Kirkpatrick Wins for Syracuse
Through an injured tendon which
kept Packard, regular Lion middleweight out of action, Altenderfer,
promising jumor vaisity man, was
given an opportunity to carry Penn
State colors to the mats The relative inexperience of the new man
proved disasstrous, however, and the
only five points which went to Syracuse resulted from the fall which
Kirkpatrick, Orange middelweight
registered. The victor used a half
nelson and wrist lock.

Ke Long and Larsen, Syracuse
ight-heavy, fought from a stand for
an unusually long period, but the vistior on several occasions fell before
the Nittany grapplers attack. The
second of these trips proved disastious to Syracuse's hopes and Lorg,
enlisting an arm lock and head chancery, recorded a fall.

unconvinced.

So recently to test the newParker Duofold barrel, he stood on the rim of Grand Canyon and threw this pen into the rock-lined chasm.

When the pen was recovered amid the jagged rocks a half mile below the canyon's edge, it was scratched a bit, but quite unbroken.

When the cap was removed the point was as good as ever—a point guaranteed for 25 years, not only for mechanical perfection but for wear!

You cannot get Duofold quality in any pen save that stamped "Geo. S. Parker." Look carefully for this. Any good pen counter would like you to try this classic.
