Thespians Stage Acts For House Party Show

(Continued from first page)
The hitherto unknown or suspected while a male quartet will follow immediately after. According to advance reports, every member of the quartet is a member of the house party.

An old-fashioned setting with a royal purple backdrop set with a huge cameo, flanked by a large bronze candelabrum swung from above and the entire stage illuminated by both flood and footlights will provide an elaborate atmosphere for the due act of Miss Ada Romig and Miss Charlotte Hoy.

The finale which follows Ken and George Deike's out-Black-Crowing of the Two Black Clowns will be led by Hobey Bortoff and his band. George Shuster and Ralph Kennedy will re-

der the Varsity Diag dance which made its first public Penn State appearance at the Alumni smoker in the Armory last Saturday.

Thespians vaudeville show tickets will be on sale from seven until nine o'clock every evening from Monday until Thursday at the Floral Shoppe. Prices will be fifty and seventy-five cents. Fraternities may reserve block tickets for this House Party showing by calling William Hinkel, Sigma Alpha Epsilon house.
