Plebe Baseball Team Loses First Encounter

In an effort to find a working combination with such little practice, Coach Houck used fifteen men, trying two complete outfields and with the exception of second base, two infield groups. With warmer weather this week Leo expects to have a heavier hitting group in uniform when the Kiski nine takes the field Saturday.

Lion Relay Team Gets Five Second Places

For three quarters of a mile the cross-country champion splashed through the mud and water before he could outtake Rue of the Illinois combination. And then Cox forged ahead

weather conditions beat Wright of Cornell in the hammer throw. The Ithaca athlete defeated Ide last March in the indoor intercollegiate by an inch but Saturday the Lion husky was supreme and threw the hammer one hundred and fifty-eight feet, seven-eighths inches.

In the quarter mile relay Bartholomew, Filkins, Kilmer and Bates were a close second to the Pennsylvania combination which set a new world's record with the time of 41 3-5 seconds. The touted Notre Dame quartet was fourth.

Lions Place in Relays Michigan State was first in the half-mile relay while the Nittany team of Karbach, Mathias, Bartholomew and Filkins, scored second. Penn State's two-mile team of Davis, Stewart, Offenhauser and Smith trailed Boston college while the sprint medley team annexed second place. Ohio State, Bates college and Penn State scored in the order named in the distance medley relay.

On Friday Bill Cox had no trouble in

the two mile special race and was an easy winner clocking 9.32 while Ted Mathias scored second place in the hop, skip and jump with a leap of forty-five feet, five and three-quarter inches.

Nittany Lacrossemen Overwhelm Chescents

(Continued from first page) the Syracuse twelve, playing a swift and accurate game, but receiving weak and erratic support from his teammates. Boland, who played goal for the visitors early in the game, performed brilliantly at the net. But for his sterling defense playing before he

was shifted to an attack post, the Lion total might have been increased by at least a half dozen points. Time and gain he assumed peculiar positions to squelch a Nittany assault.

The scoring power of Coach Paul's stickmen never waned. They netted eight goals in the first half and accounted for the same number in the final periods. Mosher heaved the lone tally for the visitors late in the first period.

In the Crescent lunas, the Lion combination displayed a smoother, swifter running attack and a less erratic passing game. The stellar teaming of Belfield and Wendel, which accounted for five of the Nittany tallies, was especially noticeable. With such an

improved aggregation whose defense has been successfully penetrated only twice this season and who have amassed a total of twenty-seven points in two games, Coach Paul is hoping to

lower the Cornell colors at Ithaca on Thursday and may surprise the strong combination of Syracuse university when the two clash Saturday afternoon on the Orange loam.

"One gallon, Dad, and left anchor. We gotta make Newport by dark" "Only one?" "Sure! Where'd ya think we're goin'—Shanghaï? Read the nameplate—it's an Erskine Coupe!"

FINALS (ugh)... then Commencement (ah)... and summer just ahead! Vacation days... soaking up sunshine at the beach... evenings spent with that chic blonde you met at the homecoming game... a smart car... your own personal car—an Erskine Six Custom Coupe.

Undergraduate America's new car—the Erskine Six—miles out in front of the rest. Dietrich, without a peer among custom body carrossiers, designed it; moulded its lines, endowed it with Continental sophistication. Trim as a silken ankle... inside, room no end for two... rumble seat behind built just for a double date. High hat in everything but price.

And can it do its stuff? Yes, sir, and how... slips through jumbled traffic with the ease of an inspired celer... hangs onto the road at sixty like a co-ed at her first prom... climbs up a ski slide in high... handles, wheels around and pulls up like a polo pony.

Summer is beckoning—so is "The Little Aristocrat"—a real companion for vacation days.

The Erskine Six Custom Coupe, as illustrated, sells for \$995 f. o. b. factory, complete with front and rear bumpers and self-energizing 4-wheel brakes.
