Notices

A meeting of the Delaware County Club will be held in Room 121, Old Main on Wednesday night at seven-thirty o'clock.

First and Two Year Aps will hold a class meeting tomorrow night at seven-thirty o'clock in the Bull Pen. Dr. Deitcher will give a lecture.

It is estimated 25 members of Interfraternity Council will be at Co. Thursday evening from seven to eight o'clock to collect a fee of one dollar from each unit team member. It is important that the manager of each team pay the fee at once, for no team is allowed to play a game until the fee is paid.

LACROSSE TEAM PRACTICES WEEK OF HARD DRILL

(Continued from First Page)

The hitting of the whole squad was far below normal and Coach Killinger hopes to better this by means of trial games this week. He will give special attention to this phase of the work in last Saturday's practice. Captain Palm, Fortin and Kerstetter clouted the ball hard but were usually unfortunate, being rooked by excellent fielding.

WANTED—Apartment, four to six rooms, furnished or unfurnished. My first or later. Address Louise G. Turner, Sparks Residence.

GRID TEAM HOLDS FIRST SCRIMMAGE OF SPRING

(Continued from first page)

"Giff" laid down a terminal post on the third team during the past season and last week, he would break through the line time and again, nailing the man with the ball before he was able to reach the line of scrimmage.

McPhie and Dezman, two members of the sculling eleven last fall, displayed good form in scrimmage. McPhie played end on the first team last week and his ability to pull down forward passes when completely surrounded is easily manifested when he caught two of Giff's long heaves, making long gains on both plays.

"Bill" Baker is another lad who should give "Dez" something concrete to work on next fall when it comes to the selection of "Mike" Palm's successor.

Among the new candidates who put in an appearance on Saturday were "Sam" Rumbough '25, varsity wrestler, Hastings, captain of the freshman boxing team this year, and Schmitz, who wrestled in the 175 pound division for the scullers during the past season. Rumbough was ineligible for the varsity team last fall but should prove a valuable addition to the Blue and White squad this season. Hastings is a big, rangy lad and possesses uncanny accuracy in hurling forward passes. Although he entered college at the beginning of the second semester, Hastings plans to attend summer school this year which will make him eligible for the varsity team next fall.

At the close of the first and second team scrimmages on Saturday, "Dez" sent the third string men against the second team and then the fourth team was pitted against the third stringers. According to Coach Berdek's present plans, the entire squad will turn out for daily practices from now until Easter vacation. After vacation the training will continue until the real warm weather sets in.

LION BATSMEN PRACTICE FOR SEASON'S OPENER

(Continued from first page)

While McVicker roamed in the right pasture and Mahoney watched the left fielder's post. The work on this trio in the field was up to standard through Kivaname, on the second team, showed by his work that he is a dangerous contender at all times for one of the positions.
