Play Three Teams On Eastern Diamond Trip

(Continued from first page) during his three seasons as a varsity performer and has attracted widespread attention. Al Kruezer, football star, Bishop Sanford, and Knoblauch are other members of the Red and Blue hurling staff.

Lions Twice Rout Bethany Captain Wilson's team returned to its winning ways over the week-end when it took both games of the series with Bethany by scores of 16-7 and 1-1. It was the sixth and seventh win of the year for the Blue and White.

Friday's game was nothing more than batting practice for the home team. The Lions scored in every inning but the second and thrashed out sixteen hits with six runs, six RBIs and one error.

Six led the offensive with two doubles and two singles in six times at bat. He succeeded in reaching first base the other two times through the medium of errors by Peckman and Langren, with a double and two singles in five times at bat, was also prominent with the sack Friday while Harris found his batting eye and rained out three singles.

Bethany Stronger Saturday Bethany put up unexpected opposition in Saturday's tilt and threw a scare into the Nittany camp. Heiman, who had been beaten but once in three years of college hurling, pitched brilliantly for Bethany and had the Lion batsmen puzzled by a combination of "holes" and speed.

Page was on the mound for the Blue and White until the eighth when he gave way to Haines. The left hander's lack of control proved his undoing. In the second Klabough was passed, eventually scoring and again in the fifth Casey drew a walk and scored on two successive singles. The other Bethany marker was the result of a base on balls, a sacrifice and errors by Schwartz and Harris.

Loose playing on the part of the West Virginians resulted in three Nittany scores in the fourth. Harris lapped a hit one down the third base line that glanced off Coehran's glove and when the third strikeer rejected the hot-rod he threw wild to second and Haines made the catch.

quit Page singled to center and scored when Jacobson's wicked drive got loose in center for a home run. The winning run was tallied in the ninth Harrington singled, went to second on Haines' sacrifice bunt and advanced to third on Jacobson's single. Kent walked, filling the bases and the game ended when Langren drew a pass, forcing Harrington over with the winning tally.

Plebes Drag Sophs To Win Tug-of-War

(Continued from first page) began a concentrated attack, showing veteran poise and unexpected skill in the face of a diving downpour. It was inspiring to behold Step-by-step the freshmen were moved this drawn to the dread whirlpool.

At this point one faculty member in the audience was heard to say in good old English fashion, "You will pulled, indeed." The crowd settled back to enjoy the final heat. Another group of sophomores and freshmen ploughed down the arena.

Some ill-disposed juniors distributed several picks among the freshmen who dug themselves in the turf. The sophomores got hold of a pick and began to use it for protection, but more juniors arrested their efforts. Then the sophomores pulled and the freshmen pulled, and they all pulled together, but the sophs pulled a little harder and the freshmen giving up and straining were dragged fifteen feet.

Industrial Engineering Department CEDAR CHESTS \$3.50 to \$21.00 Student Desks and Chairs, Student Tables

Suddenly the freshmen end halted. Surprised, the sophs pulled. No result. They pulled again but the freshmen had become indomitable. Then an outraged six went up. Sophomores began moving forward, and did not stop moving forward until the freshmen had dragged them over the watery path of defeat.
