PRICE FIVE CENTS

WRESTLERS AND BOXERS CAPTURE INTERCOLLEGIATES

SCHOLASTIC CAGE TOURNAMENT TO OPEN IN ARMORY FRIDAY

Homestead and Johnstown Win District Games—Will Compete for State Championship

FOUR TEAMS STILL PLAY FOR SECTIONAL HONORS

Silver Cups Will Be Presented to Winner and Runner-up—Medals Go to Players

By winning the championships in their respective districts, Homestead and Johnstown High School wrestlers have earned the right to compete in the Pennsylvania State Intercollegiate basketball tournament to be held in the Armory on Friday and Saturday.

The teams from the Harrisburg and Scranton districts are still battling for the championships of the first four sections, the results of which will be reported to Graduate Manager Nell Fleming within the next few days.

Preliminaries on Friday

The preliminaries will open up at seven o'clock on Friday night and a general admission price of fifty cents per person will be charged. The finals will be run off on Saturday evening.

Homestead, the winner of the seventh district honors, was forced to put forth its greatest efforts to secure a win over Greenville of section eight last Saturday night, and by virtue of its victory will represent Western Pennsylvania in the State tournament.

Johnstown High School handed Salisbury a luring last week and gained one of the four coveted places. Latta blanks have been sent to these teams so that arrangements may be made for the accommodation of the players, who will be housed in various fraternalities during their two-day visit.

Prizes For Winners

Two large silver trophies have been ordered for the teams taking first and second places in the tournament. The first and second prizes are twenty-seven and eighteen-inch boxing cups, both of which are surrounded with a five-inch fringe of a black ball player.

The members of the championship team will receive gold medals, while the runners-up will be presented with similar medals of silver. The trophies which take third place will be awarded with bronze medals. These trophies have been placed on exhibition in the Fashion Shop window on College Avenue.

The teams in the Scranton district which comprise sections one and two and the five from Harrisburg and vicinity, including sections three and four, are still battling for the right to represent their sections of the State in the final games. While it is expected that Harrisburg Tech will play Williamsport to decide one of the two vacant places, the handling of the teams in the remaining two districts is unknown.

PROFESSOR BONINE GIVES L. A. LECTURE TONIGHT

Speaker To Discuss New Theories of Earth's Origin, Found by Recent Discoveries

"Volcanoes and Earthquakes" will be the subject of Professor C. A. Bonine's illustrated lecture to be given in Old Chapel at seven-thirty tonight. This will be one of the series of Liberal Arts lectures.

Professor Bonine will discuss new theories of the earth's origin and interior made possible by the aid of recent astronomical and physical discoveries. The lecture, in order to summarize the present state of geologic knowledge concerning the ultimate cause of volcanoes and earthquakes, will discuss briefly the birth of the earth and the solar system.

Following this introduction, the lecture will embrace the source of the violent volcanic material, the ascent of this material to the surface, and the causes of volcanoes, and the rocks produced. The speaker will also explain some interesting matter on geographic and geologic distribution, his own volcanoes, and instruments and methods of measurement of earthquakes.

This lecture will be of vital importance to the geology student, beside being of great interest and entertainment to others.

JUNIOR PROM TICKET SALE ON WEDNESDAY

The first advance ticket sale for the Junior Prom will be held at Co-op on Wednesday at seven o'clock. The price of admission for juniors will be six dollars, while for seniors it will be five dollars. Floor space reservations will not be available until a later date.

PENN STATE DEANS TO TALK BY RADIO

Agricultural, Engineering, Liberal Arts and Mining School Heads Will Broadcast Messages

"PREXY" AND "BEZ" ARE ALSO LISTED TO SPEAK

The Penn State radio broadcast station (WPAJ), will feature a big radio event on Wednesday evening, April fourth. Good music will be known to speakers will contribute much to the program which will be broadcast from eight until eleven o'clock, Eastern standard time.

The program will open with musical selections followed by greetings from George H. Dolke '24, president of the Penn State Alumni Association, and by E. N. Sullivan '24, the General Alumni Secretary. The next number will be a talk by President Thomas, if present plans remain unchanged. The broadcasting of music, in (Continued on last page)

NITTANY BASEBALL TEAM CONTINUES INDOOR WORK

Outdoor Practice for Game with Juniata Will Begin When Weather Permits

The Penn State baseball team received another setback last Friday and Saturday when several inches of snow kept the pitchers and catchers at indoor practice in the Stock Pavilion and prevented the candidates for field positions from reporting out of doors.

