WRIST WATCH that is

THE modern wrist watch, where women are con-cerned, has become an article of personal adornment. Never, in our memory, have

Never, in our memory, have there been so many exquisite designs.

Men, too, are wearing wrist-watches as they never did before, and the art of the watchmaker has been brought to a high degree of perfection, in his field, that simple dignity coupled with time-keeping workmanship, may be successfully combined.
