Bucknell Seeks Victory Here Saturday By Seventh Win Over Blue and White Baseball Team

Returning from their three game series with Princeton, University of Pennsylvania and New York university, the Penn State baseball team will spend the first of the week resting and then a few days of extensive practice preparing for the annual clash with Bucknell next Saturday on New Beaver diamond at two-thirty o'clock

Penn came from behind to win over the Lions in the eleventh inning by means of a home run by Becker, Quaker third baseman, who knocked a home run to break the deadlock and bring Captain Tremper ahead of him to make the final count 4-2.

O'Hara, Lungren Excell Bill O'Hara, tall sophomore hurler for the home team, held the Nittany ball players to five hits and pitched the full route for three innings. O'Hara and Lefty Page set the enemy sides down without a hit or run. In the fourth the Lions gained the game's first score.

Cy Lungren opened the fourth with the first of his two singles. When George Delp laid down a bunt, Cy continued all the way to third. Then Penn State worked the well known squeeze play for a run, Mike Haman hitting Lungren across.

Score Tied in Sixth Penn wasted a hit in the fourth and two in the fifth but tied the tally in the sixth. After hitting a couple of hard swipes that went for outs, Tremper worked Page for a pass and uncorked two steals. He scored on (Continued on last page)

Haight Lectures on Methods of Zinc Mining At Fraternity Smoker

Mr. C. M. Haight, mining engineer of the New Jersey Zinc company, gave an illustrated lecture concerning the methods used in that district at a smoker given by Sigma Gamma Epsilon Friday at seven-thirty o'clock in the Old Mining building. At the same time members of the society elected officers for the next year.

They are: Ralph Grant '28, president; O. L. Sullivan, vice-president; O. B. Helfrich, secretary-treasurer; and F. T. Moyer, corresponding secretary.

The large ore bodies, consisting of complex and unusual minerals of zinc, manganese and iron, are folded into canoe-shaped masses varying in thickness from twelve to one hundred feet. The unusual thickness and shape as well as the physical nature of these bodies form the chief features of mining companies.

President R. G. Kennedy, announces that next year numerous smokers will be held under the auspices of the fraternity and that prominent men will be secured to speak to those present

LION RAQUETEERS ROUT DUQUESNE NETMEN, 8-1

Altered Doubles Combinations Prove Factor in Tennis Team's Victory

The Nittany netmen, after successive defeats at the hands of Lehigh and Bucknell, staged an outstanding comeback on Saturday and routed Duquesne, eight to one. Two new doubles combinations were contributing factors in the success of the Penn State team.

In the singles, Cooper encountered Sullivan of Duquesne on the first court and won the first set six love and the second, six one. Rosenberger defeated Creighton in a three frame match while in two consecutive sets McCabe outscored Calloidi. Captain MacCowan and Metzner won respectively from J. Philpott and R. Philpott. The only match lost by the Lion courtmen was the fifth singles, in which Olko of Duquesne won over the lanky Barr.

Shifting his doubles combinations, Coach Ham placed MacCowan with McCabe against the visiting Sullivan-J. Philpott duo. The Cooper-Rosenberger combination remained intact and encountered Creighton and Olko of Duquesne. In the third doubles, Hinkel was matched with Metzner against the Colloidi-R. Philpott pair. The Nittany team emerged victorious from each of the doubles matches.

Lions Defeat Bethlehem Twelve, 11-2—Fast Attack Method Used to Advantage

WENDEL PROVES HIGH SCORER FOR NITTANYNS

University of Pennsylvania To Provide Combat Here Saturday

A short pass attack that Lehigh stickmen could not fathom accounted for a 11-2 Lion win over the Brown and White Saturday at Bethlehem. Penn State started with a rush, scoring three goals within five minutes after which the Lehigh defense tightened and slowed down the Nittany crossers.

Sweep Defense Away With short passes and fast stick work, the Lions bewildered their opponents, making frequent shots and ending the first half with the score 4-1 their favor.

In the second half Lehigh's defense was effective until midway in the period when the Blue and White launched a spirited drive which put the ball through the enemy goal five times in almost as many minutes (Continued on last page)

Dr. E. A. Schaefer Relates Needs of Modern Theology

Scientific and mechanistic elements and a flood of destruction-proof creeds and doctrines are militating against the Church of today, asserted Dr. E. A. Schaefer, general secretary of the Board of Home Missions of the Reformed Church in the United States, at Chapel services Sunday morning.

With the reversal of the order of importance of the three main classes in human society, emphasis was placed upon material instead of ideal things, Doctor Schaefer said. As a result of this the Church has lost prestige. Closer relationship between pulpit and congregation, a broader type of preaching, a rejuvenated ministry, more loyal congregations and a reorganization of methods are needed to return the church to the important position it formerly occupied in society.

