The Fastest Growing Store in State College

A Complete Line of Summer Session Text Books and Supplies of Every Description

We will gladly make a special order of any Book or article not regularly in stock.

Welcome to Penn State

We hope your Summer Session will be a most profitable as well as an enjoyable one.

We want to be of service to you while you are at Penn State. Our stock is the most varied and complete of any store in State College.

Since 1914 the college has practically doubled in numbers while our volume of business has increased over 30 times.

We feel that such a wonderful growth speaks louder than words concerning our store.

Of course it is! Nothing is too good nowadays when the girl is sure to be well informed on chocolates. She may not know that SCHRAFF'S CHOCOLATES represent the highest skill in present-day candy making, but she does appreciate the delicious taste of that rich chocolate coating and those tempting centers of creamy creams, nougatines, caramels, nuts, maple sugar and many other dainty confections.

Try giving her a box to-night and let her taste decide
