NITTANY BOOTERS CRUSH GARNET IN LAST HOME GAME

Team Leaves Tomorrow on Four-day Trip, Meeting Navy and Lehigh Aggregations

SEVENTEEN MEN WILL BE TAKEN ON INVASION

Coach Leonard Pleased by Team's Showing in Little Quaker Clash Last Tuesday

Displaying a new kind of offensive playing for the first time this season, the Penn State soccer team defeated the strong Swarthmore eleven by a score of one goal to two Tuesday afternoon on New Beaver Field and moved a step nearer to the goal of a sixth season of undefeat.

Tomorrow noon the soccer team will leave on a four-day trip to play the two games remaining on the schedule with Hobart and Navy. According to Coach Leonard, seventeen men will be taken on the trip including Maurice Noton. The game with Hobart will be played at Bethlehem on Thursday. Lehigh has an exceptionally strong team this season and is determined to break the winning streak of the Nittany eleven.

Meet Navy Saturday

On Friday the team will leave for Annapolis and will meet the Navy Academy on Saturday morning. Navy also has a good team this year having defeated Lehigh and Old Lafayette. The team will hold preliminary practice tomorrow morning before leaving on the trip.

The game with Swarthmore which resulted in a decisive victory for the Nittany aggregation proved to be one of the best staged this season at Penn State. In spite of the defensive work of the visitors, featured by the timely booting of Phil the Nittany eleven advanced the ball into Swarthmore territory and in the first two minutes of play kept up a perfect head-in, used the first corner of the contest for the Blue and White team.

Winning Center

The ball was no sooner put into play than Elliott, captain of the visitors, drove the ball past Helmick in goal and tied the score. Before the end of five minutes of play, the ball was again carried into the visitors' territory and Schwartz with a short kick from scrimmage sent it into the net, bringing the score to 2-1 in favor of the Lion. From then on to the end of the half play was fast and furious but Lehigh found opportunity to add two more points to the score of the Nittany eleven. In four plays the ball was advanced from Lion territory toward the Swarthmore goal. Russell pressed the ball across to mid-field and Eisenbush with a long head-in placed the sphere in the net for the third quarter and (Continued on last page)

NITTANY DEBATERS FACE W. AND J. TEAM FRIDAY

Affirmative Speakers Will Meet Wash.-Jeff. Negative Side in Auditorium

The Houghton Collegiate Debate among the University of Pittsburgh, Washington and Jefferson College and the Penn State debating team will see its opening next Friday evening at eight o'clock, when the Penn State affirmative team will meet the negative W and J team in the Auditorium.

The negative team of the Nittany institution will journey to Pittsburgh and the negative team of the latter institution will travel to Washington, Pa., to engage the affirmative team of the Presidents.

The question under discussion is "Resolved that Congress should have the power, by a two-thirds vote to declare effective a Federal Law providing punishment of non-compliance by the United States Supreme Court." The presiding officer of the evening will be Dean C. W. Stoddard, and the judges will be three noted men.

A. D. Stevens '26, C. S. Grove '27, and B. E. Beckett '26, with G. K. Hildebrand '27 as alternate, travel to Pittsburgh to engage with the Pitt affirmative delegation. The Penn State affirmative team consists of F. S. Anderson '25 as second speaker, D. D. Hens '26 as third speaker, and either J. Brennan '26 or S. H. Trench '27, as the first speaker. The selection of the first speaker will be made tonight, and the extra man will take the position of alternate.

DEAN WARNOCK PLACES BAN ON ALL CHRISTMAS EXCUSES

ABSENCES PRECEDING OR FOLLOWING HOLIDAY RECESS WILL NOT BE PARDONED—RAILROADS TO PROVIDE EXTRA SERVICE

For absences preceding or following Christmas vacation this year, no excuses whatsoever will be granted, was the verdict handed down by Dean Warnock when he reviewed last week arrangements have been made for extra train service at all points to accommodate the general exodus on December nineteenth.

The following is the statement of Dean Warnock in regard to granting excuses: "Students expecting to accept employment during the Christmas vacation should not promise to go to work before Saturday, December twentieth. Petitions to be excused early will not be granted."

"In revising the College Calendar for this year, the College Senate added a week to the summer vacation and shortened the Christmas and Easter vacations. The Christmas vacation, as planned, was to begin Tuesday night, December twenty-third. Later the vacation for this year only, was lengthened so that it will begin on Friday night, December nineteenth.

