STATE COLLEGE, PA., TUESDAY, MARCH 27, 1923

PRICE FIVE CENTS

PENN STATE GOLF TEAM FACES STIFF CARD THIS SEASON

Lock Haven Country Club Will Be First Opponent—Season Opens on April Twenty-first

INTERCOLLEGIATES TO BE CLIMAX OF SEASON

Nittany Links Men Scheduled To Meet Princeton, Penn and Pitt This Year

Penn State's golf team will meet five college teams including Princeton, Penn and Pitt, and three nearby country clubs, according to the new golf schedule that has been completed by T. F. Connell '23, manager of the team, and approved by the Faculty Committee on Athletics. This line-up brings the Nittany golfers into competition with some of the strongest golfing talent in college ranks and provides, as a fitting climax to a banner season, for the entering of a team in the annual Intercollegiate, scheduled for June fifteenth.

The season will be opened on April twenty-first by a meet with the Lock Haven Country Club at Lock Haven. Following this encounter comes the eastern trip, the Nittany golfers playing Princeton on April twenty-eighth. The Princeton match will be the hardest of the season for the Nittany golfers gained the Intercollegiate title last year and with "Rudy" Knepper, holder of the trans-Mississippi title and semifinalist in the National Amateur Tournament last year, Baxter Sparks, a veteran of three year's experience and other strong players, will be a hard aggregation for the Penn State golfers to meet in their first collegiate match.

Following the eastern trip, the varsity golfers will be permitted to compete in the Inter-Class Tournament which will be staged on Father's Day, May fifth. Each class will be represented by six men and the team with the lowest aggregate score will be the winner of the tournament.

The following week the team will make its second trip to the east, meeting the University of Pittsburgh on May eleventh and Tyrone Country Club on May twelfth.

The first home meet of the season will be staged on May nineteenth with the University of Syracuse. This engagement is only tentative, but Manager Connell expects to complete the arrangements for a match on this date within a week.

NO REST FOR ATHLETES, NITTANY COACHES SAY

Candidates for Spring Sports Plan Intensive Training Week for Easter Vacation

The strains of "Home, Sweet Home" will not be sounded for a number of the varsity athletes tomorrow for, while the greater part of the student body is renewing the family ties in the old home town, the Blue and White diamond men, track men, wrestlers, and lacrosse candidates will be engaged in the strenuous regime of training required by their sports for the spring season.

The baseball team left yesterday for Atlanta, Georgia, to open a six-game southern trip that will bring them back to Penn State on the day that vacation ends. The wrestling team will leave tomorrow for Ames, Iowa, to engage in a dual meet with the Iowa State grapplers, champions of the Western Conference, to be held on Friday night.

Most of them will probably work in a day at home on the return trip. The track team faces a southern trip that starts near the end of vacation, meeting William and Mary College and Virginia Polytech in two dual meets. Coach Cartmell expects to keep his squad on the campus over the holidays in order to get in some outdoor preparation that has been hindered during the past few weeks by the cold weather.

Coach Jardine is facing a stiff task in whipping his team into shape for the opening meet on April fourteenth with the Penn aggregation and it is felt that the loss of a week's practice will be a severe handicap. For that reason the stickmen's mentor has made it plain to his squad that nothing could please him better than to have them offer to stay here over the holidays.

All Aboard

Take a ride for the Campaign! Beginning with the 5:15 run tomorrow and continuing all day, the Myers Bus Line to Tyrone will turn all fares collected over to the college Emergency Building Fund.

A dispatching station will be located on College Avenue near the First National Bank, where the cars will depart on their regular schedule, and at any other times when there are enough passengers on hand to comfortably fill the machine. The last machine will probably be the mail bus at 8:15 p. m.

All available red buses will be in service, and if necessary several touring cars will be ready to care for the rush hours of the afternoon.

The regular fare of \$1.50 will be charged, and it all goes into the Campaign Fund, thanks to Mr. and Mrs. Henry M. Myers.

The many good train connections at Tyrone, both east and west, make it possible for students to get to their destinations in good time. Take a ride for the Campaign!

MATMEN FAIL TO REGAIN INTERCOLLEGIATE CROWN

Cornell Wrestlers Retain Championship by Lead of Only One Point Over Nittany Grapplers

By the slim margin of one point the Penn State wrestlers failed to regain the Eastern Intercollegiate mat championship in the annual struggle for that honor last Friday and Saturday at Ithaca when Cornell retained the title won last year by scoring a total of seventeen points, the Nittany squad being placed again in the second position with sixteen tallies.

