

Bucknell Upsets Lions In Unexpected Victory

(Continued from first page)

Quinn added eleven yards around right end and the Lions were penalized five yards for off-sides on the next play. The nitany line bitared momentarily as Lesko drove McGormick back for a two-yard loss. McGormick's second attempt, a reverse play, resulted in a nine-yard gain. Hambacher received a line-smashing call and responded with a two-yard gain through center. A moment later he was thrown for a loss as he drove toward left tackle after a reverse play. Bucknell then initiated the centering proceedings when Halicki drove toward left tackle, but finding no hole there, slanted further left and tripped across the goal line. Trimmer scored the extra point with a placement kick.

State Gains on Punt

An exchange of punts by which Penn State gained twenty yards followed Quinn's kick-off to Wolff who was downed after a ten-yard return. It was with little success that the Lions employed their forward passing system. The first two aerial heaves were grounded while a third was intercepted by Elliot, Bucknell's star left guard. With the opposition possessing the ball on their own thirty-five yard line, the Penn State forward wall braced and held for downs as the period came to a close.

Again Penn State reverted to forward passes and again without success. After Hal Hastings, still injured, had been rushed in to replace Jack Martin, Wolff tossed a long pass which was intercepted by Hambacher. The Bison halfback made his way down the field for thirty-five yards before he was finally tackled on the thirty-seven yard stripe. Erriate tackling was the cause of the long gain. Bezdek inserted Kiall for Palmer and Delp for Curry. Both men, nursing injuries, were being reserved for the Penn game next week.

Deep in their opponent's territory, the Bison backs immediately opened

their deceptive forward passing attack. Three times the ball sped through the air and twice it found safe repose in the arms of Halicki. Hambacher was the passer each time. Bison line thrusts were without avail as the next form of attack. Forward passes were grounded one after another and as a result the Lions came into possession of the ball on their own five-yard line after Halicki's attempted placement kick fell short of its goal by several feet.

A Lion invasion that carried the ball further into enemy territory than it had previously been was begun after Bucknell had lost the ball on down. In five plays, two of which were forward pass maneuvers, the Blue and White gridders earned three consecutive first downs to place the ball on Bucknell's twenty-eight yard line. Lungren teed off five yards at right end, Wolff added four on a right reverse play and Hamas plunged through the center three yards for a first down. Wolff's pass to Lungren netted sixteen yards and another first down, while Albe's toss to Roepke gained fourteen more and the third first down.

Still another forward pass from the hands of Wolff was not only successful but almost proved fatal to Bezdek's charges. Trimmer intercepted it, evaded every Lion tackle and was well on his way for a touchdown when Lungren gave chase. Cy overtook the feet end and brought him to earth twelve yards from the goal. A barrage of Bucknell forward passes full to the ground one after another and Penn State received the ball on downs.

In the waning minutes of the half, the Nitany gridders began a belated rally. Roepke, running behind nearly half the team for interference, gam-

ed fifteen yards on a fake kick, after which Penn State was unable to gain. An exchange of kicks ensued. The whistle sounding the end of the half found the Lion backs trying desperately to score on long forward heaves, mainly from Wolff to Lungren.

Quinn's kick-off to Delp was returned fifteen yards. A Lion team with new life instilled into them gave immediate assault to the Bucknell ranks and showed its first real power by outplaying the Lewisburg host temporarily and scoring three first downs in quick succession. Wolff threw a short pass over the line to Lungren for a four-yard advance. Hamas smashed right tackle for a first down. Roepke carried the ball around right end eleven yards for the second ten-yard award and Wolff and Lungren pooled their efforts to negotiate another first down on the thirty-five yard line.

After the Bisons had been penalized fifteen yards for holding, Wolff wormed through left tackle for four yards. Roepke brought the ball to scoring position by reversing his field for an eleven yard advance. Wolff's center rush resulted in a four-yard gain but two more front wall thrusts proved fruitless. With the ball on the two-yard line and but two downs remaining, Steve Hamas dived through

the "squatted" Bison line for a touchdown. Roepke tied the score with an accurate placement kick.

In tallying the tying points the Penn State gridders showed unexpected power and flashed fully as much fight and form as any Lion combination has displayed in the past ten years, according to Coach Bezdek. Had they sustained the dash and fire and vigor of that first supreme effort they would have won by a comfortable margin, the Nitany grid mentor believes. The remainder of the period was uneventful with Penn State taking the offensive and Bucknell being forced to the defensive after Lungren had intercepted Halicki's forward pass.

Another exchange of punts resulted in a slight loss for Penn State. Roepke spalled a neat kick for fifty yards, into the arms of Diehl. He returned the ball fourteen yards. In the preceding plays Quinn figured prominently. The Bison quarterback ran eighteen yards with the ball after

Diehl punted four through left tackle. Green-hichels, the bandage still on his injured knee was dispatched to replace Joe Kiall who limped off the field. Donn stopped the next two plays but on the third, Quinn darted around right end on a perfectly executed hidden play, reversed his field and receiving perfect interference from his colleagues whirled his way for a touchdown after a thrilling run of nearly fifty yards.

Diehl missed the extra point and the Lions, with the aid of Roepke's accurate toe, had chances and hopes for victory by the margin of a single point. Once Lungren tore around right end and nearly shook himself free. Again Roepke circled the same end and was downed only by the safety player. Erriate to score the tying touchdown and the resulting extra point, the Lion backs sought the air as a means of their last minute salvation. But pass after pass went far out of its way as panic stricken backs lost not only their composure

but also their sense of direction. The final whistle sounded as a long pass from the hands of Wolff sailed far from its receiver and fell to the earth. The line-up:

First for Finer Flavor—No Throat Irritation—No Cough

11,105* doctors give written opinions.

WHAT is the quality that Giuseppe Danise, Queena Mario, Adam Didur, Antonio Cortis, Nanette Guilford, Wilton Lackaye, Lenore Ulric, "Roxy," and other famous singers, actors, broadcasters and public speakers have found that makes LUCKY STRIKES delightful and of no possible injury to their voices?

For the answer we turned to medical men and asked them this question:

Do you think from your experience with LUCKY STRIKE cigarettes that they are less irritating to sensitive or tender throats than other cigarettes, whatever the reason?

11,105* doctors answered this question "YES."

Consider what these figures mean; consider that they represent the opinion and experience of doctors, those whose business it is to know.

"It's toasted"

No Throat Irritation—No Cough.

"Roxy," a favorite in Radio-land, writes:

"During a strenuous rehearsal, with the work entailed in operating the World's Largest Theatre, where one's nervous system is working under great pressure, there is nothing quite like a 'Lucky Strike' cigarette. It does not impair the voice, and gives the mental relaxation so essential to carry on."

*We hereby certify that we have examined 11,105 signed cards confirming the above statement. LYBRAND, ROSS BROS. & MONTGOMERY Accountants and Auditors New York, July 22, 1927.
