BLUE AND WHITE HANDS PLAID DECISIVE DEFEAT

(Continued from first page)

a five yard dash around left end.

Watson kept up his good work by clipping off ten yards and the ball was on Tech's twenty-five yard line. Lafferty called for a forward pass and Bergman went back, hurled the ball through the air but before a Nittany warrior could get under the pigskin, Mohrman Tech halfback jumped up and captured the oval, running sixty-five yards for a touchdown. Newman added the extra point with a perfect placement kick.

March Fifty Yards

Penn State's first score came five minutes after the opening of the initial period, the Lions crossing Tech's goal line following a march of fifty yards. Wertenberger kicked off over the goal line and the ball was brought out and put in play on the twenty-yard line. On the first play the Lions were penalized five yards for offside play but Watson made up the distance on the next formation. Bergman was stopped with a three-yard gain through tackle but Helbig made it a first down when he broke away for a run of twelve yards.

Bergman made five yards through center and Watson and Helbig on two plays, gave Penn State another first down at mid-field. A pass from Bergman to Watson gained ten yards and another first down and on the next play, Lafferty fumbled a pass from center and Bastian recovered for Tech on the forty-yard line. Two attempts at the Nittany line failed to gain and Newman sent a short punt to Lafferty who was downed on the forty-eight yard mark.

Score Touchdown

At this stage of the game, Penn State took another lease on life and crossed the goal line for the first touchdown of the game. A pass from Bergman to Helbig was good for ten yards and Helbig added four yards more on a double pass. Another pass Bergman to Watson, made ten yards and Watson broke through for a ten yard run. Helbig carried the ball to the three-yard line and on the next play Bergman crashed through for a touchdown. Kirkstoff broke through and blocked Prevost's try for the extra point.

A fumble by Hable on his own twenty-five yard line in the second quarter which Pilack recovered, put the Blue and White warriors in position for their second score. Bergman made six yards on the first play while Watson carried the ball to the seven-yard mark on an off-tackle smash. Lafferty took the oval and picked his way through center for a touchdown. Prevost's placement kick for the extra point was good this time.

Tech Threatens

Tech threatened to score in the second period when Minby intercepted Bergman's pass to Gier at midfield and ran to Penn States twenty-yard line before he was stopped. Wertenberger failed to gain on the first play and Newman handled the ball loosely on a trick formation fumbling on the thirty-yard mark. McCann recovered for Penn State and the danger was past.

The third quarter proved the most fruitful for the Lions as in this period, Rose's men came through with a touchdown and a field goal. An exchange of punts gave Penn State the ball on the forty-yard line and a march of sixty yards ended when "Bill" Baker crossed up the Tech defense by a run around left end for a touchdown on the first down. Watson's run for twenty-five yards and Lafferty's sprint of thirty put the ball in scoring position. Once again Kirkstoff broke through and blocked Prevost's placement.

Prevost Kicks Goal

After Tech had kicked off, the Lions carried the ball twenty-five yards to midfield where the Plaid held and "Bas" Gray was forced to punt. Newman immediately returned the kick and Lafferty ran the oval to the forty-yard line. A pass from Bergman to Watson was good for twenty-yards. Lafferty failed to gain on an attempted double pass and "Bill" Baker was able to make but three yards. Bergman was stopped with no gain and on the last down, Prevost went back and sent a beautiful placement goal between the uprights for three additional points. "Bez" rushed several substitutes into the game during the final period and Light and Pritchard featured the work of the second-stringers.

On the line Captain Gray was the outstanding performer, his work in recovering several fumbles being a feature. Ernie McCann found himself Saturday and put up his best exhibition of the season as did "Bill" House and Pilack. The Nittany ends, Weston and Wilson, did yeoman duty and with added experience they should develop into an excellent pair of terminals.

The

Penn State Collegian

As an advertising medium

IT HARDLY SEEMS POSSIBLE, BUT IT'S A FACT THAT STUDENTS SPEND BETWEEN TWO AND THREE MILLION DOLLARS IN STATE COLLEGE BETWEEN SEPTEMBER AND JUNE OF EACH YEAR.

That means that every year the purchasing power of the borough is increased by two or three million dollars. Of course a large part of this money is spent for board and room, but a good sized portion is also expended for necessities of school life.

"THE PENN STATE COLLEGIAN" IS A SCHOOL NEWSPAPER AND CATERS TO THE STUDENTS. IT'S A LOGICAL CONCLUSION THEREFORE THAT THE BEST WAY TO REACH THE STUDENTS IS THROUGH THEIR OWN NEWSPAPER.

The PENN STATE COLLEGIAN is here for your use.
