DR. E. E. SLOSSON **DELIVERS ADDRESS**

Believes Students Interested in Chemistry More Than in Other Curricula

MEMBERS OF AUDIENCE QUESTION "Y" LECTURER

"Chemistry is studied with more in-dependence and self-tutoring than the usual college course of study," were the keynote words of a "" lettue delinered by Dr. Edwin E. Slosson, internationally-known chemist, in the Auditorium Friday n.g. 2: The noted scientist also explained i.i., although America has not been a beginned of scient the experiment, she is taking put more and more in this age of discovery. "Chemistry," the lecture continued."

part more and more in this age of discovery.

"Chem stry," the lecturer continued, differs from other pursuits in that through it many compounds are made which never existed before, while the American continent existed before Columbus bumped into it. In other words, chemistry is not a scence of discoveries but a creative art."

"The secreey of alchemy in early times," Doctor Slosson explained, "led to the belief on the part of the gibte that experimentors in such limes were possessed of the out one. But this theory has vanished. People now look to the chemist for new and convenient products."

Doctor Slosson also went on to name

Convenient products."

Doctos Disson also went on to name seme of the synthetic products now obtainable from cellulose Guncotton, "new-skin," "lacquers, celluloid and attificial jubber me among the by-products in demand by the industrial

would After concluding the main part of the lecture, the speaken answered questions advanced by members of the audience. Chief among these replies were the remarks on the progress of experimental evolute and on the pretential resources of the say bean

Lions Score First

Lions Score First

Determined to beak the Panther winning streak, the Blue and White lained an early lead when Lungren santed on a foul toss A minute after Dick Reinhold sent a long shot pinning through the loop. Again Lingren was fouled and once more tallied The Nittany total mountained with the loop. Again the Lion's closest approach to victory.

Attractive the Patt court from founds

ed stil another point, but that was the Loon's classet approach to victory. After that, the Pitt courtmen found themselves and proceeded to pass Coach Hiermann's dribbing machine in true whilwind fashion. Yet, in spite of the one-sided score, the fray was not an easy one for the Panther to snitch. Throughout the entire game the Pitt men were extended to penetrate Penn State's defense. On the floor, both teams appeared equal, with the ultimate victor holding an exceptional edge in the matter of accurate shooting.

"Panther Mites" Star

Zehfuss and Wiobleski, the "Panther Mites," were the potential scoring factors for the winners, their combined totals representing exactly half of the entire Pitt scoring, honors from the field. Each gain call the shooting accurate passes and clever floor work, proved another Pittsburgh satellite

The following night Captain Von Nieda's mates travelled across the way to defeat Caineige Tech for the tecond time in a week Coach Hitmann griefered to use his substitutes. Everything went well until the