Turkey Coats, whose baseball team is coached by Harry Bote of Lehigh, is scheduled for the first clash on the Penn State diamond but with snow on the ground and the field wet and soggy, prospects for the first game here in less than two weeks are rather doubtful. No official statements have been made, however, to the effect that the game will be cancelled.

Uniforms were issued this week, and it is the plan of Coach Killinger to take his candidates outside just as soon as the weather permits. Extensive preparations are in progress for the southern trip which is to be made during Easter week. Morning practices will be held at Allentown and at Greenville, South Carolina, and it is the hope of the Nittany coaches and manager to make up some of the time now being lost when the team makes the Dixie Invasion at Easter.

Thirty candidates are working out daily in the Stock Pavilion, and a slight amount of fielding was accomplished last Wednesday and Thursday before the snow on Friday. W. D. Pitzer '24 reported for practice and the Nittany pitcher is now remaining in form. Two positions in the outfield and the third sack are left open by last year's graduates, but "Kills" has some new material which promises to fill the vacancies as soon as it is possible to get out on the field.

DELTA UPSILON DOWNS PHI KAPPA SIGMA FIVE IN LEAGUE SEMI-FINAL

Fighting to remain in the championship race, the Delta Upsilon five defeated the Phi Kappa Sigma last Friday night by the score of 11-7. The Phi Kappa Sigma was the winner of the game which was played to break a tie caused by the Kappa Delta Itho, and won the chance to enter the semifinals.

Three teams now remain for the finals which Manager Falkenstein is trying to have played tonight and Thursday. The teams entering the finals are Phi Kappa Alpha, Sigma Pi and Delta Upsilon. The managers of the teams drew for places last week and the Phi Kappa Alpha combination drew the "bye." The game between the Delta Upsilon and Sigma Pi will be played tonight and the winner will meet the Phi Kappa Alpha on Thursday.

NITTANY DEBATERS STAGE DOUBLE WIN

Penn State Team Triumphs Over Clark and George Washington Universities

SPEAKERS ARE STRONG IN ARGUMENT AND DELIVERY

In an interesting and closely contested debate the Penn State debaters defeated the team from Clark University in the Auditorium last Friday night. On Saturday the Nittany team journeyed to Washington, D. C., where they repeated their Friday win by a 2-0 victory over the forensics team of George Washington University.

Arguing the negative side of the question "Resolved, that the United States should enter the Permanent Court of International Justice on the basis of the Hughes reservations," the Penn State debaters won a two to one decision over the northern team. The judges of the contest were W. W. Dinsburgh, Superintendent of Schools of Tyngone, H. S. Hattinger, Professor of Economics at Juniata College, and N. J. Spradley, Attorney-at-Law, Bellefonte.

The first two speakers on each team were allowed ten minutes for constructive argument and five minutes for rebuttal. The third speakers were allowed twelve minutes for argument and six minutes for rebuttal. Both teams spoke convincingly, and with an excellent knowledge of the subject, but the delivery of the Nittany team was clear and marked with more assurance.

Clark speaker first

William Brodie '21, first speaker for the affirmative, outlined the argument for the visitors with statements that the present system of international arbitration is inadequate to world needs, that the World Court program advocated is sound, and that it is the duty of the United States to support it.

It is expected that the debate for the Penn State team with the first speech on the negative aspect of the question. He showed that present precedents for world peace are working well and that diplomatic conferences are satisfactory as a means of settling problems of world peace. He suggested world conferences, special tribunals, and the Hague court as other satisfactory agencies and showed that the World Court defies sovereignty to the nations composing it, a very undesirable feature in a peace court.

The next speaker for the affirmative (Continued on last page)

FRESHMAN TOSSERS WIN CLASS BASKETBALL TITLE

Sophomores Take Second Place in Floor Championship Race—Seniors Are Third

In a hard fought battle the freshmen defeated the sophomores in the class basketball league championship last Thursday night by the score of 25-27. The juniors and seniors also played with the result that the juniors took last place, the seniors winning by a 25-30 score.

