Names you should know

You like to know names that everybody knows—name of the man who tied lightning to a kite; name of the man who watched a tea kettle and went out and made an engine. Just knowing such names gives you pleasure.

Yet there are names that thousands of people know that can give you much more pleasure in a much more apensonal way. Names that stand for the best things to at. to wear, to sleep on, you can buy. Names that if connected with the salad dressing, hat, mattress you select or any other desirable thiing you select—mean it is most desirable. Names written large in advertisements. Advertisements tell why those are wise names for yau to know. Why such names greet you in the best groceries, department and hardware stores. Why those names are in the buying vocabulary of thousands -- - are believed in by thousands - - - justify belief!

> Read the advertisements Don't ask vaguely in a store for "cold cream," "a skillet," "a vacuum cleaner." Ask for So-and-So's Cold Cream, So-and-So's Skillet, So-and-So's Vacuum Cleaner. Use the names you have learned through advertisements, that stand for the product that means most to you and most to most everybody.
