YEARLING CAGERS TOP BELLEFONTE ACADEMY

McGivern duplicated the shot for the county seat five. Not satisfied with his last exhibition, the flying guard again whipped the cuds after a lengthy dribble. Captain Delp contributed a double-decker from the center of the court, but Robbins kept the prep school boys in the van with an overhand toss from a difficult angle. Bowers shot a foul just as the quarter ended with Bellefonte leading 9 to 7.

Yearlings Take Lead
The first of a series of lengthy loops left the hands of Monahan with

As a whole, the home crew appeared to be balanced in both defense and offense. Von Neida used the same smashing attack that aided in downing the Syracuseans, and Lungren hooked up in every scrimmage, smothering the horsehide from a Cardinal dribbler or unexpectedly intercepting the visitor's long passes. The Peddie flash is rapidly rounding out as a polished basketball heaver.

Roepeke dexterously capered about the enemy guards and increased the Blue and White score ten points with his quick run-in tosses. Despite the inability of Captain Hood to locate the hoop, he led his men with the vim that netted the triumph. The Capitol city lads were slow in locating the loop in the first half and permitted the visitors to roll up nine markers before they had talked one.

Once started, however, the team made up entirely of sophomores, began counting rapidly and made the score 8-10 before State was able to draw away again. The setto ended with the Potomac representatives on the short end of the 19-11 score. Harvey garnered five of the Cardinal's total threes in that round. Being overwhelmed with twenty-eight counts to their thirteen in the second session the District of Columbia shooters were forced to bow in defeat, 47-27.

In opening both the first and second halves the teams played carefully and several minutes passed before a point was tallied. Scoring the first blow of the game Von Neida hooped one of two free-throws. MacDonald then deposited the first of his six double-deckers, and Von Neida hung up the first of his count of two-plies. MacDonald and Roepeke again drew blood with duos and the totals showed 9-0.

Sallying forth from their no-count position, Long and Harvey collected a field goal each. After that the invaders tenaciously dogged the Lions and played valiantly but the Nittany attack was not to be routed. One after the other the Blue and White counts piled up and by nimble running in from the corner of the floor and an occasional long two-ply the fray ended at 19-14.

The end of the contest presented frequent scoring and lively scrambling. Twice during that period double fouls were committed, MacDonald being involved in both, once with Harvey and the second time with O'Donnell. The latter was retired via the foul route late in the second half when this reciprocal offense was called. After a short dispute with the official scorers O'Dea was substituted for O'Donnell. O'Dea who finished the game with the visitors played on the freshman team here in 1921.

Visitors Rally
After Monahan had counted on a follow-up, McGivern and Robbins sank elongated arch-shots. The visitors staged a spurt but the Nittany defense proved too strong. Reilly extended himself to score a sleeper. Hood, went to center, Housholder replacing Myers at forward. After an interval Delp terminated the scoring with a one-handed push shot from the foul line.

By counting ten points and holding his opponent scoreless, Delp qualified for individual honors for the yearlings. Robbins and McGivern scintillated most brightly for the visitors.

Notre Dame Bows to Lions in Loose Match

(Continued from first page)

Welsh went to a clinch and proved beyond doubt that he was master of the infighting art. Gans followed with a left jab that stayed the visitor. The Lion bantamweight showed ability to solve the attack of his opponent and for the remainder of the bout used his left and right with telling effect.

Again using his infighting tactics, the Irish fifteen-pounder led off in the second canto but Gans retaliated with straight to the face and body. In the last period Welsh dealt some telling rights with Gans breaking through with left jabs to the nose of his opponent which earned the decision for the plucky Blue and White mitsinget.

Extra Period
It was not until the hammering blows of Captain McClellan had O'Keefe of Notre Dame goggy in the extra period that the judges awarded a decision for the Nittany pugilist. O'Keefe with a longer reach and several inches to spare in height used an opiate right that gained its reputation in the western Amateur Athletic Union contests. The Irish fea-therweight found a match in the clever guarding of Mac who cased a few jabs and hooks through the Green ringman's defense.

Holding his own in the first two rounds, McClellan came back in the third and solved the attack of the wary South Bend fighter. There was little noticeable clinching in the bout, both men swinging clean blows. The Blue and White intercollegiate champion parried blows with his protecting right only to find a counter attack similarly blocked.

Decision for Filieger
Rushing in for the first round, Moran of the Irish squad landed a stiff blow to the side of Filieger's head. The Lion lightweight returned with a left jab and then hammered the body of Moran in a clinch. Fil used his left to good effect but the steady rushing of Moran scored points for the visitor.

When the gong rang for the second period, both men rushed in for the fracas. Each meted out counting blows. Moran played possum but the bluff failed to gain anything against the wary Filieger. The Nittany fighter dealt punishment with rights and lefts but failed to register a look-out-for knock out when several appetites missed by inches. The last pe-

proved close with the pugilists hammering away at every opening. The judges disagreed at the close of the regular time and another bout was ordered. Filieger sent his man to the floor but the plucky Notre Dame fighter came back almost immediately. Moran took the defensive throughout the bout and Filieger was given the decision.

Easy Victory
In the welterweight class, Garrier took an easy victory over Left who represented Notre Dame. A stiff right delivered by the Lion forty-five-pounder sent Left to the carpet for one count. After a little parrying, the Irish pugilist again went to the floor but was up at once. During the final periods Clark sent telling blows to the body and face of his opponent to win a decision from the judges.

Kiel representing the Blue and White proved master of the situation in the sixty-pound division when he gained the judges decision at the close of three rounds over Doyle. Using his inimitable method of feinting, the Nittany boxer had his opponent un-nerved after the first round. Clean hits to the fact and telling blows to the body at every opening evinced the superiority of Kiel.

Ducking the lefts of Doyle, Keel retaliated with jabs and hooks that had his opponent goggy when the closing gong sounded. Little fault could be found with the conduct of the Blue and White leather-pusher during the entire bout. His generalship showed that he was master of the ring against even the long reach and rangy build of the Irish fighter.

Welsko continued to show improvement by using his left to good advantage throughout the seventy-five-pound fray against Springer, captain of the Notre Dame team. Springer only smiled at the jabs and came back with a walloping right. Joe utilized his right in hammering blows on the body of the visitor in the clinches. Left jabs and a few telling rights gained the judges' decision for Welsko in the final canto.

Maxwell Scores Knockout
With Penn State on the long end of the 0 to 0 score, Maxwell, former football man for the Green gridiron

machine took to the ring against Roseberry who filled the berth in the unlimited class for the Blue and White. Throughout the first and second rounds, the Notre Dame fighter used a left jab which continued to land on the unguarded face of Roseberry.

Rallies for the Nittany heavy failed to make good although Roseberry jolted his opponent with several stiff blows to the side of the head and jaw in the middle of the last canto, the referee stopped the bout and awarded a technical knockout to Maxwell, making the final score 6 to 1 in favor of Penn State.