The first half of the senior-junior game was slow and the fourth year men took a comfortable lead of 21 to 7. The entire senior team played better than they have in any previous games. J. V. Chapman starting with eight double deuces and four foul shots to his credit. In the second half of the game the juniors made an attempt to stage a comeback, but were unsuccessful and when the final whistle was blown the seniors were on the long end of the score. Menach and Evans started for the junior combination.

In the championship game both teams played hard for a lead and after five minutes of play Hymas scored a field goal which started the freshmen toward victory. During the remainder of the first period Hymas and Reed bank several long shots from the middle of the floor. The sophomores played hard to overcome the lead of the first year men but at the end of the first half the youngsters were leading by five points.

The second half proved to be more interesting and the freshmen did most of the scoring. In the early part of the period, with the score 25 to 19 in favor of the youngsters the second team was put in which gave the seniors one more chance and they followed up seven points but were unable to overcome the lead. Reed and Hymas played a good game for the freshmen and Fulton put up a good fight at guard for the sophomores. The scoring honors for the second year men went to Lowe and Carpenter.

"PREXY" IS HOPEFUL ON HOUSE PARTY PROBLEM

In an interview with the meeting of the College Senate last Thursday night, President Thomas stated that he was much gratified by the manner in which the entire Commencement Week question was being handled and that he believed that with the present spirit of cooperation and good will which is now being manifested by both students and faculty, the solution for the problem which will be satisfactory and which will make for a better Penn State will soon be forthcoming.

"Prexy's" statement came after the action of the College Senate in tableting the recommendation of the Welfare Committee advising the abolition of house parties until the next meeting of the Senate on April twenty-fourth.

Final action on the recommendation was postponed in order to afford an opportunity for the Commencement Week Program Committee which has not yet been completely organized, to confer with the Joint Committee of the Interfraternity and Intra-mural Councils. It is expected that the latter committee, which is headed by "Doc" Wilson '25, will have a workable program for the Commencement Week arranged shortly.

THESPIANS MASTER TWO ACTS OF PLAY

Last Act of "Magazine Cover Girl" Is Started—Directors Praise Work of Performers

FIRST SHOWING TO BE GIVEN ON APRIL FIFTH

After two weeks of the most strenuous rehearsals held this year by the Thespian Club, the first and second acts of "The Magazine Cover Girl" which is the chosen play for the talent of the organization this year, stand completed. The first act has been started and it is planned to complete the performance by the end of the week. Last Saturday work was devoted entirely to the perfection of minor details.

The work of direction has been done under the sole supervision of the Woman's studios, considered one of the most popular producers of musical comedies in the United States. Two of the most recent Broadway shows are "Honey Moon Cruise" which is now running on Broadway, and "Paradise Alley," to be given its opening performance next week. Although punishment in professional matters is considered the work of the studio has seldom invaded amateur fields and the Thespians feel fortunate in securing a professional director of so high caliber. The only other amateur show being coached by the Woman's organization is "Dirk's Drum" a production of the Princeton Triangle Club.

Playing the role of the comedy hero, J. C. Huffman '25, W. C. Hess '21 and J. A. Graham '25. Graham is taking an important role. The supporting cast is exceptionally strong and the representative of the New York producer states that he is gratified with its progress. "Dutch" Ambrose '21 and J. L. Myers '21 are two of the outstanding figures. J. W. Etter, J. H. Vance '26 and H. W. Pennington '26 are showing up well in character roles. Casting and lighting were supervised by speakers on the Blue and White Hets.

Murray '21 and the drunk acted by J. L. Kennedy '25.

The Thespian show will be presented (Continued on last page)

NITTANY GOLFERS MAY PLAY EIGHT MATCHES

Clinton County and Williamsport Clubs Scheduled—Home Links Will Not Be Used

Penn State's golf schedule, while not complete, is assuming tangible form with the Clinton County and Williamsport County Club teams signed up for matches on the Blue and White Hets.

R. M. Sirock '25, manager, is attempting to arrange a schedule of eight games, only one of which will be played at home. The condition of the Penn State greens is such that they will not be ready for intercollegiate matches this season. The one game scheduled to be played here will probably take place on the Centre Hill links.

"The prospects for a well-rounded out team are good this season. Captain "Denny" King '25, heads the list of six men who showed much promise with the club last year. D. O. Grubbs '25, L. Walter '24, J. Dale '26, J. L. Bahr '25 and J. W. Mead '26 are our outstanding candidates who will report for Coach "Dob" Rutherford's squad.

