Nittany Institution Expected To Retain Its Rank as Fourth

field.

Professor Hotelians was graduated from Penn State in 1918 in the course in Industrial Engineering and received the degree of M E in 1921. The two years following his graduation were spent as designer with the Worthington Pump and Machiner Company, followed by service in the army and with the Atlantic Reliming Company.

After endor-ing the proposed miler's school at Peun State, the Pennsylvana State Miller, 'Arocaution ended its annual secsion at Atlantic City Saturday II. C W Patterson, of Saltsburg, stated that the association would push the plan in the coming meeting of the state legislature by a conceited campaign in all distincts. Institution in biking, chemistry and mechanics would come under the curricular of the proposed course.
