man, while Flegar, in the featherweight class will box Moffett. Koleski will oppose Williams in the 135-pound division. A new personage will represent Penn State in the welterweight bout tomorrow in the form of Chuck Robb. The lanky 115-pounder, who participated in the Temple bout last year, was ineligible until this semester. Tickets will be his opponent. In quest of his fifteenth consecu-

tive victory, Captain Allie Wolff will enter the ring against Captain Getin, intercollegiate welter weight champion. The Navy leader is a hard hitter but will meet his match in Allie Wolff. Although Struble has shown improvement in his speed and glove work, Coach Houck feels that the sophomore needs more experience. Bendick will engage Burke. The Midds 175-pounder is captain of the 1928 football team and has boxed before Matty MacAndrews will meet Chap- ple, a football lineman.

defensive man before the ball was passed or while it was in the air, but under the new regulations the man passing the line of scrimmage must wait until the ball is caught before knocking a man down. Coach Bezdek has long advocated that a fumbled punt be given to the recovering side, but that it be declared dead at the point of recovery. He states that the committee has gradually come to accept this point of view and that in the future it will not be permissible for the man recovering the ball to run. It will be declared dead where the man falls upon it.

Virginia in the next two games on the home floor. Last week the Blue and Gold loopmen came east to defeat Colgate and eke out a win over the Army quintet in the closing minutes of play. Charlie Hyatt, forward and scoring ace, will lead the Pitt offensive machine in tonight's tilt. Last year Hyatt accounted for seventeen of the Panther's twenty-nine points, against the Nittany dribblers, and maintained an average of fourteen points a game throughout the season with a total of 171. Hyatt's running mate at forward will be Stanley Wroblewski, who has been pressing the star for high scoring honors this season. At the center post Coach Carlson will place either the versatile Les Cohen or McMahon. Captain Sykes, Reed and Bill McGill will probably start at guards. Among the capable reserves are Jerry Wunderlich, star guard of last year's team, and Zehfus, forward, who paired off with Hyatt in some of the earlier contests.

**This is Parker Pressureless Touch**

This pen's feather-light weight alone is sufficient to start and keep it writing. No effort, no fatigue.

Doubly remarkable because the new Duofold is 28% lighter than when made with rubber, due to Permalite, a new material 100 times as strong as rubber—in fact, Non-Breakable.

But Pressureless Touch is most important because of its effect of taking all the effort out of writing.

3 sizes, 6 graduated pen points, 5 flashing colors, to suit men's and women's hands and tastes.

Parker Duofold Pencils to match pens, \$3, \$3.50 and \$4.

Look for "Geo. S. Parker—DUOFOLD" to be sure of the genuine.

**"Luckies never cut my wind" says Billy Burch, Captain of N. Y. Americans' Hockey Team**

*"Hockey is pretty strenuous—it takes all you've got to keep on top of the old puck. I can't afford to take any chances with my physical condition. That's why I stick to Luckies. In addition to the pleasure I get from their fine flavor, they have never cut my wind to any noticeable degree. Finally, I never suffer with sudden coughing which might be very dangerous for me when there's a scramble on the ice."*
