**CALIFORNIA NORMAL FIVE SWAMPED BY YEARLINGS**

(Continued from first page)

In the lead with a goal from the middle of the floor. Close guarding on the part of both teams prevented further scoring during the first period.

**Lead Changes**

With the start of the second quarter, play became faster and the freshmen took the lead when Hamas dropped two fouls through the hoop. Wolfe immediately countered with a pretty goal from the corner of the floor and California was leading 4-3. Monahan tied the score with a foul goal.

Delp put the plebes in the lead with two successive goals from under the basket and the freshmen were never headed again. Littell added two points to the visitors score when he caged the ball from the corner of the floor. White made the count 8-7 with a foul goal. Delp and Monahan brought the yearling score up to twelve by successive goals from the floor.

**Half Ends**

As the half ended Littell caged a beautiful shot from the side of the basket, making the score 12-9, with the freshmen in the lead. Throughout the half both teams failed to show an effective offense, which was mainly on account of the poor condition of the floor. Up to this point the game was little more than uninteresting.

Starting the second period with a rush, the yearlings soon left their opponents in the rear. Delp opened with a foul goal and Littell followed suit with a free toss. Reilly, who had not been able to find the basket during the first half, caged a goal, two fouls and another goal in quick succession, making the score 19-10.

**Play Queekens**

A goal by Littell and a foul by White placed the visitors in the running again, but the plebes had not their stride and further scoring by the Normal five was intermittent. A basket by Wilson, followed by two spectacular shots by Monahan from scrimmage under the basket, boosted the yearlings score to twenty-five.

Hamas, at this point, scored his first goal of the game when he broke loose and caged the ball from the side of the basket. Delp and Reilly in turn dribbled the ball from mid-floor and scored, making the count 31-17, as the third period ended.

**Visitors Score**

White and Wolfe broke through the yearling defense and dropped successive shots through the basket to break the freshmen's string of six straight baskets. Hamas and Reilly followed with goals from scrimmage. With but two minutes of play remaining, Coach Killinger sent Jacobson, Brownstein, Koch and McKeown into the game. Taking the ball from the tip-off, Jacobson dropped a beautiful

**shot from the middle of the floor through the basket.**

From an out-of-bounds play in the visitors' territory, Littell took the ball and rang up a goal to make the score 41-20. Wolfe tossed two free shots through the hoop and the game ended with the Nittany yearlings leading 41-22.

**Reilly High Scorer**

High scoring honors for the game were won by Reilly, lanky plebe center, who caged five field goals and two foul goals for a total of twelve points. Captain Delp followed closely with five goals and one foul goal for a total of eleven points. For the California Normal five Littell a guard, was high scorer. He managed to garner ten points.

Captain Wolfe, who in the game against the 1925 freshmen last year was high scorer, was held in check by Delp. Wolfe last year scored thirteen of his team's eighteen points, but this year he was held to eight points.

**Virginians Downed by Penn State Pugilists**

(Continued from first page)

It was a tough battle all the way through with neither having a distinct advantage. Both swung powerfully, and exhibited clever boxing. In the second canto a left to Gans' mouth drew blood but the Nittany moutman almost closed Flannagan's eye.

A terrific right in the second almost floored Gans, however he slugged a comeback and played out on the south-erner's stomach with rights and lefts. The third canto was a draw with the contestants going strong and putting up a fast fight. In the extra round Gans got the worst in the exchange of blows at close range but later land-

**and terrific rights to Flannagan's chin.**

McClernan Wins

Johnny McClernan had little difficulty in defeating Menninger. Although the Virginia twenty-five pounder scored a decision over Freddie Washington last year, the Lion captain clearly outboxed the rangy visitor. Menninger was able to put over only a few punches which caused little damage. However near the close of the last round Mac sent his adversary rocking and almost scored a knockout when time was called.

In the next bout, Fileger was pitted against Wadsworth, a clever boxer. The bout was fast with the Lion ringman the aggressor throughout. Kiel's match with Gwyn in the sixty pound class went to an extra period and ended in a decision for the Nittany team. Gwyn was much bigger than the Nittany representative.

**Kiel Awarded Bout**

Gwyn appeared refreshed at the opening of the third round but after taking a terrific beating he seemed fatigued. However the judges ordered another round. The husky southerner had little strength left for the extra canto and a right by Kiel sent him groggy. The judges awarded the bout to Penn State.

Welsko scored a knockout when hardly a minute passed in the initial round. It was practically Welsko's first pupch. Beginning with his left, the Blue and White light-heavyweight drew away Kinchloes guard and he swung a wide right to the jaw that

**sent the visitor to the floor for the count.**

Roseberry was defeated by Luke in the heavy-weight division. It was the Penn State representative's first time in the ring and considering the lack of experience he put up a good fight but was outboxed by the finished pugilist the visitors sent into the ring.

**REV. HART CONFERS WITH PENN STATE "Y" COUNCIL**

(Continued from first page)

The faculty enter the discussions, each group of students will select its advisor. Following a weekly gathering of faculty advisors and student leaders and student leaders at a supper-meeting in the University Club, the regular groups will assemble, under both leaders, in their respective places at some other time during the week.

Using the occasion following Dr. Gilkey's lectures to discuss the same questions, the churches will attempt to interest students in church work and membership. Carrying out the third part of the plan, the Y. M. C. A. will endeavor to interest men in its work and especially in its social program in the surrounding territory. Lastly, the "Y" will aid students in choosing a vocation and in securing a position. Literature concerning the last subject will soon be available in the Library.

According to Secretary Kitchen, the

visit of "Jack" Hart witnessed the greatest united effort of the churches and the Y. M. C. A. to solve for the college man at Penn State those problems concerning his religion. Those men who met with the Philadelphian were not only pleased with his constructive advice on this subject but were also delighted with his inviting personality.

**PRINCE ALBERT**  
—no other tobacco is like it!

BEFORE you even look for the jack or tire-tools, tuck a neat wad of Prince Albert into the muzzle of your jimmy-pipe. Light up . . . and get yourself in the frame of mind where a flat tire is "all in the day's work." Talk about a gloom-chaser!

P. A. simply knocks troubles for a row of planished-steel mudguards. Its cool, soothing smoke percolates into your system, the sun crashes through the clouds, and everything is hotsy-totsy. Yes indeed, Fellows, Prince Albert is great tobacco.

And paste this in the fly-leaf of your thesaurus: P. A. can't bite your tongue or parch your throat, no matter how hard you hit it up. The Prince Albert process flunked Bite and Parch on their first examination. Get a tidy red tin of P. A. now and see.

P. A. is sold everywhere in tidy red tins, round and half-pound tin humidors, and round crystal glass humidors with sponge-moistener top. And always with every bit of bite and parch, removed by the Prince Albert process.
