PANTHER TOSSERS WIN FROM NITTANY LIONS

(Continued from first page)

wind attack that gained a total of sixteen points to the seventeen gleams by the Nittany Lion. Within three minutes after the half opened the Blue and White machine had crept into a five point lead when Johnny Reed and Al Vicker tossed in two of the best shots of the evening from mid-floor.

The foundation of this old Tress 23m fairly shook with the frenzy of the crowd when with his team one point behind Layton took a chance and pipped one in from over his head. Not satisfied with this the ball seemed to take wings as it left King's hands and he converted two more field goals in rapid succession.

The Panther won a hard-fought victory and it was only by its determination not to be outdone that it finally secured the much coveted game.

The Penn State five worked as a man and its exhibition of team play was the greatest ever staged on the Pitt court. Once in possession of the ball the Nittany players had no difficulty in working the ball down the floor. On three different occasions did Johnny Reed shine and each time his baskets were selected from mid-floor. Coach Hartmann made no substitutions during the game and the Nittany team put forth its best efforts to keep the Pitt advantage from scoring.

SONGSTERS SELECTED FOR NEW YORK TRIP

(Continued from First Page)

Wills 25

The ballroom that will be taken in New York City will be taken in New York City. The concert was under the direction of R. W. Grant, professor of Music. He was ably assisted by Irene Osborne Grant, organist, I. Sherman Shonemaker, pianist, Betty Crill 25, soprano, Adelle Bucha 21, soprano, and A. R. Pink 26, violinist. The program was well balanced and interesting.

One of the features of the concert was the organ and piano duet with Miss Grant at the piano and Director Grant playing the organ. Another attraction of the program was the singing of the variety quartette. These men were repeatedly called back for encores. During the course of the program the Glee Club, under the direction of C. L. Linky 21, sang the three selections which it will sing in the Intercollegiate Glee Club Contest at New York on March first.

YEARLING QUINTET WINS THREE GAMES ON TRIP

(Continued from first page)

According to the second game of the team and Coach Killinger's men experienced little difficulty, winning by a 29-22 score. Playing without the services of Captain Buchanan, who 20th on the Penn State freshman basketball team last year, the Blue and Gold thirtysix men staged a belated attack in the closing minutes of the game but a few timely shots by Himes, Reed and O'Donnell tipped the Pitt tally.

In the final game of the trip, the strong Baddock High School quintet was taken over by a 28-28 score in the eleventh and best played game of the series. A crowd of over fifteen hundred had turned out to see "Wally" Beca play against his former teammates and the home town lad came through in fine shape, dropping the sphere through the net on five occasions. Baddock had previously taken the measure of the Pitt freshmen and at present occupies second place in its division of the Western Pennsylvania Interscholastic Athletic League.

NITTANY TEAM DOWNS SPRINGFIELD WRESTLERS

(Continued from first page)

both men landed completely off the mat but with Naito in the advantageous position. The next few minutes showed some clever foot work and several times the men were compelled to return to the center of the mat as a result of hard rushes. Then Naito tripped his opponent and quickly secured a fall. The time was 3 minutes and 34 seconds.

Black and Maceski were paired off for the next weight. These two men appeared to be evenly matched but Black was a little quicker than the Springfield man. The Nittany wrestler had to take his opponent to the mat at three times before he could gain a secure hold, but he finally downed him in the time being 3 minutes and 40 seconds.

In the 125 pound class it took Parthurose only a few seconds to throw James off his balance. James, however, put up a stubborn fight and successfully resisted all attempts to take his shoulders forced to the mat. The decision went to Parthurose on 8 minutes and 10 seconds time advantage.

Thomas, the Springfield captain, met Davidson for the 175 pound weight. Interest in this match was keen for several times it looked as though Davidson would be thrown. He soon proved however, that he could wriggle out of a disadvantageous position and take the upper position himself with the result that he gained a decision with a time advantage of 7 minutes and 13 seconds.

