Y. M. C. A. Secretary Speaks on Advancement of Colored Race in Education

C. H. Tobias, senior secretary of the college work department of the national council of the Y. M. C. A. spoke on the progress of the colored race along educational lines in Chapel yesterday and Wednesday mornings.

"As a citizen," said Mr. Tobias, "the negro has made distinguished progress under severe and acknowledged handicaps. Only sixty-two years removed from slavery, he has reduced his illiteracy to 22% and his mortality to 19%."

**Progress in Large Cities**

"Much of the uplift has taken place in the larger centers. For example of sixty-eight cities with a population of one hundred thousand or more, in which the colored people number two thousand or more, thirty of them have colored Y. M. C. A. associations. On the other hand of 197 cities having a population of one thousand or less of which two to ten thousand are colored, only twenty-one have separate associations."

"Thirteen cities have taken advantage of Julius Rosenwald's offer of \$25,000 to each city constructing Y. M. C. A.'s for its colored people. A great deal has been done, but the field is hardly more than opened," he concluded.

Mr. Tobias obtained his elementary education in the schools of Augusta, Georgia. He then entered the Academy of Pine College, located in the same city. After graduating with an A. B. degree he continued his education by attending Drew Theological Seminary of Madison, New Jersey, where he secured an B. D. degree.

**STOCK-JUDGING SQUAD TO LEAVE FOR CHICAGO**

Competing with representatives from most of the agricultural colleges of this country and Canada at Chicago on November twenty-eighth, the Penn State stock-judging team will attempt to maintain the prestige which it recently gained by winning a similar contest at Springfield, Massachusetts.

The team, which departed for the scene of the contest last night, consists of the following: T. E. Wood '26, H. M. Gann '26, W. C. Harter '26, R. P. Armstrong '26, G. Paxton '26 and A. O. Rhoad '26. These men are all members of the Block and Bridle club.

**1928 STICKMEN CRUSH YEARLING TWELVE 9-1**

Displaying a marked superiority at every turn of the game, the sophomore lacrosse team defeated the freshmen last Saturday by the one-sided score of 9 to 1. All through the set-up the passing of the second-year men was well executed and they were on the offense practically every moment.

The lone tally of the freshmen came early in the second half. The ball was centered and in the net before the sophomores fully realized that it was being played. This was the only time however, that the freshmen displayed any teamwork at all while their opponents distributed their scoring over the entire period.

**NITTANY BOOTERS LEAVE FOR CONTEST WITH NAVY**

(Continued from first page)

terminal berth will start the game for the Blue and White. Both men have been displaying a promising ability in daily practice and there will probably be no substitutions at these positions.

Eisenbuth and Griffin will occupy the inside positions in tomorrow's game. Handicapped by a crippled leg Eisenbuth may not be able to finish the game and for this reason Michael Gil will be taken with the team as a possible substitute. At center forward Captain Raymond Gil with his experience should help to bolster the line.

Backfield Strong  
 With Bell at left, Lippincott center, and Hargest at right halfback the Nittany team should be able to offer a stubborn defense against the attack of the Middle forwards. Chierzy and Beam will be Coach Leonard's choices for the fullback berths although Carlson may be substituted during the conflict. Helmich at goal will complete the personnel of the team.

**BRUCE CURRY TO OPEN INSTITUTE HERE TODAY**

(Continued from first page)

begin at nine o'clock in the morning. Dinner will be served by the club caterer, after which Dr. Curry will summarize the work covered by the conference in time for the visiting delegates to leave at four-thirty o'clock.

Letters received from eastern colleges and universities indicate that there will be a large representation in attendance at Dr. Curry's institute. The Smoky City will send a total of twenty-five representatives from the University of Pittsburgh, Carnegie Tech and the Pennsylvania College for Women. Lafayette will send a delegation of ten, Bucknell fifteen, Wilson seven, Franklin and Marshall five and Allegheny five men and five women.

Although no reports as to numbers have yet been received, it is expected that Junata, Lehigh, Susquehanna and Albright will send delegations. Dr. Curry encourages institutions to send large delegations, as he feels that greater benefits accrue thereby.

Local organizations will be well represented in the institute, according to W. J. Kitchen, secretary of the Y. M. C. A. An attempt is being made to have at least one representative from every fraternity and boarding club attend the meetings in order that they may later serve as leaders in the coming discussion groups to be organized on the Penn State campus. Delegates from young people's societies and Bible classes will also be in attendance.

