DR. DENGLER GIVES FIRST L. A. LECTURE ON ITALY TONIGHT

Will Present Pre-Roman Study Italian Culture in His Opening Talk

SINGLE THEME MARKS SERIES OF ADDRES

Liberal Arts Faculty Members Review Varied Aspects of Peninsular People

Beginning the Liberal Arts lecture course, Dr. Robert E Dengler, acting head of the classical languages department, will present a study of pre-Roman Italy tonight at seven-fifteen o'clock in Old Chapel.

The course this year is centered on one subject Italy Although not developed chronologically, the talks concein some aspects of the pennisula people from the shadowy past of their forgotten cultures to the imminent influences of the present dictator. Italy's history and contributions to civilization are reviewed from five different angles by members of the Liberal Arts faculty.
