Come to
Marquette-on-Lake Michigan

for your summer session. Get your summer credits where excessive temperatures are rare. Where you can top off a half-day of brain work with a cool plunge in sparkling waters.

Thousands of students, these modern days, are combining their summer study with a change of scene—and getting a glorious vacation to boot. Marquette's summer courses are practically all in the morning. Study at night or in the afternoon. Play in the afternoon or night. Splendid beach bathing, boating, yachting, on Lake Michigan. Steamer trips to near-by lake cities. Swimming and canoeing on the lovely Upper Milwaukee River. Good golf and tennis. A new student every day if you wish—and a mind keen and refreshed for each morning's work.

Courses are offered in the College of Liberal Arts, leading to graduate and undergraduate degrees. Courses in the Department of Education. Special courses in music-teaching methods and public school music instruction in athletic coaching by the Marquette Coaching Staff.

The Summer Session begins June 22nd and ends August 1st. There's a beautifully illustrated booklet waiting for you—send for it now. Write to the Secretary.

LION RUNNERS TO TRY FOR OLYMPICS

Coach Robertson Names Helffrich, Moore, Enck and Romig As Likely Candidates

FINAL SELECTIONS TO BE MADE AFTER JUNE TRIALS

In the list of cinder artists who seem most likely at the present time to have berths on the American Olympic Track Team, head coach Lawson Robertson has mentioned the names of four prominent Penn State athletes. These men are not certain of places on the group that will be sent to France this summer, because the final selections will not be made until June, when the last trials will have been run off.

Among the five middle distance men listed as possible eight-hundred meter men, the famous Penn runner chose John Helffrich, Nittany captain, and "Sky" Enck, star half-mile runner. Four men will make up the personnel for this event it seems safe at this time to venture the statement that both "Al" and "Sky" will be found on the line carrying the United States trackmen to Europe this year. The three other candidates mentioned by Coach Robertson were Watson, Illinois A. C. Reinke, Michigan collegian and "Blondy" Romig, Georgetown ace.

"Blondy" Romig, mentioned in the outstanding runners for either the five thousand meters or ten thousand meters run. The Lion two-mile runner, in his opinion, is the best choice on the team, although Dunbar, Brown and Helme, who were also named, are consistent performers and have been making good time in their races this spring.

PENN STATE THESPIANS MAKE SUCCESSFUL TRIP

Organization Greeted by Crowded Houses at Greensburg and Pittsburgh Showings

Playing before capacity houses everywhere, the Thespian Club returned yesterday after a most successful western trip, playing in Greensburg on Thursday night and Pittsburgh on Saturday afternoon and evening. The play was very well received by both audiences. Several innovations in scenic effects were used and also some new and original costumes were introduced for the first time.

The show will now go into further rehearsal for the Trone showing on the twenty-first of this month. It will be taken charge of by the production committee which includes J. W. Eiler, L. L. Kaufman, and R. B. Voskamp.

The last showing of "The Magazine Cover Girl" will be given to State College audiences on Monday night of Commencement Week. This night for twenty-eight years has been the traditional Thespian night and this year the club hopes to make the grand climax of many previous successes. There is a demand for a showing of "The Magazine Cover Girl" on the following night and it is likely that a performance will be given at that time though no definite arrangements have been made.

CORRECTIONS MADE IN EXAMINATION SCHEDULE

Several corrections in the examination schedule as published in the last issue of the COLLEGIAN have been made by the Registrar. Seniors and students taking Surveying 17 are affected by these changes.

Senior examinations scheduled for May twenty-six will be given on May second. All other seniors having an examination occurring later than May twenty-third, instead of May twenty-four as originally announced, are required to report the fact to the Registrar's office on the special form provided for the purpose.

The last correction in the schedule is that the examination listed as Structures 17 on June sixth at eight o'clock was intended to be Surveying 17. The examination will take place at the same time.

DR. PIKE GIVES THIRD PSYCHOLOGY LECTURE

Clinic Director of Danville Hospital To Give Three More Thursday Lectures

A series of lectures treating on the phases of mental hygiene are being conducted in the various colleges of this district under the direction of the Danville State Hospital for the Insane. Dr. Pike, director of the clinical service in the Danville Institution, has been presenting the lectures, and three of these have already been given at Penn State.

In the first lecture Dr. Pike gave a historical retrospect on the treatment of abnormalities with a discussion on the different parts and functions of the brain and nervous systems. The second was a treatise on the various normal and abnormal functioning of the mind. The third talk dealt with a subject similar to ones discussed previously.

Three lectures are to follow these on abnormal psychology and the treatment and hygiene of mental life. These will be given each Thursday evening at six forty-five o'clock in Old Chapel. They should prove to be particularly interesting to students in the psychology courses and pre-medical work.

The series has just been finished at Duell Hall and on the invitation of the institution over three hundred students visited the Danville Hospital. The same opportunity will be offered to Penn State students if enough interest is taken. The Danville Institution has made considerable progress in lowering the number of people who come for treatment, largely by education and spreading information about mental hygiene.

FORESTRY DEPARTMENT GIVEN PRESENT OF MEMORIAL BOOKS

A memorial library has been presented to the Forestry Department by J. H. Duke of East Shore, Pennsylvania, as a memorial to his son J. P. Duke '25 who was accidentally killed while employed in the United States Forestry Service. The collection contains thirty-four books on forestry and related subjects.

MADERA TO ENTER FINAL OLYMPIC BOXING TRIALS

"Rags" Wins Heavy-weight Title at Allegheny Mountain Association Tournament

By scoring two knock-outs and obtaining one decision, "Rags" Madera, captain of Penn State's championship boxing team, won the Allegheny Mountain Association heavy-weight title at Pittsburgh last week and also the right to enter the final Olympic eliminations at Boston this month. The bouts were staged in the Pittsburgh Athletic Association gymnasium and "Rags," fighting under the colors of the Willow Club, was a real favorite in his home town.

