TRACK STARS COMPETE FOR SCHOLASTIC CROWN

(Continued from first page) Capital City but other Byrnes of Pennsylvania may place well up in this event.

Goetz of Lock Haven has accomplished the mile in 19 seconds 1/4 and Giles of Chester has recorded two seconds better. The Rochester Tech entry Bill Cox formerly of Mercersburg Academy is listed as having done this distance in the remarkably fast time of 4 minutes 19 seconds. But nine seconds slower than the record time of Pavo Nurni the next Penn. These speedy times insure an interesting race.

Lock Haven also has several commendable men in the dashes. Ritz, Prowace and Greer the last man doing running both hurdles. The other hurdlers are Frederick, Hill and Eckert.

Potomac School "Dark Horse" The school from West Virginia enters a strong team in all the track events. Especially the men from the Potomac state school compete against small colleges and preparatory school competition should draw them men to come to the fore in tomorrow's contest.

Lewis and Drippen in the century and two-twenty, Tascuden and Patis in the 100 and half-mile and Brown in the mile are all fast men and each should place in his event. In the hurdles Drippen is paired with Getz, enderman and the former will also run anchor in the mile relay. Lewis, Patis and Tascuden will run the other two miles in the relay.

State College Jeters, Wright, Shively, representing State College will compete in the 12-pound shot, put the discus throw and the javelin event. The home team, which has received the spot upwards of 100 fee, and should be able to gain at least one point in the finals of this event.

MOUNTAINEER SLUGGERS OPPOSE BLUE AND WHITE

(Continued from first page) Moose McCormick's strong hitting, scattered the hits he allowed his opponents while his team-mates took advantage of loose play.

The Centre County team shot across two runs in the initial frame when Wilson, who reached first on an error, scored on McVicker's drive for a home run but soon lost the lead in the second inning and never regained it. With but one hit flaring in the scoring the Bucknell batsmen garnered three runs in the second.

Bison Score Five Runs

Bucknell increased its score to eight in the fourth. Quinn opened the inning with a triple while the umpire called three on the next man up at the plate. Chesney walked on the fourth ball and stole second. A single by Shultz, the Bison receiver, netted two runs. Stobinski passed Turk and when Captain Mackenzie's hit went for three bases two more runners crossed the rubber. Moose McCormick's third-baseman was safe at first but Kerstetter caught him while attempting to pitch second. The ninth man in the inning to face Stobinski was a third out on strike.

The Varsity and visiting lines battled through seven innings to a 2-2 tie which resulted late in the game after the first year men had been leading the visitors for some time.

The northern trip is being made in "Miss Mittens" and the visiting sluggers will return to Penn State on Sunday night.

Wendell in the attack position, there is a new offensive combination that showed its possibilities in the recent game. Most of the time has been spent in teaching these men how to get away and the defense to keep them covered.

House has been sent up to third defense. Stumm relegated to point. Weland held at overpoint. Cook shifted from third to first defense and Mackey has been given a regular position at second defense as a means of strengthening the guiding of the team. Another technical aid to the work of the squad is the adoption of a dual attack.

Three men are sent in to start the game at the attack position, but are replaced at the end of fifteen minutes by three others who are chosen. Edwards or Walker and Ash. The same process is repeated during the second session. It permits hard and fast playing throughout the game.

Arrangements have been made for the twelve to practice with the Cross.