Every bout of the Blue and White grapplers was hard fought, the team fighting desperately until the finish to clinch the championship crown which all through the meet was within the reach of the Nittany squad and at one time Coach Datur's under-studies led the Cornell matmen by one point, the score standing 14 to 13. Penn State was represented by three men in the final bouts, R. S. Lehman '25 in the 115 pound class, Captain Evans '23 in the 145 pound class, and H. D. Park '23 in the 175 pound class. Of these three, Captain Evans was the only Nittany grappler to take a first place. Lehman being forced to the "third" position in the final championship bout.

Each of the other members of the team managed to place however, G. M. Richards '23, K. Natto '24 and J. A. Parthomore '25 taking second place, J. W. Burdett '24 being put in the third division with Lehman.

Following the semi-finals, Yale had five entries in the final championship bouts, while Cornell and Penn State had three each, Lehigh two and Princeton one. From these final entries, Yale, Cornell, and Lehigh each merited two Intercollegiate championships while Penn State secured only one title berth, now held by Captain Evans. The new rating for grappling champions is as follows:

115 pound class—Schwarzbach of Lehigh
125 pound class—Roberts of Cornell
135 pound class—Wallace of Yale
145 pound class—Evans of Penn State
155 pound class—Cox of Lehigh
175 pound class—Hanson of Cornell
Heavy weight—Macleay of Yale

Of this placing of the class champions, three are repeaters, having secured the berths in the Intercollegiate last year. These men are Roberts of Cornell, Wallace of Yale and Hanson of Cornell.

The placing of the teams by the total number of points scored by each is as follows: Cornell seventeen, Penn State sixteen, Yale thirteen, Lehigh twelve, Princeton four, Pennsylvania two and Columbia none.

Lehman, wrestling for Penn State in the 115 pound class, having fought his way up to the finals by throwing both of his men in the preliminaries lost in the struggle for the first position to Captain Schwarzbach of Lehigh. The Brown and White representative was far superior to Lehman in skill and experience and maintained a seven-minute advantage over his opponent, winning on a decision. It is interesting to notice that Schwarzbach was defeated last year for this position by Captain Watson of Penn State.

After losing to Schwarzbach, Lehman met MacWilliams of Cornell for second place but again lost. However in going to the mat with Duffy of Yale, Lehman was successful in securing third place. Total of three points.

Richards Takes Second
In the 125 pound division, Richards of Penn State was defeated in the very first bout by Roberts of Cornell who then became champion in this class. Following this bout Richards wrestled Konhom of Yale for second place and won by a decision. In both bouts, Richards did good work, Roberts defeating him only by one minute and forty seconds time advantage. The clash with Duffy was one of the closest of the meet but Richards showed up well and secured the time superiority. Total of two points.

Natto's Sensational Bout
Natto, in the 135 pound class, had one of the most sensational and closest bouts of the meet in which he lost to Wallace of Yale in the semi-finals. Wallace had only forty seconds time advantage on Natto while Natto took him to the mat several times during

NITTANY DIAMOND MEN DEPART FOR ANNUAL DIXIE TRIP

Four Successive Games Scheduled with Georgia Tech and Oglethorpe This Week

MILLER AND BLACK ARE MAINSTAYS ON MOUND

Southern Teams Have Advantage of a Month's Practice—Present Formidable Line-ups

Seventeen baseball players, led by Hugo Bezdek, coach of the Nittany team and Neil Fleming, general manager of athletics, left State College yesterday afternoon for the annual spring training trip. This year the southern invasion will take the Penn State nine as far south as Atlanta, Georgia, and will bring the team against the ball tossers of six southern universities.

The squad will arrive in Atlanta tonight and during the rest of the week will meet Georgia Tech and Oglethorpe University in four successive games. On Sunday, April first, the return trip will begin, the Nittany team playing the University of Virginia at Charlottesville on the next day and William and Mary at Norfolk on Tuesday in the final game of the trip.

Squad Selected
The outlook for the season is bright and "Bez" hopes to develop a stronger team than last year's varsity crew. On Sunday, the Nittany coach, selected seventeen of the most promising candidates to make the trip. With these men Bezdek expects to round out a teaming nine as a result of the southern encounters.