Local delegates met in Room 322 Old Main, Wednesday night, and were spoken to by Dr. F. L. Pattee, professor of English literature, who reviewed the work accomplished by discussion groups in previous years. Problems proposed for discussion at a joint meeting of the Y. M. C. A. and Y. W. C. A. cabinets will be submitted to student organizations in order that the most popular may be selected as topics for the discussions following Dr. Curry's institute. The plan is to get the judgment of thinking students on the campus regarding the questions which are most pertinent and hold most promise of improvement through discussion.

then one-sided victory over the Pitt freshman team in a conceded a front place in the 1929 race. The team, composed of Offenhauser, Bass, Lockwood, Pettit, Wilde, Helfrich and Montgomery, administered such a thrashing to Pitt hopes on Alumni Day that Coach Nate will be disappointed if the yearlings do not take first or second.

Offenhauser, outstanding because of his record-breaking career as a student of West Philadelphia high school, is carried by the big sports writers as a promising contestant for the individual honors among the youngsters. Since Cox will be out of the race, Penn State's victory in this class will depend upon Offenhauser, Bass and Lockwood.

Cox Against Ritola  
 On Saturday following Bill Cox, outstanding freshman distance man is booked to travel over the same course against a lineup of experienced runners, notable among these being Willie Ritola. The A. A. U. championship draws its entries from all sections of the United States, and while Cox is not given much of a chance to break into the first three positions, it is said that the Blue and White yearling will give Ritola much cause for worry.

Outstanding Runners  
 Cavanaugh of Boston College, Schmid of Columbia, Craig of Dartmouth, Gegan of Georgetown, Waters and Tibbets of Harvard, Corbett of Pitt, and Mirek of Princeton, together with Barclay, are picked as probable winners of the Varsity meet. However, Baker, Maine star, and the Syracuse quartet composed of Gottlieb, Proudlock, Bell and Louchs, are slated for a daisy in the next fifteen places. Two hundred and sixty-five runners from Eastern institutions will be entered in the meet, while 161 entries have been made for the freshman championship event.

**PLAYERS OPEN SEASON WITH "CHARLEY'S AUNT"**

(Continued from first page)

His numerous antics in the unfamiliar attire, while decidedly unbecoming of his assumed sex, provide continuous action that should arouse the hilarity of the audience.

Because of the excellent performance of the candidates for the cast, considerable difficulty was encountered by Mr. Mason and Mr. Cloetingh, in the selection of the characters for the specific roles. Six competitive trials were required before the final choice was announced.

The ticket sale has exceeded the expectations of the managers thus far. Despite the large demand, some good seats are still obtainable and can be secured at James Bloom's Shop. The price of admission are fifty and seventy-five cents, all seats being reserved.

The cast which was selected to open the season in the Auditorium is as follows:  
 Jack Chesney T. K. Morris '27

**XMAS CANDY**

production. No expense will be spared in making this production one of the best, and it is estimated that the cost of the presentation this year will exceed ten thousand dollars.

The cast of the play, as selected by Mr. Morrison, casting director, is as follows: Sally Merrill, R. W. Graham '26, Marjorie Ware, S. Runkle '27; Miss Spinks, Geo. Schuster '28; Jimmy Atkins, D. D. Northrop '28; Jackson, J. E. Kennedy '26, Lundy, R. G. Kennedy '28; Wilson, hotel manager, A. E. Altenderfer '28, Richard Burns, the kid, J. L. Nelson '27, Dugan, his manager, P. J. Farley '29, Mrs. Merrill, H. H. Brainerd '28, Mr. Merrill, H. W. Pennington '26, Duke Chesterdale, John Vance '27, Pedro, the butler, G. W. Robertson '28; Detective, H. F. McCollon '29, Joe Maquard, lawyer, J. W. Bergen '29.

When it's Thanksgiving—and the teams are drawn up for battle on the gridiron—when the first touchdown goes over and the grandstands rock with frenzy—have a Camel!

WHEN the rival bands are playing to make your blood tingle. And the cheers and answering songs sweep back and forth between the opposing thousands of rooters. When, following that tense hush, a swift player darts out from the flashing formations on the gridiron and races across the goal for the first touchdown—oh, man, or superman, when the taste of joy is too keen to endure—have a Camel!

For Camel is the boon companion of your joys. So far as you will from the prosaic things of every day, Camel will be the truest smoke friend you ever had. Not a tired taste, not a cigarette after taste, not a regret in a million Camels! Just full and fragrant smoke contentment, just added zest in living.

So when your own college's team tears through for its first smashing goal this Thanksgiving Day—when life seems fullest of the frenzy of happiness—joyfully apply the fire and taste the smoke that's loved by millions.

Have a Camel!

In the making of this one cigarette goes all of the ability of the world's largest organization of expert tobacco men. Nothing is too good for Camels! The choicest Turkish and domestic tobaccos. The most skillful blendings. The most scientific package. No other cigarette made is like Camels. No finer cigarette can be made. Camels are the overwhelming choice of experienced smokers.

Our highest wish, if you do not yet know Camel quality, is that you try them. We invite you to compare Camels with any cigarette made at any price.
