"The Fastest Growing Store in State College"

Text Books and Students' Supplies of Every Description

DURING the Summer Vacation we have built an addition to the rear of our store which gives us 1200 square feet more floor space. This will partly relieve the crowded condition of our store as well as at the same time enable us to more properly display our large and varied lines of merchandise.

We hope within a few years to erect a modern building which will help us give State College a real store. It is only your kind continued patronage which will enable us to do this.

We make a specialty of securing any article not carried in stock.

THE first Ever Sharp sentence you stroke will convince you that here is a pencil which makes writing easy. You will experience, too, a genuine pleasure in the artistic appearance of Ever Sharp. For, like a well made watch, it is built with jeweler skill. And—it is designed to last a lifetime. You can buy Ever Sharp right here at our store in the very size and style you want. We sell the genuine. The name is on the pencil.

Is it **SCHRAFFT'S!**

Of course it is! Nothing is too good nowadays when the girl is sure to be well informed on chocolates. She may not know that SCHRAFFT'S CHOCOLATES represent the highest skill in present-day candy making, but she does appreciate the delicious taste of that rich chocolate coating and those tempting centers of creamy creams, nougatines, caramels, nuts, maple sugar and many other dainty confections.

Try giving her a box to-night and let her taste decide
