CANDIDATES REPORT FOR CLASS SOCCER

Squads Put Through Daily Work-outs—Schedule Includes Seven Contests

FIRST AND SECOND YEAR MEN SHOW GOOD FORM

May 6—Juniors vs Seniors
May 8—Sophomores vs Freshmen
May 14—Juniors vs Freshmen
May 15—Seniors vs Sophomores
May 20—Juniors vs Sophomores
May 22—Seniors vs Freshmen
May 24—Frosh-Soph Scrap

Displaying speed and skill that promise a number of hard-fought battles the class soccer squads are going through daily work-outs to get into trim shape for the coming contests. Beginning next Tuesday, the class hooters will play off their games every Tuesday and Thursday until May twenty-fourth when the schedule calls for the Soph-Frosh scrap. The contests will begin at four-thirty on the Armory field.

"Material Is Strong

All of the squads are exhibiting snappy speed and foot work and although no attempt has been made to pick the final line-ups thus far there is enough good material in each one to make the choice hard. Over seventy aspirings have been reporting regularly, with G E Bell, G P Lippincott, J G Wetzell, E J Pecora, C R Snyder and J S Marshall as the stars. According to P W Grupp '25, varsity captain who is acting as one of the coaches, some of the first year men will give the varsity men a good fight for their positions next fall.

Numerals

Numbers to the freshmen are the sophomores with a squad of about thirty. With three of last fall's varsity men R J Gill, W I Hurgel and R S Keen, and with I Cravis, M Gill and I P James all showing form, the sophomores should be prepared to put a strong team on the field. All varsity men are eligible. Although five contestants have reported so far, the juniors have several good men to build a team on. J L Johnson and J B Hagenbuch varsity men, D S Dullington, W T Windle and C L McVaugh have been showing up well. P L Weiss, lite of the squirrel circle reported on Monday and has good chances to make the team.

Seniors Undefeated

Even though but a handful of players have signed up for the squad, the 1924 team is considered one of the best bets in the entire group. For three years the class has come through its bootling contests unscathed and with J S Crooks, W W Hibbs, H T Cunningham, H E Wunch and Reds Hara, captain two years ago, on the slate, the fourth-year men threaten to maintain their record.

THREE NINES VICTORIOUS IN OPENING UNIT GAMES

Watts Hall Aggregation Defeats Old Main—Four Tilts Slated For Tuesday

Three games marked the opening of the Interunit Baseball League when Units five, eighteen, and twenty-eight won their initial contests last Tuesday evening. Although the scores recorded the games were well played and showed promise for a good season among the non-fraternity baseball men.

Unit five blanked Unit six by the score of 7-0 while Unit eighteen finished victorious over Unit seven by defeating the latter team 4 to 2. A game of unusual interest was staged when the inmates of both mens dormitories vied for honors. The battle ended in a victory for Watts Hall over Old Main, with an 8 to 1 score.

Only fifteen of the twenty-eight units have reported for action and it is strongly urged by the club manager that the remaining units organize. The unit managers must report to "Chief" Myers this week with the list of the men on the team so that Physical Education credit will be granted to the players. Each manager is requested to contribute one dollar to the club for the equipment of the teams.

All interunit games will take place on Tuesday and Thursday evenings at six o'clock the other days being assigned to intramurals league teams. The time and place for contests postponed on account of rain may be arranged by the managers of the units providing the games are played off before the Tuesday following the day originally scheduled.

Tuesday's Schedule

Field 1—Unit 5 vs Unit 11
Field 2—Unit 18 vs Unit 20
Field 3—Unit 21 vs Unit 26
Field 4—Unit 23 vs Unit 2
