Then began a steady advance that carried the ball to the thirty yard line with Wilson and Johnston, alternating at carrying the ball.

Two clever forwards, Light to Frank put the ball on the fifteen yard line. Then Johnston threw a long pass to Frank who had cut in behind the goal posts but the ball bounced off his chest. Penn State had missed a splendid chance to score.

An exchange of punts gave Tech the ball on her forty yard line when Johnston let Wycoff's kick roll past him. But the Southerners could not gain and punted again.

Bedenk and Palm
A cheer went up from the crowd when Captain Bedenk and Mike Palm began warming up on the side-lines and a moment later the two Nittany stars ran out on the field. Wilson pulled off a long run and almost got free but Penn State was off-side and the ball was set back five yards. Light punted.

Joe Bedenk celebrated his return by making two hard tackles in succession but did much to discourage the offensive tactics of the Techites.

Penn State again got possession of the ball when Ariell intercepted a forward on Tech's thirty yard line. A forward, Palm to Wilson, netted six yards.

Palm then dropped back to the thirty yard line and attempted a deep kick. His boot was bad, however, the ball rolling along the ground.

Wycoff Gains
Georgia Tech in the person of her fullback, Wycoff, awoke to life and made two first downs. On an attempted forward Wycoff elected to run, with the result that he carried the ball to his forty-six yard line. On the next play the State forwards broke through and sank him for a loss but the flashy fullback on his next attempt darted through the Penn State team to his forty-eight yard line on a fake kick. Wycoff then punted and the game ended a few minutes later with the ball on Penn State's twenty-one yard line.

BAND TO GIVE CONCERT AT BELLEVUE-STRATFORD

Impression Made by Nittany Players at New York Brings Request from Philadelphia

The students of Penn State had their first opportunity last Saturday afternoon of seeing the Penn State Band in their new uniforms. These uniforms were first worn in New York at the West Virginia game. At that time the organization gave a concert in Hotel Pennsylvania and they created a very favorable impression. Their playing at the game later demonstrated that this impression was fully justified.

At the game last Saturday a novel feature was introduced when Bandmaster W. O. Thompson put two bands on the field. The variety band appeared first and was given a great ovation. The second band soon followed, dressed in regular cadet uniforms. After circulating the field they took their places in the west stand.

As an added testimonial to the ability of the band, Bandmaster Thompson this week received an invitation from the managers of the Bellevue-Stratford Hotel, Philadelphia, to give a concert at the hotel next Friday evening. The letter stated that the concert last year at the time of the Penn game was so excellently rendered that it was desired to continue it again this year. The concert will be given at seven o'clock in the Clover Room.

Penn State now boasts of one of the largest student bands in the country. That this is due to the efficient direction of Bandmaster W. O. Thompson is beyond question. Invitations for the appearance of the band in various communities are coming in daily to the office of the director and only lack of funds prevents them from being filled.

PENN STATE SOCCER TEAM DEFEATS NAVY

combination took the offensive and began to pound at the Nittany goal. For a time the Blue and White players held the middles at bay but suddenly launching a terrific attack, the Navy men carried the ball into the Nittany territory to be placed for a goal by Gresham, center forward.

Tightening up momentarily, the Penn State team kept the ball out of their danger ground and at times threatened the Navy goal, but the Blue and White players had noticeably slackened their speed and after a period, Able, inside left on the middy team, kicked the leather sphere for the second tally for the Navy combination.

After this goal the Blue and White aggregation came to themselves again and taking the offensive, threatened the middles goal continually until the end of the game. The final score of the contest stood 3-2 in favor of Penn State.

Both teams played a fast game, showing at all times during the contest splendid cooperation between the individual players. Penn State displayed a strong offensive mode of play but was slightly weaker on the defense. The Navy combination came to State College with a good record to its credit.

but they could not hold the Nittany Lion in check. With only two more games on this season's schedule, the Blue and White team has every chance to make this their fifth season of undefeated playing.

PENN STATE DEFEATS GEORGIA TECH TEAM

nursing a bad leg.

Michalski Is Good

August Michalski played a sparkling game at left guard. The big lineman was in every play and made some crushing tackles. On Penn State's march for a touchdown "Aug" was laid out when he hit the Tech end but his timely bit of interference enabled Wilson to reel off ten yards around left end on the play.

Wycoff and Stanton, fullback and left end respectively, starred for the visitors. The big fullback was the only man who could penetrate the Nittany defense for anything like a substantial gain. In the last quarter he scored two first downs on long runs in rapid succession. Stanton did good work on the defense.

Game Begins

An exchange of punts started the contest. Then Johnston ran Wycoff's punt back for fifteen yards and Penn State began an advance from her thirty yard line. Lafferty made five yards on a reverse. Johnston then fought his way on a fake reverse for fifteen yards through the Tech backfield until he ran squarely into Wycoff.

With the ball on the fifty yard line, a pass, Johnston to Frank, netted thirteen yards. Wilson was responsible for the long gain when he neatly took out a Tech back who threatened Frank.

Wilson reeled off ten yards and on the next play carried the ball to the ten yard line. A fake reverse was the next play. A Tech lineman loomed up in Wilson's path at the line of scrimmage but Harry eluded his clutches and romped over the goal line. Unmolested Schuster scored the extra point with a perfect placement kick.

Second Half
Penn State opened the second half with a drive that looked as though it would result in a second tally. On a fake reverse Wilson tore off ten yards and the ball was on the fifty yard line.

RIFLE TEAM FACES PROMISING SEASON

before the match is to be fired marked targets are exchanged, as many targets being sent as there are men competing.

Results Closely Checked

Witnesses are designated to see that the specifications are carried out and to witness the shooting of the matches. Certificates attached to the targets are signed by the man shooting, the witnesses, and the match official. Each team shoots on its own range and at a specified time it telegraphs the results to the opposing team after which the targets are sent back. If an error is found in the targets they are sent to the National Rifle Association at Washington, D. C., whose decision is final.
