

WOMEN

SENIOR HONOR GIRLS

Before Easter vacation the annual elections of the honor girls for the Senior class will take place. The choosing of these should be entered into with due consideration for all that these honors mean.

The positions are the honorary ones of Bow Girl, Slipper Girl, and Fan Girl, and the Mirror Girl who will read the prophecy, the poet who will compose and recite the class poem, and the Donor.

In choosing the girls who are to receive these honors, there are two things to be considered: the girls' records for the four years that they have been in college, and their ability to fill the requirements of the positions for which they are elected.

They should be girls whom anyone would be proud to have

known anywhere as representatives of Penn State. Therefore consider well the qualifications required by the positions. Then cast your ballot for the one you deem best fitted for the honor.

CO-OPERATION

The women of Penn State will meet today in the auditorium at one o'clock to nominate next year's officers for the Women's Student Government Association and the Women's Athletic Association.

In the past repeated complaints have been heard to the effect that the Town Girls were left out of things, intentionally or otherwise. The blame for this lack of co-operation has been put mainly on the shoulders of the campus girls, who are accused of "high-hatting" and looking down on the Town Girls.

This is an unfair attitude. The down town girls are as much to blame as the others because they neglect many of the opportunities for co-operation which are presented to them.

The Mass Meeting today is for ALL women students. Let it be an opportunity for the Town Girls to show some interest in campus affairs.

Frosh Dance Saturday And Invite Sophomores

The Freshman Class will hold its second semester tea dance at Women's Building on Saturday afternoon from two until five o'clock to the music of Chang Smith's orchestra. Sophomores are invited while juniors and seniors may visit as usual.

Social chairman, Eleanor Dutton, selected the following as heads of committees: Delia Meyer, finance; Katherine Preston, refreshments; Lucy MeSparron, clean-up. Mrs. F. D. Kern, Mrs. C. D. Champlin, Miss Louise B. Moss, Miss Margaret L. Dozier and Dean C. E. Ray will be chaperones. Tickets may be purchased from Helen Cimochowski or Delia Meyer for one dollar.

Upperclassmen Squeelch Plebe and Soph Teams

For the second time this season the Seniors and Juniors humbled the underclassmen when the representatives of '27 defeated the Frosh by a score of 34 to 5, and '28's team brought the Sophs to their second defeat by a score of 31 to 20.

The Juniors began the game with a

determination to wipe out former defeats and retained this fighting spirit until the last whistle blew. The efforts of the Freshmen were of no avail against the scoring of the Seniors and they were compelled to accept defeat.

R. C. YOUNG, Phi Beta Kappa

college instructor to store manager

"I received my B. S. degree from Colby in 1915, and my M. S. from Wesleyan University in 1917. From 1915 until 1920 I taught physics and chemistry in Colby, Wesleyan and Providence, R. I., exercising service as a commissioned officer during the war. The desire for a more active life induced me to leave academic lines and become assistant to the head chemist of the Cullum Manufacturing Co. Opportunity for advancement here seemed too limited, so after two years I decided on another change. I wanted to settle into a life occupation where ambition, ability, and hard work, would be demanded and rewarded. The Kresge organization has answered every requirement. Promotions have been made as rapidly as I have been qualified to receive them. Today I find myself receiving a greater income than the teachers and industrial acquaintances who sought to discourage me from making such a radical change in occupation. My observation of men who have been with this Company for many years shows me that my future earning power is going to be limited only by my own ability." R. C. Young, Phi Beta Kappa

How far can You see into the Future?

The men we want to manage our stores are men of vision—men who are able to look into the future, and who are willing to work hard to attain what they see there.

If you have the faculty of vision, combined with perseverance and a willingness to improve yourself through work and study, you are the sort of man who goes far in the Kresge organization.

And if you are this sort of man, you will not choose a position that offers much today, and little tomorrow. But you will be able to see into the future, and you will pick a job that offers a fitting return for the energy you put into it.

Study our organization. Perhaps you will find it to your liking. At any rate, write now, to our Personnel Department so that we may send a graduate of your own college to tell you how he found success in the Kresge organization.