Penn State received her fourth fall when Durdan in the heavyweight class threw Bullock of Springfield. It was several minutes before the two men went to the mat, but once on the mat Durdan quickly secured a half nelson and body hold, forcing Bullock over on his back and Durdan was announced the winner.

EXTENSIVE PLANS MADE FOR SUMMER SESSION

Extensive plans for the summer school session are now in progress under the supervision of Dean W. G. Chambers, who has just returned from a trip to New York State, where he was called to meet prospective candidates for the Summer Session teaching positions.

As a preliminary announcement concerning the Summer Session, fifteen thousand copies of the final Summer Session bulletin will be published about the middle of March. This will be the largest number that has ever been published at Penn State. The contents of the bulletin will cover more than one hundred and twenty pages accompanied by a large number of selected illustrations.

M. P. C. Weaver, assistant to Dean Chambers, has obtained a leave of absence for the remainder of the year, in order to complete his graduate degree at Harvard College. He will return to Penn State for the Summer School Session.

BOXING TEAM DEFEATS ARMY BY 4-3 SCORE

(Continued from first page)

proved himself master of that class by outboxing his opponent in every way. The West Point man was able to land but very few blows throughout the contest. The end of this bout saw the score a tie, 3-3, so that as in last week's meet, it was up to Madera in the heavyweight class to decide the outcome of the match.

Madera Wins Decisively

Stepping into the ring with the power to win or lose for the Blue and White team, "Rags" Madera fought the best fight he has ever fought for Penn State. The first blow of the match was a stinging right by Madera of Army which threw "Rags" and from then on he dominated the fighting. The bout was decisively won by the Nittany boxer and the judges handed him the decision, thereby giving the meet to Penn State.

The referee for the contest was H. P. Boyce and the judges were Boyle and O'Brien of New York.

The summary of the meet is as follows:

115-pound class—Brown, Army, defeated McClellan, Penn State.
125-pound class—Washington, Penn State, defeated Dugan, Army.
135-pound class—West, Penn State, defeated Andrew, Army.
145-pound class—Smith, Army, defeated Zorbe, Penn State.
160-pound class—Tully, Army, defeated Bordner, Penn State.
175-pound class—Frank, Penn State, defeated March, Army.
Unlimited class—Madera, Penn State, defeated Maglin, Army.

TRIALS GIVE CARTMELL LINE ON NEW MATERIAL

(Continued from first page)

T. K. Stabler '21 and C. M. Torrence '26 close on his heels.

Freshman Events

The freshman mile was an exciting race, I. H. Stewart winning from R. H. Pankratz in the first time of 4 minutes and 12 seconds. Johnson and Smith were not far behind the winners. I. D. Kittle did better than any other time in the half mile event, winning the race in 2 minutes and 7 seconds. C. P. Joyce and I. S. Koster finished in second and third places respectively.

In the two hundred and twenty yard dash, T. A. Vothies won with a time of 21 and 9-10 seconds. P. H. Davis finished in second place. The quarter mile was won by H. W. Busching in 56 seconds.

Weight Events

The trials on Friday afternoon were usually unsuccessful and have been a big help to Naito Cartmell in sizing up his material. The same trials will be staged next Friday afternoon and it is likely that several weight events will be added.

Men with any ability in these events are urged to report at once for there is a scarcity of material in these events.

THESPIANS SELECT CAST FOR ANNUAL PRODUCTION

(Continued on fourth page)

will be shown in the Thespians show. The scenic effects are cleverly designed and should provide a setting worthy of Thespians talent. The staff is composed of J. A. Patton and D. H. Porterfield '21 with High-Struts. The scenic plots have already been drawn up and they provide for effective innovations that will be sure to be most effective. Actual work on them will be begun this week.

Last week Hummel Flaibum, one of the Thespians directors, was in Philadelphia and New York conferring with professional directors, and also with publishing houses, which will print in full the Thespians and scenes of the "Magazine Cover Girl." Nothing is being spared this season in making the Thespians show rank as the greatest performance in over a quarter of a century of successful productions.
