Conference Teams Will Furnish East-West Duel—Iowa and Wisconsin Favored

PERSONNEL OF NITTANY COMBINATION UNDECIDED

Mile and Four-Mile Quartets Loom as Dark Horses in Red and Blue Games

Penn State's fliers will have to unleash unexpected strength if the Blue and White is to conquer the cream of America's running talent at the thirty-second annual University of Pennsylvania relay carnival Friday and Saturday at Franklin field in Philadelphia.

Although track critics accord Penn State little chance of victory, the Nittany runners loom as formidable contenders for the crowns in the quarter-mile, half-mile, four mile and 480-yard high hurdle shuttle race.

East-West Battle The Red and Blue games will lack the international flavor of past meets on account of the inability of the Oxford and Cambridge track stars to make the trip this year.

From the Western Conference, Iowa, Michigan, Wisconsin, Ohio State and Chicago are sending strong delegates. Iowa and Wisconsin are favorites in each of the three leading relay races.

Georgetown Powerful Georgetown, winner of three relay events last year, will be represented by another strong team in the relays as well as by an array of brilliant talent, led by Emerson Noton and Tony Plinsky, in the individual events.

PLEBE BASEBALL SQUAD REDUCED TO FORTY MEN

Captain Leo Houck Confronted by Lack of Hurlers—Infield Material Strong

Wealth of Infielders On the mound, Decker, Lewis, Campbell and Shachoski have been displaying good form. Cannon, who reported as a first baseman, is being given a tryout with the hurlers by the freshman tutor.

There is a wealth of material for the four infield posts. C. Hadley, Saunders, Allen and Johnson are displaying their wares for the first base position. At the keystone sack, Barber, Humphrey and Dobbelaar are fighting it out.

SNOW HALTS CLASH WITH CORNELL NINE

Scheduled Baseball Contest at Ithaca Cancelled—Frigid Weather Prevails

GETTYSBURG WILL PLAY TWO GAME SERIES HERE

The first foreign invasion of the Penn State baseball team resulted in no addition to the win and lost column when snow flurries and freezing weather combined to prevent the scheduled visit with Cornell at Ithaca last Saturday.

An hour before the game time Coaches Eckley of Cornell and Berck appeared on the field to decide on the advisability of playing the game. One look at the first-moving gray clouds convinced the mentors that a baseball game would be out of the question.

The jaunt to Ithaca was made by motor bus, the team arriving in the northern New York town at four o'clock Friday afternoon. As the weather was even then unsuited for the diamond sport, the Nittany squad (Continued on last page)

Co-eds Trip on Light Fantastic Toe as Novel Costume Cotillion Is Celebrated

From the fluffy skirts of a ballet dancer to the long train of an old-fashioned coquette, from the satin garments of a Spanish grandee to the blue overalls of a country boy, from the first dance until the whole place shook with gaiety that the decorations began to fall, the co-eds' costume cotillion in the Armory Friday night was a huge success.

Co-eds Trip on Light Fantastic Toe as Novel Costume Cotillion Is Celebrated

The west corner of the Armory (who knows which one this is) was extremely popular as the location of the Y. W. C. A. booth where ice cream and sandwiches were sold during the evening to the faltering swains and lovely ladies. If the girls' laughter and smiles meant anything then the colorful affair was a success. After the ball was over and the music ceased and the dancers disentangled themselves from the serpentine, the prevailing sentiment was, "Let's do it again."

NITTANY STICKMEN WIN OPENER FROM PENNSYLVANIA 10-6

Tardy Rally Carries Lions to Victory—Score Knotted At End of Half

HACKETT, BELFIELD AND HELBIG STAR IN ATTACK

Clever Passing Responsible for Win—Offensive Effective in Second Period

Scoring three goals in less than five minutes of play, the Leonard-coached Penn State lacrosse team swept to a clean-cut 10 to 6 victory over the University of Pennsylvania stickmen on Franklin Field Saturday afternoon. With the score tied at four all at half-time the Lion eleven swept the Red and Blue quarterbacks off their feet in the final period to win.

Bill Helbig sent the Nittany Lions away to an early lead with a nice shot in the opening minutes of the game, but Moore, Quaker scoring ace, netted a long attempt. The Lion attack functioned smoothly but no forward was able to break through the Pennsylvania line-up until Helbig again lodged the rubber sphere in the Red and Blue goal.

Moore, who counted four of Penn's six points, duplicated Helbig's performance a moment later and then added his third counter after the ball had been centered. Belfield and Hackett scored before the termination of the first half with the count knotted at four all.

Opening up with every play at their command, the Lion stickmen clearly demonstrated their superiority by breaking through the Quaker defense to score six goals in the second half. With Helbig, Belfield and Captain Hackett in the leading attack, the Nittany machine worked the ball to within scoring distance and drove through the Penn huskies to count.

Sweeping aside the Quaker goal-tender, Welker, Shank, Hackett and Helbig each registered a point while Belfield, diminutive sophomore attack man, added two more tallies to his total.

The stickwork of the Blue and White team in their initial game of the season was clean and fast, although more penalties were inflicted on the Lions than on Penn. The hold was hard and dry, but a high wind blew dust across the sward, hindering the play.

PHI EPSILON PI, 1925 CHAMPIONS, DROPPED FROM TOURNEY IN LOOSE TILT

Captain Saville, Red and Blue attack man who has been on the sidelines with a broken collar-bone, played his first 1926 game against Penn State Saturday. He co-starred with Miller Moore in the Penn attack, further distinguishing himself by his clever dodging and passing.