BELLEFONTE TOSSERS WIN FROM PLEBES, 10-7

Freshmen Score in Seventh and Eighth Stanzas—Parana Hits Three-bagger

A strong rally in the seventh inning followed by a two-run eighth was not enough to win for the freshman baseball team in its game against Bellefonte Academy Saturday. The yearling nine finished on the short end of a 10-7 score on the County Seaters field.

The home team went into the lead in the first inning and was never headed, Schimpf lighting after he seemed destined for the showers in the closing stanzas of the fray. The prep diamond artists scored once in the first and twice in the second. In the sixth frame five Bellefonte men crossed the plate while two more reached the scoring station in the eighth stanza.

Fry Starts Game Fry started his first game on the mound for Coach Houck's aggregation but errors were the main cause of his undoing and he retired in the seventh in favor of Lockard who allowed only a pair of bingles in the last two frames. The former allowed eight hits during his term on the peak.

The plebe pitcher fanned eight men and issued only one base on balls. At that he collected one of the trio of three-ply swats garnered during the course of the game.

Parana, with a triple and single, led Coach Houck's charges with the (Continued on last page)

1929 CLASS PENNANTS GO ON SALE TOMORROW

Students Show Interest in Old Custom, Revived After Three Years' Lapse

Reviving the custom of having class pennants and attempting to re-establish it after a lapse of three years, the sophomore committee has, after much discussion, decided upon a banner which is suitable for the class.

The official flag may be secured only through members of the committee who will be on duty at Whitey Musser's tomorrow, Thursday, Friday afternoons and Saturday morning. In case of inability to be at the assigned place of distribution, sophomores may place their order by calling A. R. Foote, Sigma Phi Sigma house any time before Saturday noon.

Thus far great interest has been shown in the banner. The background is garnet red and sets off the steel gray letters and numerals. Diagonally across the left hand corner is a white band with "Penn State" in blue letters. The pennant is thirteen by thirty-six inches and will sell for one dollar.

Under ideal weather conditions and for a fast track, the Penn State center track crushed the Syracuse runners 104-31, Saturday on New Beaver field, breaking two records and equalling another in the first home dual meet of the season. Only two first places were won by the Orange athletes. Clocked in 9 3-5 seconds, Bartholomew, equaled the college record for the one hundred-yard dash, followed by Filkins and Barbatus of Syracuse who tied for second place. This two again scored in the 220-yard dash, with the Nittany flyer the first to break the trap in the time of 21 2-5 seconds.

Cox Breaks Record The first record to fall was in the one-mile run when Bill Cox covered the distance in 4 minutes 19 4-5 seconds, breaking Roger Fouracre's mark of 1 22 2-5. Cox was caught in 59 1-5 seconds at the first quarter and completed the half mile in 2 05 1/2. With no runners pressing him the cross-country champion's performance was outstanding, finishing more than seventy yards ahead of Captain Stewart.

Bates and Mathis, Coach Cartmell's broad jumping ace, fought a duel for first place. So keen was the competition that Mathis beat Bates only by one-half inch with a jump of twenty-three feet, ten inches. Brownstein of Penn State got third with twenty-one feet.

Handcapped by a bad start, Cecil Cooke, intercollegiate quarter-mile champion came from behind to overtake Sands, of Penn State. With more than two hundred yards to go, the colored flash challenged Sands and the two speedsters fought stout neck and neck but the Syracuse star was too strong and passed the Lion runner. Cooke closed the finish line two yards ahead of Karbach of Penn State while Sande came in third.

Haskins Beats Loucks Probably the greatest surprise of the meet came in the two-mile run when Haskins defeated Loucks of Syracuse. Three hundred yards from the finish Loucks overtook the lanky (Continued on last page)

NITTANY GOLFERS DOWN LAFAYETTE TEAM, 4-2

Ludes Turns in Seventy-seven For Low Ball—Bunting Only Lion Loser

By the score of four to two, the Nittany golf team defeated the veteran four from Lafayette on the College course Saturday afternoon.

In the individual play the Lion linksmen would have made a clean sweep had not J. P. Bunting Jr. '29, lost to Hohenberg. By sinking a long putt on the eighteenth green Captain H. A. Cannon '27 won from Capt. W. McQueen of Lafayette Jr. Ludes '29 and H. A. Fritchman '29 defeated Wendenburg and Smith, respectively. In his match with Smith, Fritchman made one of the unusual shots of the afternoon when he sank an approach from the fairway.

The low ball foursome in which Captain Cannon and Bunting opposed Captain McQueen and Rothenberg was the most closely contested of the day. In the two extra holes necessitated by the tie at the eighteenth, the visitors nipped out the Penn State pair by a one-point margin.

Fritchman and Ludes easily took the second four-one from Wendenburg and Smith by a three-to-nothing advantage. Ludes and Fritchman made the lowest medal series with marks of 77 and 78, respectively. The Penn State team will meet the Syracuse golfers here Saturday afternoon.
