetings will be held every Monday evening, will be held every Monday evening, beginning promptly at seven-fifteen o'clock and lasting for one hour. Four other discussion courses are be ng conducted at the same time in var by prominent members of the faculty.

Dr. Pattee will lead a class on the sublect of "The Four Gospels" and plans to give a more comprehensive discus-sion of the books of Matthew, Mark Luke and John than is ordinarily sevarious points of view of the life o Christ which each of these four apostle
