WALLY SEZ:  
"You don't have to be a 'grand' to be smart. The way this nifty writing stick eats up notes is nobody's business—'an' how! Pleased 't meetcha."  
—WALLY, the Eversharp Kid

One look at these superb new Wahl Pens will tell you that it is no longer necessary to pay more for complete pen satisfaction

They're everything a campus favorite should be—handsome—big—and guaranteed to last. Choose one of these big, new pens in your favorite color—Mandarin Red, Jade Green, Royal Blue, Rosewood, Oxidized Silver, Coral or Ebony Black. Seven popular colors, and three handy styles—long with roller clip, short with ring (for co-eds) or soldier clip.

All are tipped with the famous, easy-running Wahl Signature nib, a sturdy 14k gold point that's not too stiff nor too flexible—and only \$5.00. That's the whole story of the new Wahl Fountain Pens.

Wahl Pens are world-famous for their writing qualities—easy writing, smooth writing. The Wahl Comb Feed insures quick starting and an even flow of ink at all times. No scratch, no blot, no effort when you're in a hurry.

Test the new Wahl Pen for yourself at the nearest Wahl-Eversharp counter by the only test that means anything.

**EVERSHARP**  
the name is on the pencil

Wahl Pen's classmate. Its right-angle, rifled tip that holds the lead steady and true is the tip-off on campus pencil popularity. A new model in new colors to match the new Wahl Pens—\$3.50

HERE'S a good business proposition! Invest in a Remington Portable and reap dividends in the form of bigger and better rest at night. Much faster than writing by hand, this little Remington enables you to finish your long reports or theses—not fall asleep trying to finish them. Not only that, but think how much neater and more business-like they look when typewritten! Examine the Remington Portable. It is the smallest, lightest, most compact and most dependable portable with standard keyboard. (Carrying case only 4 inches high. Weighs 8½ pounds, net.) Monthly payments. *The Recognized Leader—in Sales and Popularity.*