In the preliminary round the Blue and White leader was matched with Harold Ave, a fellow club member and a former Penn State student. "Rags" fought out with a rush and had his opponent in a weakened condition when the gong sounded for the end of the first round. Coming up for the second Ave stepped into one of "Rags' famous crosses and went to the floor for the count.

"Rags" Wins Second
The Wilmerding Y. M. C. A. provided "Rags" with his opponent in the semi-finals when Thomas Lilek stepped into the ring. However, the "Y" representative stepped into a hard job in the second round and met the same fate as Ave.

Fans found the best encounter of the night in the finals of the heavy-weight division when "Rags" opposed Guy Greathouse of the Washington Y. M. C. A. Madera carried the fight to his opponent during the first two rounds but in the third, the Washington scrapper came back and had "Rags" in a bad way. However, the Nittany leader managed to withstand the shower of blows and the lead obtained in the early rounds gave him a Judge's decision.

N. H. HILLER WILL GIVE REFRIGERATION LECTURES

Mr. N. H. Hiller, president of the Carbondale Machine Company, will speak on the subject of "The Uses and Application of Power of Refrigerating Machines," on Thursday, May eighth, at 9:30 p. m. in Room 200 Engineering D. The lecture, which will be illustrated, will take up an historical development of refrigeration and will discuss its many applications and methods of operation. Engineers and others interested who are not otherwise scheduled, are urged to attend.

A special lecture to senior mechanicals and those interested in an advanced study of the subject will also be given by Mr. Hiller on Wednesday, May seventh, at 1:30 p. m. in Room 200 Mining A. His subject will be "The Compound Ammonia Compression and the Advantages of Two and Multiple Stage Compression."

THRILLED?
You hear he said. It's making a tremendous hit. See how just told Valentin's. But he doesn't know whether to pretend that it came that way or confess that he did it with his little bottle of Vaseline Hair Tonic. It gives a lot of his manly beauty to the hair. "Vaseline" Hair Tonic promotes the growth of the hair and keeps the scalp in the healthiest condition. At all drug stores and sidewalk hawkers.

TEN GAMES SCHEDULED FOR FRATERNITY NINES

Failure to play off postponed Interfraternity baseball games before Friday of this week will result in lost games being carried to both teams unless a sufficient reason is given, according to the new ruling that has just been announced by H. E. Wanner '23 manager.

The only game played this week was between Delta Kappa Sigma and Phi Epsilon Phi, and resulted in a victory for the former by a 6 to 5 score. Lively in net turning in the scores immediately after the game is played, it was prevalent and it is the wish of the manager that teams from now on will turn in their scores as soon as possible to him at Friends Union.

Games Scheduled for Wednesday
Diamond 1—Sigma Nu vs Sigma Phi
Diamond 2—Friends Union vs Phi Lambda Theta
Diamond 3—Delta Epsilon vs Chi Rho
Diamond 4—Sigma Alpha Epsilon vs Alpha Gamma Phi
Diamond 5—Theta Kappa Phi vs Kappa Phi Delta

Games Scheduled for Friday
Diamond 1—Phi Sigma Phi vs Phi Sigma Rho
Diamond 2—Phi Kappa vs Phi Delta Theta
Diamond 3—Phi Sigma Kappa vs Omega Epsilon
Diamond 4—Delta Theta Phi vs Sigma Phi Epsilon
Diamond 5—Delta Tau Delta vs Kappa Phi Delta

TWELVE THOUSAND TREES SET OUT BY FORESTRY STUDENTS
The Junior and sophomore foresters visited Lantz, Pennsylvania, last week where they have planted twelve thousand pine and spruce trees. The forester work was done on the estate of the Hon. Charles Steele.

MARIONETTES SCORE HIT IN WILLOW PLATE PLAY

The Penn State Players presented the Chinese shadowgraph play called "The Willow Plate" by Tony Sarge and his Marionettes, last Saturday night in the Auditorium. The music of the show was written by Victor Herbert, while the words were by Hamilton Williamson.

It did fair to be the finest and best remembered entertainment of this season. The romantic story held one's interest throughout, and the scenes were well portrayed. The musical numbers, consisting of several Chinese songs, were well delivered by Miss Estelle Theodor, Louis Mason made a creditable showing in his part as chairman.

The orchestra which effectively accompanied the performance, was composed of Helen Crafts, Jenn Stockwell, Betty Dorn and Beatrice Oliver. The various characters were operated and their parts spoken by Jack O'Brien, Estelle Theodor, Richard Olin, Louis Mason and Sylvia Newton.

WRIGLEYS
After every meal

A pleasant and agreeable sweet and a long-lasting benefit as well.
Good for teeth, breath and digestion.
Makes the next cigar taste better.

Sealed in its Purify Package

WRIGLEYS
SPEARMINT
THE PERFECT GUM

A Class Distinction

The Hinge-Cap is the insignia of Williams Shaving Cream and of Williams only. You'll notice three things about Williams every time you shave. 1. Williams lather is heavier and holds the moisture in against the beard. Quicker and more thorough softening takes place. 2. Williams lather lubricates your skin—your razor actually seems to "glide" the hairs off. 3. Williams lather leaves the skin in marvelously fine condition. No matter how frequently you shave, your face stays cool, smooth and comfortable.

You'll enjoy every shave with Williams. It is a pure, natural-white cream without any artificial coloring whatsoever.

Williams Shaving Cream

The Williams Hinge-Cap is "on even when it's off." You can't lose it; and the tube hangs up!
