### MECHANICAL ENGINEERS HOLD SOCIAL GATHERING

With the aim in view of enabling the students in engineering to become better acquainted, the student branch of the American Society of Mechanical Engineers met Tuesday night in the mechanical laboratory at seven-thirty o'clock.  
 Short talks to the audience, when numbered about eighty engineers, were given by Professors Wood, Allen and Keller, of that department.  
 After the talks a social meeting was held with smokes, cider and pretzels being served by several of the members.

### NITTANY BOOTERS FACE STRONG ALTOONA TEAM

(Continued from first page)  
 Nittany league teams than in collegiate ranks and the game will probably prove which method is superior.

### Has Two Lines

While Griffin and Eisenhuth will probably start at the inside forward berth, Coach Leonard expects to use another combination for the forward line during the game. The outside positions and the center forward berth will remain the same, but Raymond Gil and Michael Gil would be used at the inside berths.

The probable lineup is as follows:  
 Altoona Penn State  
 Marshall G Helmich  
 Maple R F B Carbon  
 Sheild L H B Cherry  
 MacKenzie R H B Bell  
 Reid (Capt) C H B Lippincott  
 MacKenzie L H B Hartgeist