Penn State has a strong infield with "Bill" Fortna '24 at first base, "Johnny" Reed holding down the keystone, "Jack" J. G. Pink '24 at third base and "Kenny" Leffler '24 holding the shortstop position. All four men handle a ball well, have good throwing arms and work together smoothly.

Parthomore in the 155 pound class lost the first bout to Cox of Lehigh who later became champion in this class. Cox had only a minute and a few seconds time advantage over Parthomore. The next bout in which Parthomore went to the mat was with Allonwitz of Penn who threw him in one minute and fifty-five seconds which was the quickest fall recorded at the Intercollegiate.

CARTMELL NAMES TEAM FOR SOUTHERN INVASION

Strong Wind Prevents Satisfactory Work at Trial Track Meet Saturday

Battling against a strong wind that prevailed throughout the entire afternoon, candidates for the southern trip of the Nittany track team contested the four main track events on New Beaver field last Saturday afternoon, the high hurdles being omitted.

Coach "Nate" Cartmell has announced that the following men will compose the team which will leave State College on April third to meet William and Mary at Williamsburg and V. P. I. at Blacksburg, 100 and 220 yard dashes, Sayer, 440 yard run, Kreuter, eight hundred yards, Kaufmann, low hurdles, Hill, high jump, Heckel, broad jump, Gifford, pole vault, Tee, shot put, McManis, discus throw, McMahon, hammer throw, Palm, javelin throw, Edgar.

Coach Cartmell looked upon the track work done on last Saturday as being fairly good in the 100-yard dash, Sayer, Stabler, and Wiand ran a close race, with Sayer finishing first in ten and one-fourth seconds.

In the mile run, Enck came in first with a record of five minutes, nine and one-fifth seconds, while Carter finished second, Helfrich, ran first in the half mile in two minutes and twenty-four seconds, with Edgerton second in the two-mile, Kreuter made a wonderful sprint near the close and came in first in eleven minutes flat.

Kisseloff showed some promising forms in the 410, leading the runners in the entire race and coming in in fifty-seven seconds, with Proudfoot and Arnold close behind.

Weight Events Went
In the discus throw "Tiny" McMahon came first, throwing a distance of 111 feet. Shair came second with a distance of 105 feet and Edgar third with a 101 foot record. McMahon also emerged victorious in the shot put, putting the ball a distance of thirty-five feet, eleven inches.

MME. SAMAROFF TO APPEAR HERE SOON

Eminent Woman Pianist Coming to Penn State Under Auspices of Music Clubs

EXTENSIVE TOURS ARE ENJOYED BY ARTIST

Miss Olga Samaroff, who will appear at Penn State on Wednesday evening, April eleventh under the auspices of the Pennsylvania Federation of Music Clubs, is one of the most eminent of America's woman pianists.

Born in San Antonio, Texas, of German-Russian parentage, Miss Samaroff began the study of the piano with her grandmother, Mrs. L. P. Grunewald, formerly a concert pianist at the age of five. She then studied with Constantin von Sternberg, later in Paris with Marmontel and was the first American woman to be admitted to the piano classes at the Paris Conservatory of Music where she studied under Dutilleul.

Making further studies in Germany, Miss Samaroff then returned to the United States and in 1905 made her debut in New York with the New York Symphony Orchestra. The following year she made her formal debut in London and has since made extensive tours, especially in the United States where she has appeared with all the leading orchestras.

Miss Samaroff, who is constantly appearing on the concert stage has this winter inaugurated the idea of giving informal notes from the stage on the music which she plays. She says, "I am perfectly logical to give spoken program notes, because they not only touch with the audience, but they reflect the spiritual and intellectual state which the artist approaches the music or she is to play."

"Of course great music, if at all adequately presented does not actually need anything of this kind. It would be said indeed if the creations of the great masters in art had to be verbally elucidated in order to be understood. But on the other hand anything which is being listened to in a more receptive mood, which can stimulate the listener's imagination, and create for one a pleasant atmosphere in harmony with what is going on in the music, is surely to be commended as a part of the listener."

WELL-KNOWN HUMORIST COMPLETES "Y" COURSE

Strickland Gilliland Promises Evening of Fun as Wind-Up of Entertainment Course

Penn State will have an opportunity to enjoy a type of entertainment unlike any furnished by the Y. M. C. A. and Department of Music thus far this year, when Strickland Gilliland, president, manager, and office boy of the Gilliland Laugh Manufacturing Company, Unlimited, appears in the Auditorium on April sixth as the final number of this year's combined musical and entertainment course.