"In view of this extension, it is obvious that no further extensions in individual cases can be justified. An extra train with accommodations for four or five hundred passengers will leave Lehigh at six o'clock on the evening of Friday, December nineteenth for Sunbury, where connections may be made for Wilkes-Barre and Harrisburg. If travel warrants it, this extra train will be split at Sunbury into sections going to Wilkes-Barre, the other to Harrisburg. All stops for which there may be passengers will be made in either case. This train will be stationed at Lehigh at five o'clock in order to provide shelter for the students. No temporary ticket office will be established at State College.

"Extra coaches will be coupled to the main line Pennsylvania trains and on the Tyrone Division trains from Bellefonte, several more will be added. Additional service will be offered on the Tyrone Division on January first and sixth. On the same dates two Williamsport Division trains will run extra coaches between Sunbury and Lehigh in order to accommodate the returning students.

COLLEGE PLANS FOR HORTICULTURE WEEK

First Observance Will Be Held at Penn State Beginning December Eighth

At the auspices of the C. Houghton Club and the Faculty of the Horticulture Department, Pennsylvania's first Horticulture Week will be inaugurated here from December eighth to the thirtieth for the purpose of dealing with the problems of the commercial fruit, vegetable and flower growers throughout the state.

The entire teaching and research staffs of the Horticulture Department, cooperating in this work, being aided to a great extent by many of the students. Several novel features have been arranged by the committee in charge, one of these being the banquet scheduled for Thursday night of that week. This will be prepared by senior horticulture students. Pies will be baked, using college fruit and vegetables. Penn State's first Horticulture Week will be inaugurated here from December eighth to the thirtieth for the purpose of dealing with the problems of the commercial fruit, vegetable and flower growers throughout the state.

Most of the week will be taken up by informal meetings for the general discussion of individual problems along with inspections of the College orchards, experimental plots and greenhouses. These discussion groups will be headed by faculty members, whose purpose will be to inquire into the difficulties experienced and to suggest possible remedies.

In the evenings, the time will be occupied by various affairs. Judge's events will be conducted on Tuesday evening beginning at seven o'clock. The following night at the same time, the C. Houghton Club meeting will be the center of attraction while the Horticulture banquet is scheduled to be held Thursday evening at six-thirty o'clock, in Room 100 Horticulture Building. L. M. Marble of Canton will be the main speaker for Friday night. He will talk on "The Importance of Farm Storage to Pennsylvania Agriculture." The following morning will be devoted to the summing up of all problems and will close the week.

It is hoped to make this week a clearing-house of up-to-date information for the Pennsylvania growers and especially for the Nittany graduates who are engaged in horticultural work in the state. All "Hot" classes will be entitled and undergraduate participation is expected.

DEANS REPORT INCREASE IN NUMBER OF BELOWS

That the average number of students having below grades at the end of the eight-weeks period this year is materially higher than that of last year is evidenced by the following data collected from the offices of the deans. Fifty-two percent of the freshmen in the Liberal Arts course are below grade as compared with forty-four last year at this time and forty-three percent of all the students are below grade in at least one subject as compared with thirty-nine percent last year. In the School of Engineering fifty-two percent of the freshmen are below and fifty-three percent of the whole school forty-eight percent of the freshmen in the Agriculture School are below and fifty percent of the entire school.

DATE IS SELECTED FOR MILITARY BALL

Annual Social Function Will Be Held in Armory on Night of February Twentieth

NEGOTIATIONS STARTED TO SECURE ORCHESTRA

In order to mitigate the custom of having the event during the week of Washington's birthday, the date for the third annual Military Ball has been set for Friday night, February twentieth.

The ball, which has occurred during the past two years later in the spring was scheduled for its present date in order to give it a more definite place in the social calendar at Penn State and at the same time to bring about a form of observance of the national holiday.

Committee Appointed. Headed by L. M. Montague, Student Council, the committee appointed by Lieutenant-Colonel C. L. McLoughlin includes W. S. Johnson '25, H. C. Mueser '25, A. M. Rothrock '25, F. B. Barber '25, R. C. Tink '25 and K. R. Dever '25.

Although the committee has not yet had time to select an organization, functioning organization, negotiations have already started toward securing an orchestra for the occasion. It is probable that the admission price will be the same as last year, although efforts are being made to reduce it.

"Kelly," College Snake, Succumbs

"Kelly" of international fame is the best snake of his kind to have been bred over the radio, died last night in the Faculty Building Tuesday, following a short illness.

The five-foot under under the care of Professor G. R. Green of the Pathology Department first gained fame when he successfully bit his own foot during the working of his own snake. He started that snake and fatal illness probably culminated from tramping although "Kelly" had been troubled with the shedding of his summer skin.

"Kelly" was a specimen of the black phase of the Timber rattler and was killed on various occasions to demonstrate the workings of poisonous snakes. He received his southern name three summers ago when captured in Mueser's Gap by a teacher, Miss Kelly, of Pittsburgh.
