Four Hundred Disabled Soldier Enrolled Since 1918-Majority in Ag School

The Pennsylvania State College is probably doing more than any other institution in the training of disabled war veterans under the federal re-habilitation act, according to opinions expressed by government officials and announced recently by Professor R. G. ressier, faculty counselor for the Vetans' Bureau.

"When a boy is sent to State College for rehabilitation we feel that our trou-bles are ended," writes Robert J. Ful-ler, Philadelphia, chief of the rehabilitation division of district three, U.S. Veterans' Bureau, "Penn State has caught the real spirit of the work and is probably doing more to promote the rehabilitation of disabled veterans than our other institution. ny other institution.
