RINGMEN WORK OUT IN STIFF PRACTICE BOUTS

(Continued from first page) have been doing the best ring work. Bivalis is keen in the forty-five-pound weight with three men fighting it out for first honors...

Houck has McPhle and Green as his best bets although the latter may not reach that weight but instead, compete for the seventy-five-pound position...

He has Greene there at Hastings and possibly Welko in the 175-pound class. Greene impressed Coach Houck by his steady improvement last week...

Coach Houck has the call of either Welko Gier or Pitts for his heavy-weight middle Gier has advanced rapidly under the tutelage of the Nittany mentor...

LION CAGEMEN TO PLAY TWO GAMES THIS WEEK

(Continued from first page) he promises to present some stiff competition for a variety berth.

The Annapolis five considered to be one of the best-appealing college teams in the East combines as its main assets the factors of size and speed...

NOTE—A pair of glasses. Under please notify Gladys Fulton, Dell Phone 277-1

whole remaining steady and play a careful passing game, the Lion cagemen will give a good account of themselves...

He knows that the Navy quintet is being carefully groomed for tomorrow's contest, and in using this team the Blue and Gold mentors will be employing the same combination which has staged a successful season thus far in spite of a card of stiff games.

Battlefield tosses Mac displayed a new brand of light under the basket, and accompanied this showing with much improved shooting and a marked ability to get the central tip-off.
