Notices

The Motive Power Club will hold an open meeting in Room 204, Engineering C, Thursday evening at seven o'clock. Prof. O. K. Harlan will present a paper on "Mechanical Engineering in Railroad Service." Mechanical engineers are especially invited.

The A. S. C. E. will meet in Room 200, Engineering D, tomorrow night at seven o'clock. An address, illustrated with motion pictures, will be given on the subject, "Development of Paving Brick and Its Uses," by an engineer of the National Paving Brick Manufacturing association of Cleveland, Ohio.

Nittany Matmen Down Penn in Season's Final

(Continued from first page) a two minutes and thirty seconds advantage.

For the first half of their bout, Martin, Penn welterweight, and Ace fought with honors equal. This bout was different. The principals did much of their fighting on the mats. After about six minutes of this Ace got down to business and pinned Martin, using a body hold and arm lock. Seven minutes, seven seconds was the time.

Packard, wrestling well in spite of the stiffness apparent in his left knee, took Duchanan to the mats after about seven minutes of sparring and held him for a one minute, fifty seconds advantage. The Blue and White middleweight was working for a fall as the bell rang time.

Pratt Loses to Hollobaugh
Hollobaugh and Pratt, named as a contender for intercollegiate light-heavyweight honors, fought the closest bout of the meet. Nothing was done in the regular period, and in the extra periods the advantage was close. Hollobaugh, was awarded the match with a forty-six seconds margin.

Garrison, who also made his last Armory appearance, sang his swan song to Kandell, the heavy but wily Penn matman. This bout also went into extra periods but Garrison easily gained the decision. The referee who officiated Saturday, was R. M. New, of the Onondaga Valley Institute. Saturday the Lions close the year with the Intercollegiate at Penn.

LOST—A lady's white gold wrist watch, on the campus. Finder please return to Miss Ray's office.

Freshman Boxers Win From Bellefonte, 4-3

(Continued from first page) enabled him to weather the onslaught. Hedges, Bellefonte welter, put up a speedy battle against Lewis and tallied Bellefonte's first point. Mutzel's decision in the next bout made the score 3-2, the plebes still leading.

In what proved to be the crucial bout of the meet, Miller, yearling 175-pounder, gained the decision over Duckanis who was disqualified by the referee for holding and hitting in the clinches. In a more evenly matched bout, Dushar, Bellefonte heavy, exchanged punches with Gitterman, each being floored in the third round. Dushar won the bout by decision.

It is probable that the same freshman team will contend in the Frosh-Soph scrap scheduled for next Wednesday.

Nittany Boxers Defeat Powerful N. Y. U. Squad

(Continued from first page) suit was that the visitor won the battle by a shade.

Wolff cinched the meet for Coach Houck's team. Bendiek followed his lead and swept the blustering White off his feet with a swift second-round attack. Content with ducking out of the way of White's fierce right hooks in the first round, Bendiek cut loose in the second and sent White to the floor with a well-timed right. He floored the N. Y. U. light-heavy again in that round, but the bell saved the Violet man from a knockout. Bendiek was under a weight disadvantage of twenty pounds.

Lassman Impressive
Al Lassman, the tremendous New York heavyweight, exceeded even the

most glowing reports of his prowess in stopping Mahoney. Roger, handicapped by at least thirty pounds in weight and five inches in height fought pluckily and kept Lassman at bay in the first round.

In the second, however, Lassman bore in and drove Rog against the ropes. Mahoney went down under a terrific right, but gamely arose only to be stunned by a bewildering barrage from the iron fists of the N. Y. U. gladiator. The giant holds the National A. A. U. championship and boasts a record of twenty-three one-round knockouts.

"Three Wise Fools," a comedy in five acts, has a cast of thirteen, eleven males and two females. The import-

ant characters are a judge, a physician and a financier, the three wise fools, who share a home and live a life of methodical routine. Into their lives comes the daughter of a woman all three loved in earlier years, and whose presence causes miraculous changes in the homestead and in the lives of the three old men.

John Maurer, Vincent Jenkins and Henry Du Lawrence, occupying the

leading roles, are all experienced and versatile actors.

NORTON COMPANY
WORCESTER, MASS.
Presents **"SPEED IN TRANSPORTATION"**

Among the hundreds of automotive parts being finished by GRINDING are: crankshafts, camshafts, pistons, piston pins, gears and rear-end housings.

The great railroad systems, too, benefit from GRINDING—piston rods, pistons, link bars, air brake parts, manganese steel frogs and switches—and car wheels.

Accuracy makes high speed possible. GRINDING makes possible accuracy—with rapid production of the many vital parts of these great engines of commerce.

Everything's going to be all right

THAT'S the way P. A. talks to you in the bowl of a pipe. This great national gloom-chaser stabs the darkest clouds with a ray of sunshine. Buy a tidy red tin of Prince Albert today and see. Tamp a load of this friendly tobacco into your jimmy-pipe and light up.

Cool as a sub-cellar. Sweet as the breath of fresh-cut violets. Fragrant in the tin and fragrant as you smoke it. Never a tongue-bite or a throat-parch. So mild you can hit it up from sun-up to sun-down, yet with a body that satisfies completely.

There's more philosophy in a pipe-load of P. A. than in the average Doctor's thesis. No matter what brand you are smoking now, you don't know how much your jimmy-pipe can mean to you until you pack it with good old Prince Albert. Get started now.

PRINCE ALBERT

—no other tobacco is like it!
