accurate passing and team play. The work of Jack Brownstein, center, has been improving and he will push Lou Reilly for the pivot post before the season is over. Captain Whitey Von Nenda is hitting his former stride. Among the newcomers on the squad is Fry, a sophomore, who, although he may get little varsity experience this year, will be a strong contender for the first team next season.

### BUSINESS

Is Run To Make A Profit

### PROFIT

Depends on Economy and Efficiency

BUSINESS ORGANIZATIONS that are successfully managed keep accurate cost figures and comparative monthly statements to guide them in the administration of their affairs. This enables them to keep a close watch over their expenditures day by day.

INDIVIDUALS that have a system to keep track of their income and outgo keep a checking account which enables them, too, to watch their expenditures.

THERE ARE MANY ADVANTAGES in students having a checking account and having it with this bank.

## Non-Breakable

—and the smoothest writer you have ever used!

Sure! You'll pay \$5 for the Junior or Ladysize, or \$7 for the Big Overseize but you've GOT something!

You've got a NON-BREAKABLE. That saves money. And you've got PRESSURELESS TOUCH. That saves tiring yourself out writing themes and taking notes.

We've thrown these new Duofolds from the roof of a skyscraper, from an aeroplane 3,000 feet aloft, and from the rim of the Grand Canyon, and not one has broken.

Yet it's 28% lighter than when made with rubber! And it writes immediately, and keeps on writing, with merely the pressure of its own light weight—you simply guide it. It clears the track for THINKING.

And it's a satisfaction, too, to "pull a good one" when you write or lend.

That's another thing: 14K Gold pen points with iridium tips (choice of six styles) to suit your hand exactly but so tempered that your smoothest-talking, roughest friend couldn't distort it out of shape for you.

Fine and hearty colors—Lacquer-Red, Mandarin Yellow (new), Lapis Lazuli Blue, Green Jade and flashing Black and Gold—all black-tipped.

35 years of experience, 47 improvements, 32 pen patents—all have been incorporated in this Master Pen. See what it does for you.

One caution: See where the pen points? Do a little detective work. Look for that imprint on the barrel of each pen. There for your protection, the dealer's and our own.

WHY JOE! BE THANKFUL FOR YOUR PICTURE OF HEALTH! BUT DO WISH YOU'D GET RID OF THAT COUGH OF YOURS.

HERE'S THE WISHBONE, JOE. MAKE A WISH.

I WISH I'D GET A LITTLE SYMPATHY 'ROUND HERE.

WELL, YOU WON.. WHAT DO YOU WISH?

I WISH YOU'D SMOKE OLD GOLDS AND GET RID OF THAT COUGH AND GROUCH OF YOURS.
