

Competition Keen Competition Keen Fiom all present indications there hould be a merry race for almost very position on the team. Coach lingo Bordek has selected four teams, he hrst two of which are captained by ohnny Roepke and Cy Lungren, re-pectively On Roepke's eleven, reas-nably termed the "first" team, are zeako and Siamp at ends, Krall and freenshields at the tackle posts, Dar-augh and Hastings at guards and toger Mahoney at the pivot post. Comprising the backfield are Pin-ura, quarterback, Miller and Captaun toepke at the halfback posts and fanns at fulback. With the excep-ion of Miller, freshman luminary of ast year, all have had varsity exper-tice

inst year, all have and varsity exper-ience Yearling Stars Return Since Joe Wilson, Marty McAndrews and Whitmore, all yearling pigskin performers of two yeans argo, have returned after a year of absence, the varsity regulars of last sonson have been hard pressed to maintain their honors of a year ago The onl stiment of Joe Ridgeway and Eddie Craig, mainstays of last year's freshman cleven, has thrown a scare into the camp of the mole experience ball-toters The inser-tion of Miller, another piebe star time-cracker, into the post vacated

of Miller, another plebe star crackor, into the post vacated alternates Greene and Prehard n indication of the threatening in-on of the less experienced men: corge (Mary) Delp and Sam (Continued on fourth page)

# DAD'S DAY CELEBRATION SET FOR OCTOBER FIRST

# Football Game With Gettysburg

Eleven To Mark Program For Annual Event

Announcoment that the annual Fathers' Day would be held this fall on Saturdny, October first, was made today by Prof. J. O Keller, secretary of the Association of Parents of Penn

of the Association of Parents of Penn State. Dad' Day at Penn State was start-ed in 1920 and led to the organiza-tion of the parents' association in 1922 Each year the occasion is as-suming grader importance, and more than a thousand parents are expected for the Octobel first event. The out-standing attraction for the day will be a varisty football grame with Gettys-buig college, and the annual meeting of the parents' association will take place in the morning A student mass meeting and smoker will feature the placers. The date for the Fathers' Day will full approximately two weeks after the opening of college and allow par-ents opportunity to see how their sons and daughters are located for the year in the College.

### **Dean of Men Extends Greeting to Freshmen**

A R. Warnock, Dean of Men

A R. Warnock. Dean of Men, through the columns of the COL-LEGIAN, extends to the Class of 1931 a word of sneere welcome and heaity congratulation Augmenting his good-will greeting, Dean Warnock, with a deep interest in the future of Penn State, cites the new developments in progress of the campus, which, he states, "will make for a greater Penn State" "The incoming class marks a new era in the rise and progress of this greater Penn State," he added, "and I trust it will take up the burdon with a vum and vigor that will emulate the best efforts of its predecessors."

After Which Work Will Begin on Old Main

With the clearing of a portion of the woodlot west of Varsity Hall, work on the new recreation center is now under way Of this structure only the main part is to be built at this time and the two units for lockers and swim-ming pool will be erected when ad-ditonal funds are available This large indoor stadium will hold thrty-five hundred people on the permanent seats of a balcony which will struct around three sides of the building. Bleachers erected be-low the balcony will provide for thee thousand more persons, and chairs and benches placed on the remaining floor space will bring the capacity of the building up to eight thousand. With all designs submitted and ap-proved it is honed that the infirmary (Continued on second page)

ATHLETIC CONTROL

**BOARD CONVENES** 

New Group Abolishes Athletic Scholarships and Passes No-scouting Plan 🗧 💥

MAKES APPROPRIATION FOR ATHLETIC EDUCATION

Abolishment of all athletic scholar-ships and abandonment of the scout-ing of other football teams were the new Boald of Athletic Control at their August meeting in Varsity Hall. The elimination of the athletic a-waids was the secuel to the action of the Alumni Advisory committee which last year took action to reduce the number of scholarships for the 1927-28 scison to fifty-five Those to whom scholarships have been of-fered or who have held scholarships ate eligible for renevals of those scholarships until they have graduat-ed.

scholarships until they have graduat-ed. Scouting Abolished Following the tiend of sportsman-ship in Eastein athletic circles, the Committee decided first to send no scouts into the camps of all those colleges which agreed to send none here Upon the suggestion of Hugo Beedck, Director of Athletics, it was decided that Penn State would send no scouts regardless of the views or actions of opposing coaches. A third action authorized Bezdek and Neil Flemine, graduate manager, (Continued on third page)

Herzel He is taking over the dutes of Efficient A. Hollbrool denn of the varbail for the past five years, who go September first became dean of the combined schools of mines and en-genceing at the University of Pitts-buigh Doctor McFailand is known to the world of science as a co-worker in the diversory that helium gas, now used

Docto McFailand is known to the world of science as a co-worker in the discovery that bilum gas, now used in the inflation of airships, was really not so late as allways has been thought. While doing research work at the University of Kansas some vears age with Prof II P Gady, they made the first study of the oc-curience of helium in atural gas and showed this valuable element, pre-viously supposed to be quite tare, to be an almost constant component of all natural gases. This work was of great value during the wold war ir the development of sources of high-ium for use in balloons and airships.