"That Gilliland is a humorist of the most enjoyable type and a worthy successor to the line of Mark Twain, nobody who has ever heard him can deny this is not the type of humor that depends so much upon puns on English words and a quaint costume, as upon a genuine ability to take up a funny idea and present it to his audience in a spontaneous and droll manner that makes them 'laugh themselves silly'."

"Gilliland looks like an Undertaker attending a Convention of the Oldest Inhabitants. For figure, he's a first class scare-crow. His hair resembles the tangle in the stock. The wrappings of this year's combined musical and entertainment course are in the hands of a brain, my masters, working behind the draw, and no one has ever accused Gilliland of making a 'set speech'."

COLLEGE ORCHESTRA TO GIVE CONCERT PROGRAM

Since its first appearance before the student body in a Sunday afternoon concert, the Penn State Orchestra, under the leadership of W. O. Thompson, college bandmaster, has been constantly rehearsing for the concert which they will give in cooperation with the Glee Club on Tuesday evening, April sixth during the annual convention of the Pennsylvania Federation of Music Clubs.

The Orchestra during the past few years has been constantly raising the standards of the class of music which it undertakes to play. At their last concert it was evident that the organization has reached a stage when it is able to produce a semi-classical grade of compositions.

\$3,200,000 NEEDED FOR MAINTENANCE FOR NEXT BIENNUM

Facts About Penn State Are Compiled for Students Who Wish to Boost Penn State

STUDENTS URGED TO GET IN TOUCH WITH SENATORS

Dr. Thomas Presents Needs of the College in Recent Communication with Governor

PENN STATE'S CRISIS

Do you know how many freshmen can be admitted next year? It depends entirely upon the amount of Legislative appropriation.

What does Penn State need? For the next two years Penn State will need at least \$3,200,000 for general maintenance alone.

Will Penn State have a real chance to grow in the near future? It will provide the \$8,000,000 bond issue passes this and the next legislature and is then approved as a constitutional amendment in the general election of 1925.

What can students do to help? You can call upon your legislators during the Easter vacation and present Penn State's crisis to him in an intelligent manner by knowing the facts.

If you are asked during the coming week what Penn State needs, will you be able to present the facts of the case and the seriousness of the situation in an intelligent manner?

For the information of students who wish to talk Penn State while they are at home during the Easter vacation, the COLLEGIAN has compiled a list of facts, in accordance with the suggestion made by President Thomas at the mass meeting last Wednesday evening. Here they are:

The sum of \$3,200,000 is needed for the general maintenance of Penn State.

TENTATIVE LINE-UP OF STICKMEN IS ANNOUNCED

Some of Strongest Teams in East Included on This Year's Eight Game Schedule

With a squad of over sixty men to choose from, it has been with great difficulty that Coach Jardine has been able to choose a tentative line-up for the lacrosse team. A practice game last Saturday between the first and second teams afforded him an opportunity to pick out the weak points in his team, which at the present time seem to lie mainly in inexperience.

The varsity tentative line-up is as follows: C. C. Moran '24, W. L. Anderson '25, F. A. Coulter '23 (capt), "Irap" Frank '21, M. H. Gatechell '23, J. A. Lost '24, "Dick" Schuster '21, "Ry" Carson '21, Earl Singer '21, Harry Wilson '24, H. C. Dash '21, "Andy" Shiner '25, G. R. Eisher '23, H. D. Lafferty '24. Although the coach is not insisting that the men remain in State College over the Easter vacation many of the men are doing it of their own volition. There will be practice evenings during the vacation in preparation for the first game which will be held April fourteenth with the University of Pennsylvania, last year's championship team of the southern division of the Intercollegiate Lacrosse League.

SCHOLARSHIP DAY WILL BE OBSERVED APRIL 17

Opening with a meeting at ten o'clock in the morning, in the Auditorium, Scholarship Day will be observed on April seventeenth to foster higher and better scholastic standing among the students of Penn State.

The exercises in the morning will be of an hour's duration, at which time the names of students pledged to the various honor fraternities of the college will be announced.

"Nothing has been scheduled for the afternoon, but in the evening at eight o'clock a meeting will be held at the University Club to which all members of the various honor fraternities are invited. A program has been arranged for the evening's entertainment and will include selected musical numbers to be decided upon by the Department of Music of the College and a play of one nature by the Penn State Play-ers. To carry out the main idea and of the day, several speakers will also be present.

