LIONS AND GEORGIA TECH MEET IN SECTIONAL TILT

McCann and either Michalske or Filak at the tackle berths, House and Hastings, guards, and Mahoney, center, make up the forward defense which will face the heavyweights from the South. Michalske may be back berth if a fast and heavy man is needed in the backfield.

The vigor of former Penn State teams has been shown by the Varsity men during the entire week of scrimmage and not in flashes. The squad which journeyed to St. Paul's School in Garden City, Long Island, to train on Friday for the morrow's battle has bettered itself fifty per cent during the past several days and the team which enters the playing field against the invaders will be worthy of the confidence of every Nittany student.

NITTANY BOOTERS CLASH WITH ORANGE TOMORROW

(Continued from first page)

shifted from the fullback berth to center half-back. His companions at the halfback positions will probably be Bell and Hartgest. Wetrell is also playing a good game in the backfield and will probably get in the game.

Cherry, a sophomore, and Carbon, a newcomer at the fullback position will guard the goal against the Brown and White onslaughts tomorrow. Both men are inexperienced but are sturdy tacklers. Helmich, a veteran of three years, will be Coach Leonard's choice for goal-tender, although Lord may enter the game.

The line that Lehigh will array against the Penn State booters is still in doubt but it is probable that Allen will play the center position. Hagge and Collins, the inside positions, and Reed and Harris the ends. Mercer will play the pivot halfback position on the Bethlehem eleven with Allen and Frey as teammates. Hawkins will probably be the player defending the Lehigh goal and will be aided by Dixon and Nevins at fullback positions.
