## Trackmen Sweep To Win Over Panthers

(Continued from first page)

victory in both hurdles. A soggy track prevented the Lion captain from breaking any records but Crip negotiated the high sticks in 15 2-5 seconds and the lows in 25 2-5 Eggers and Sharp trailed him to the tape in the shorter run while Lerch finished runner-up in the 220-yard race Fabiani squeezed in for Pitt's lone track point in this event

Although Bartholomew was unable to compete because of a sore tendon, the Nittany sprinters enjoyed a romp and Filkins, Kilmer and Torrence finished, one, two and three in the century and 220. Torrence sped to a 49 4-5 seconds triumph on the slow track in the 440 closely trailed by Sands and Karbach and in the half-mile Taylor led Smith and Davis to the tape in 1 minute and 59 seconds

Oliver Helffrich, Fouracre and Stewart easily outdistanced Pittsburgh's stars in the mile although Kerr started strongly. It was young Helffrich's first varsity victory. The brother of the famous Alan won handily in 4 minutes and 31 seconds Barclay, running a creditable race, finished first in the two-mile followed by Reis and Haskins

### Pitt Scores In Field

While Pitt was being whitewashed on the cinders, several of her weight men were displaying exceptional form and Linn, Welch and Archibald swept the shot put Welch and Archibald captured first and second place in the discus throw with Weston of Penn State, third. The Panther's two other first places came as a result of a javelin toss of nearly 168 feet by Grindle and a leap by Magee of 11 feet in the pole vault

Penn State scored its expected victories in the broad jump and high jump, while Ide came through with an excellent mark in the hammer throw. Bates and Sullivan tied for first place in the high jump, both equalling 5 feet 10 1-8 inches and Mathias showed the way in the broad jump with 22 feet 5 inches.

### RADIO STATION IMPROVED

Penn State's broadcasting station WPSC has been rebuilt during the past year and the quality of its transmission has been improved to a great extent.

Dr Woodruff, an electrical engineer, Mr Hood, director of KDKA at Pittsburgh, Mr. Rumball of the Westinghouse Manufacturing company, together with Mr. Crossley of the electrical engineering department collaborated in the improvement of the station

clicked a triple over Styborski's head that the Nittany player misjudged.

The first Nittany score came in the fourth Wilson walked, was sacrificed to second, went to third while Schwartz was being retired at first and scored when Lesko came through with a drive to left In the sixth two more came over the scoring station. Styborski walked and went to third on Harris' blow to center Schwartz scored Sty with a single and Harris scored a moment later when Lesko thumped a two-base drive to left that placed Schwartz on third. Again the next two batsmen failed to register and the two runners were left stranded.

Greene opened the ninth by slashing a two-base knock to center that missed being a home run by inches. Kent scored Greene and later reached third by virtue of Wilson's infield hit but the game ended when Harris lofted to Tuck.

Lesko was the only big scoring gun for the Blue and White, driving in three of the four runs garnered Two Bucknell hits in the third were all that the opposition could garner from Page until the fatal sixth Haines performed well during the closing innings