PROMINENT GEOLOGIST TO ADDRESS A. A. S.

An invitation has been issued for a joint meeting of the American Association for the Advancement of Science, Sigma Xi, and Phi Kappa Phi when Norman Stabler of the United States Geological Survey comes to Penn State on April nineteenth to speak on "The Canyons of the Colorado River." The date for this meeting was previously set for April twentieth, but has since been set ahead one day.

NANTICOKE WINS CHAMPIONSHIP IN CAGE TOURNAMENT

Northeastern Pennsylvania Lads Nose Out Monesson High by 23 to 21 Count

TEAMWORK AND FOUL TOSSING ARE FEATURES

Uniontown, Homestead, Renovo and Harrisburg Tech Are Defeated in Preliminaries

Disputes for the scholastic championship basket honors of Pennsylvania were settled for one year or more on Saturday night when the strong Nanticoke High quintet nosed out the scrappy Monesson tossers by a 23 to 21 count in the final game of the Fourth Annual Intercollegiate Basketball Tournament on the Army floor. Teeming with interest and sensational plays, the tussle was a fitting climax to the series of hard-fought games staged by the high school cagers over the weekend.

Tech Wins in Prelim
The Uniontown-Harrisburg Tech clash on Friday night resulted in a 33 to 18 win for the latter five, the victory coming as a result of better teamwork and superior passing on the part of the Tech cagers. Getting away to a poor start, the Uniontown boys were trailing on the short end of a 22 to 4 core at the end of the first half, overcoming their apparent stage fright in the second period, they put up a clever brand of ball and held their own against the lads from Harrisburg.

A peculiar situation arose when Homestead High, winner of the W. P. I. A. L. title by virtue of its victory over the Monesson passers on the Trees gymnasium floor last week, lost to the same combination by a 30 to 28 score in a bang-up game on the Army court last Friday night. Both teams were contenders from western Pennsylvania as the Homestead team, previously invited and then barred in favor of Monesson because O'Donovan, individual star, was reported to be above the age limit, journeyed to State College on its own initiative, cleared up the matter of O'Donovan's age to the satisfaction of the officials, and elected to play another game with Monesson.

The rightful contender from the western district Nanticoke Surprises
When the Renovo passers stacked up against Nanticoke in the third preliminary contest on Friday night, they were picked to win, but the contenders from northeastern Pennsylvania staged a surprise, out-playing and out-fighting the Renovo team in all departments of the game and scoring an easy victory by a 47 to 24 count.

In the Saturday morning game, Monesson High and Harrisburg Tech lined up for battle and the western Pennsylvania lads had little trouble disposing of the Tech outfit by a 36 to 31 score in a fast and interesting game. Superior passing and good teamwork for Monesson, while long shots and excellent foul shooting featured the game.

The Final Game
By virtue of their previous wins, Nanticoke and Monesson were elected to fight it out for the scholastic cage championship of Pennsylvania on Saturday night, and the record of the game bears testimony to the fact that they lost no time in doing it.

Contrary to the general predictions, the Monesson cagers showed better form in the early stages of the game than their rivals and led all the way until the last few minutes of play when the tactics began to tell on them. The count was even up to the last fifteen minutes of play and in the final five seconds, Nanticoke scored from the floor, gaining a two-point lead which Monesson could not touch in the remaining few seconds before the final gong. The game ended with the score standing at 23 to 21 in Nanticoke's favor.

Some of the best teams of the country are included in this year's schedule of eight games. The University of Pennsylvania holds the championship of the southern division of the Intercollegiate Lacrosse League, the University of Syracuse holds the Northern Division championship, while the Navy again has an almost undefeatable team.

It is interesting to note that the teams representing Annapolis haven't met a defeat for fourteen consecutive years. The game with the Navy takes place early in May at Annapolis. The teams which are to be played at Penn State are the University of Pennsylvania, Swarthmore College, and Brooklyn Polytechnic Institute.

Since its first appearance before the student body in a Sunday afternoon concert, the Penn State Orchestra, under the leadership of W. O. Thompson, college bandmaster, has been constantly rehearsing for the concert which they will give in cooperation with the Glee Club on Tuesday evening, April sixth during the annual convention of the Pennsylvania Federation of Music Clubs.

The Orchestra during the past few years has been constantly raising the standards of the class of music which it undertakes to play. At their last concert it was evident that the organization has reached a stage when it is able to produce a semi-classical grade of compositions.
