Lion Lacrossers Meet Lehigh Team Tomorrow

(Continued from first page) year's calendar, Coach Lattig's men have won two and lost four.

Perhaps the most notable triumph of the Battlemites was a 9-1 win recorded over the strong Stevens stickmen. Lafayette, played at an early date, was handed the short end of a 1-1 decision. Navy, Rutgers, and Princeton have listed Lehigh victories on the right hand side of their respective sports ledgers. For weeks the Lehigh cross men were in a lethargy but recently flashed some real form to defeat the Stevens twelve that had previously trimmed New York U. and tied the potent Rutgers crew.

In Stamford, Zastrow and Killinger, Coach Lattig has a trio of fast attack men who show much promise for the future. Kirkpatrick at in point and Baker at in home are other Lehigh luminaries.

Coach Paul has spent the past week perfecting a new combination of defense that he hopes will solve the combination of a series of new maneuvers that Coach Lattig has substituted for the old "cross country" method of attack.

The Nittany line-up will remain intact but it is likely that several of the new men will see action before the end of the game. Coach Paul intends to insert an underclass aspirant whenever it is possible.

Brownagle Plays for Farmers' Ball Tonight

(Continued from first page) in the repertoire of the orchestra are song and solo specialties.

Black Bottom Dance
The musicians will feature several Penn State songs including "Susie," "The Blue and White" and "Victory," which they have arranged and rendered adaptable for dancing.

Among the entertainment numbers will be an exhibition black bottom dance by H. G. Sappet '28.

The committee in charge of the affair began work on the decorations yesterday. Cut green branches placed along the side walls and multi-colored lights arranged in tiers of gradually ascending height will create an arched effect.

Natural greenery will grace the corners of the dance floor. A background for the orchestra box will be made by an arrangement of potted ferns and palms.

Post Move-up Day apparel will be in vogue at the annual announces J. M. Stazewski '27, chairman of the dance committee.

Piebe Ball Team Will Clash With Bellefonte

(Continued from first page) appear in the outfield. However, the former Morrisdale catcher has been welling a wicked willow and probably will get the assignment.

Kuhn and Stahly are still fighting it out for the first base berth with

chances favoring the former. At second, Rintz seems to be a fixture while Spear and Wolfe will again take care of the shortfield and hot corner, respectively.

Outfield Undecided
The outfield will be "picked" from Panaceon, Schmander, Batdorf, Barus and Fry. Coach Houck wants not only hard-hitting but also a fast fielding and thinking combination in the gardens.

Too often have runs been scored or men on base advanced because of slow thinking on the part of members of the 1927 group and Coach Houck has made an especial effort to curb further instances of this sort.
