# **Examination Schedule**

All recitations and practicums for the first semester will end Satundar January 36, 1926, at noon. Examinations will take place from February I to 6 inclusive.

Any student having two examinations scheduled at the same time of any student having three examinations scheduled on the same day, is 30 quired to report the fact in person at the Registar's Office on the special form provided there. To receive adjustments, such conflicts must be reported not later than two eclock on Friday, December 18, 1925.

Notices of adjustment will be mailed to students and to the Heads of Depart timents on January 14, 1926.

Appointment examinations should not be scheduled until after notices of adjustments have been sent out. The dates of these examinations will be announced during the week of January 25, by the instructors conceined Examinations are to be of two hours duration, beginning at eight and ten-twenty A M and two P M.

### ENGINEERING EXTENSION HELPS STATE INDUSTRY

Faculty Members Supervising Training Courses in All Sections of State

With practically every member of the department working in the industrial field for the past two weeks the engineering extension department is continuing its active. For enabling training courses in all sections of the state.

tions of the state.

New contacts were made with the 120 foremen of the National Tube company of McKeesport, and Prof. O. Keller, recently appointed head of the enginineering extension department, accompanied by Prof. W. R. Young, visited several plants in Lite and Pittsburgh The trip served to introduce Professor Keller to the industrial leaders in the western port of the state.

Professors Elder and Chaffee are engaged in enrolling students and are generally supervising classes at Philadelphia, Reading, Lancaster and Pittsburgh. Professor James Davis is also planning a trip around the Scranton district.

Tought Prof. C. G. Gam will

Tomght Prof C G. Guam will dart the second month of extension work at Middletown by delivering the fifth lecture of the 'course to the fifty foremen of the Middletown Car

company
Prof. N. C. Miller who recently

December 4, 1925

Dear Madam:

It affords me great pleasure to inform you of the improved service we are now able to render you.

An expert ladies' haircutter, Mr. Harry Simmers, formerly in the employ of J. L. Hudson Co., Detroit, Mich., the laraest and most widely'reputed ladies' haircutting firm in the country, has joined our staff of barbers. Mr. Simmers experience with this firm has extended over a period of four years.

Thanking you for your patronage in the past, and trusting that we may continue to serve you to the best of our ability in the future, I beg to remain,

Respectfully,

CHAS. A. SCHEIRER