PENN STATE REGAINS WRESTLING CROWN AND TAKES FIRST BOXING CHAMPIONSHIP

THREE MATMEN HONORED

Captain Naito, Carey and Black Secure Championships

CORNELL PLACES SECOND

Two EH Wrestlers Are Winners—Lehigh and Cornell Get One Title Each

When "Dutch" Hunter entered the intercollegiate contest on Friday, he had an abscess on the side of his head which gave him considerable trouble. Hunter placed second in the opening meet. He had the abscess lanced, but instead of becoming better, his condition became worse.

Dutch was unwilling to have Hunter continue but the plucky wrestler was anxious to fight and insisted on going in against Winnick of Yale on Saturday. Although "Dutch" had a temperature of 103 and a pulse of 125, he succeeded in throwing Winnick in 3 minutes and 41 seconds.

Hunter then wrestled Chaska of Cornell, whom he formerly defeated in the recent dual meet. Chaska secured a time advantage of 1 minute and 11 seconds defeating his opponent. It was necessary to carry the Blue and White away from the mat.

With three individual champions, Carey, Captain Naito and Black, Penn State's spectacular win in the wrestling play into a finished and well-executed performance. Every member is determined to make "Loyalties" the hit of the season. Tickets will be on sale all week at the State Shirt Shop.

After many weeks of preparation, the cast of "Loyalties," the play production to be given next Friday and Saturday nights in the Auditorium, is now in a finished and well-executed performance. Every member is determined to make "Loyalties" the hit of the season. Tickets will be on sale all week at the State Shirt Shop.

Three entire sets of new scenery will be used in the performance next Friday and Saturday. The stage furnishing is under the care of S. P. Latta '21 who has had several years experience in stage play productions.

As a result of the successful appearance of the organization it anticipates a financial surplus of over four hundred dollars next week. The Campaign Headquarters to be used by capturing a room in the new girls dormitory.

Nittany Students Granted Holiday

"I'm glad to see you boys" were the first words expressed by "Prexy" Thomas when he greeted the crowd of Penn State students who thronged in front of his residence on the campus last Sunday night to ask that campus day be declared a holiday on the occasion of the double victory registered by the Blue and White boxers and wrestlers.

A College Yell Press was followed by a few brief remarks on the part of President Thomas in which he stated that the power to declare a holiday rested in the hands of an authorized body, and that he would be overstepping his position in granting the request.

The parade of students which started about nine-thirty o'clock on Sunday night rapidly grew in numbers and the huge crowd covered the lawn in front of the Nittany leader's home. Chief of Mass meeting at Chapel, tomorrow, greeted President Thomas' promise to place the matter of granting a holiday before the respective Deans of the schools on the following morning.

When the Old Main bell tolled loud and long at eight twenty-five yesterday morning, the students knew that Prexy's appeal for a student holiday had been accepted by the Administration Council and they made ready to further celebrate Penn State's greatest achievement in indoor athletic circles. At seven o'clock last night, a huge mass of students, headed by the band, swarmed down on Co-op corner and made their way to Holmes field where a real-old-fashioned celebration was held around a mammoth bon-fire.

INTERCOLLEGIATE CHAMPIONS WRESTLING

115 pound class—Carey, Penn State

FOUR BOXERS WIN FINALS

All Nittany Entrants in Finals Receive First Places

MADERA WINS FEATURE BOUT

McClernan Loses Hard Fight to Hayes of Navy—"Hop" Defeats Former Opponent

Immediately after Hop Frank won the bout that gave him the 175 pound intercollegiate championship, a middle-aged man rushed down from his seat in the bleachers and over to the ring-side. He caught Hop coming out of the ring and threw his arms around the champion's neck, embracing him and shaking his hand violently. Then the middle-aged man walked back to his seat, his face wreathed in smiles. It was Harry Fisher.

Four individual champions and putting one man in second place, the Penn State boxing team came out victorious in the first annual intercollegiate boxing meet among eastern colleges with a two point lead over its closest rival, Navy. Penn and State also had four points marked to their credit.

The Navy aggregation came out well in the semi-finals, fighting six out of seven men in the final for the honor of being the first to capture the intercollegiate boxing meet among eastern colleges with a two point lead over its closest rival, Navy. Penn and State also had four points marked to their credit.
