### Top in quality—first in popularity

EXPERIENCED smokers have proved it. Discriminating tobacco lovers by the million rediscover it each day and every evening as the friendly Camels are lighted. There simply is no better cigarette made. The choicest Turkish and Domestic tobaccos grown are bought for Camels—and such blending for taste and fragrance! Only the largest tobacco organization in the world could produce a cigarette like Camel.

never was a tobacco word so famous, or a cigarette so good. First in popularity, because the best—that is the story of Camel, the biggest cigarette success ever known.

If you want such smoking enjoyment as you never hoped to find, just try Camels. Smooth, fragrant and mellow mild, from the first touch of the flame to the final puff, Camel will mean a revelation to you of tobacco goodness. For pleasure unalloyed, for the best that's made regardless of price, "Have a Camel!"
